## Graduate Assistant Cost Share (GACS) Funding Application

PI Name and Title:

Date:

Link to Request for Proposals (if no link is available please provide a PDF copy) :

Budgeted F&A Rate:

What is the sponsor required cost share commitment?

If there is no required cost share commitment, explain why is GACS support considered to be essential to the competitiveness of the proposal?

How will graduate students working on the proposed project be provided with technical, operational and transferable professional skills which are applicable to a range of prospective research and research-related careers in both academic and non-academic settings.

Send completed PDF form via email to [spo-l@mtu.edu](mailto:spo-l@mtu.edu). In most cases you will receive a response regarding the application within 2 business days.
