Emergency Proposal 33-21: “Proposal to Change the Date for Withdrawal with a ‘W’ for Fall Semester 2020”

Submitted by: Academic and Instructional Policy Committee

To allow students who may be struggling in courses due to COVID-related disruptions or simply because they are adapting to the new course formats, it is proposed that the due date to withdraw from a course for the Fall 2020 semester with a W on their transcript be moved from Friday, November 6th, to Friday, December 11th.
