Congratulations on your acceptance! Whether you’re set on Michigan Tech or still deciding if this is the school for you, you’ll find everything you need to do next as you make your college decision.

Look inside for helpful tips, dates, deadlines, and contact info. Welcome to Michigan Tech!
### Fall Semester 2019

- **September 3, Tuesday**: Instruction begins
- **September 6, Friday Noon**: K-Day recess, one day only
- **September 9, Monday**: Classes resume
- **November 22, Friday 10 PM**: Thanksgiving recess begins
- **December 2, Monday**: Classes resume
- **December 13, Friday**: Last day of regular classes
- **December 14, Saturday**: Midyear Commencement
- **December 16, Monday – December 20, Friday**: Final exam period
- **December 20, Friday**: Fall Semester ends

### Spring Semester 2019

- **January 14, Monday**: Instruction begins
- **January 21, Monday**: Martin Luther King Jr. Day recess, one day only
- **February 6, Wednesday 10 PM**: Winter Carnival recess begins
- **February 11, Monday**: Classes resume
- **March 8, Friday 10 PM**: Spring Break begins
- **March 18, Monday**: Classes resume
- **April 26, Friday**: Last day of regular classes
- **April 29, Monday – May 3, Friday**: Final exam period
- **May 3, Friday**: Spring Semester ends
- **May 4, Saturday**: Commencement

### Summer Semester 2019

- **May 13, Monday**: Full Session begins
- **May 13, Monday**: Session A begins
- **May 27, Monday**: Memorial Day recess, one day only
- **May 28, Tuesday**: Classes resume
- **June 27, Thursday**: Session A ends
- **June 28, Friday**: Session A exam period
- **July 1, Monday**: Session B begins
- **July 4, Thursday**: Independence Day recess, one day only
- **July 5, Friday**: Classes resume
- **August 15, Thursday**: Session B ends
- **August 15, Thursday**: Full Session ends
- **August 16, Friday**: Full Session, Session B exam period

### Spring Semester 2020

- **January 13, Monday**: Instruction begins
- **January 20, Monday**: Martin Luther King Jr. Day recess, one day only
- **February 5, Wednesday 10 PM**: Winter Carnival recess begins
- **February 10, Monday**: Classes resume
- **March 6, Friday 10 PM**: Spring Break begins
- **March 16, Monday**: Classes resume
- **April 24, Friday**: Last day of regular classes
- **April 27, Monday – May 1, Friday**: Final exam period
- **May 1, Friday**: Spring Semester ends
- **May 2, Saturday**: Commencement

### Summer Semester 2020

- **May 11, Monday**: Full Session begins
- **May 11, Monday**: Session A begins
- **May 25, Monday**: Memorial Day recess, one day only
- **May 26, Tuesday**: Classes resume
- **June 25, Thursday**: Session A ends
- **June 26, Friday**: Session A exam period
- **June 29, Monday**: Session B begins
- **July 3, Friday**: Independence Day recess, one day only
- **July 6, Monday**: Classes resume
- **August 13, Thursday**: Session B ends
- **August 13, Thursday**: Full Session ends
- **August 14, Friday**: Full Session, Session B exam period

**MICHIGAN TECH GUIDE KEY**

- ☑️ Really important to do
- FY Information for first-year students
- T Information for transfer students
THE FIRST STEPS

☐ Visit Campus
Campus tours are offered every Monday through Friday at 8:30 AM and 12:30 PM (Eastern). While you’re here, meet with a representative from your intended area of study. On select days during the academic year, you can also stay overnight for free in a residence hall with a student host (a two-week notice is required).

Plan your visit online at mtu.edu/admissions/visit or call us at 888-688-1885.

Save the date for Preview Day—Saturday, March 30, 2019. It’s a day just for students accepted to Michigan Tech. Preview Day is more than a campus visit; it’s chock-full of information sessions on housing and residence life, scholarships and financial aid, international opportunities, what to expect in the classroom, and more. See mtu.edu/previewday for more information.

☐ Log on to MyMichiganTech
As an accepted student, you have access to MyMichiganTech, your personalized Michigan Tech website. Log on to view your enrollment checklist—a list of tasks to complete and information you’ll need to know:

• Pay your enrollment deposit.
• Apply for on-campus housing and check the status of your residence hall application.
• Access your Michigan Tech email.
• View and accept scholarships and financial aid you’ve been awarded.
• Access the ALEKS Math Placement Assessment.
• Get details on course placement and your schedule.
• Upload your HuskyCard photo.
• Grant guest access for up to four people to view your bill, transcript, class schedule, and other important student record information.

Log on at mymichigantech.mtu.edu. You’ll need the username and password provided on the Account Details sheet included in your acceptance packet. Select the Change Password icon to set your official Michigan Tech password. You’ll use this password to access MyMichiganTech and other campus computing resources, including your Michigan Tech email account.

For more information, contact the Admissions Office at mtu4u@mtu.edu or 888-688-1885.

☐ Connect with Michigan Tech
To get the information you need and answers to your questions, check out:

• Regional events—Held in locations throughout the Midwest, these are opportunities to connect with staff from campus and meet other students who are considering Michigan Tech.
• Live webcasts—See the box at the right.

For more information, dates, and archived webcast presentations, visit mtu.edu/admissions/events.

☐ Join the Facebook Group for Accepted Students
Make friends, ask questions, and get information—join our group for accepted Michigan Tech students at facebook.com/groups/MichiganTech2019. Haven’t decided yet? Connecting with other accepted students can help you make your decision.

☐ Follow Michigan Tech
@michigantech
@michigan_tech

☐ Submit Your Enrollment Deposit
To enroll at Michigan Tech, you need to submit a $100 enrollment deposit. Submitting your deposit as soon as possible will allow you to apply for on-campus housing and guarantee your spot in the incoming class.

<table>
<thead>
<tr>
<th>Semester</th>
<th>Enrollment Deposit Due</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring 2019 (January)</td>
<td>Due 30 days from acceptance</td>
</tr>
<tr>
<td>Summer 2019 (May or June)</td>

</tr>
<tr>
<td>Fall 2019 (September)</td>
<td>Due May 1*</td>
</tr>
</tbody>
</table>

* Fall applicants: your deposit is fully refundable if you notify the Admissions Office by May 1 that you do not plan to enroll.

Pay your deposit online through MyMichiganTech, or send a check or money order payable to Michigan Technological University—be sure to include your Student ID number (M number) from your Account Details sheet.

Admissions Office
Michigan Technological University
1400 Townsend Drive
Houghton, MI 49931-1295

Changing Your Major
If you decide prior to enrolling at Michigan Tech that you would like to change your major from the program you selected on your application for admission, email mtu4u@mtu.edu or call 888-688-1885 to indicate the major you would like to change to. Your application will be reviewed to determine if you meet admissions requirements for the new program. To change your major after you enroll, you will work directly with your academic advisor to request changes to your program of study.

Declining your Acceptance
If you decide not to enroll at Michigan Tech, email mtu4u@mtu.edu or call 888-688-1885 to let us know. Your notification will cancel your application, refund your $100 enrollment deposit (if paid prior to May 1), and cancel your housing application (if applicable). Any scholarships or financial aid awarded to you will also be canceled. In addition, you will stop receiving notifications and reminders from the University.

Live Webcasts
Join us for live online presentations from Michigan Tech staff about important topics in the college decision process or view recorded sessions on demand. Topics include scholarships and financial aid, next steps for accepted students, housing options and roommate matching, math placement, technology on campus, and more. Visit mtu.edu/admissions/events for a complete list and session details.

Dates and times are subject to change. Email and/or SMS text invitations will be sent to admitted students who have not opted out of receiving communications from Michigan Tech.
Paying for college is a big deal. Financing your education is made possible by four types of funding sources:

- Scholarships
- Grants
- Loans
- Employment

To be considered for the most opportunities, start by filing your Free Application for Federal Student Aid (FAFSA).

**Complete Your FAFSA**

To be considered for all University-awarded financial aid, including grants, loans (for students and parents/guardians), work-study employment, and other aid, complete your FAFSA. File online at [fafsa.gov](http://fafsa.gov). Our federal school code is 002292. Although your social security number was not required when you applied for admission to Michigan Tech, it is required for FAFSA filing purposes. To avoid delays in processing your FAFSA, please call the Admissions Office at 888-688-1885 to provide your social security number.

File by the due dates listed below for the best opportunities. FAFSAs processed after these dates will receive consideration for remaining aid.

### FAFSA Dates to Remember

<table>
<thead>
<tr>
<th>Semester</th>
<th>FAFSA to File</th>
<th>Begin to File</th>
<th>Due Date</th>
</tr>
</thead>
<tbody>
<tr>
<td>Spring 2019</td>
<td>2018-19</td>
<td>As soon as possible</td>
<td>December 1, 2018</td>
</tr>
<tr>
<td>Summer 2019</td>
<td>2018-19</td>
<td>As soon as possible</td>
<td>April 1, 2019</td>
</tr>
<tr>
<td>Fall 2019</td>
<td>2019-20</td>
<td>October 1, 2018</td>
<td>March 1, 2019</td>
</tr>
</tbody>
</table>

If you’ve already filed a FAFSA, but did not have the results sent to Michigan Tech, visit [fafsa.gov](http://fafsa.gov) or call 800-433-3243 to have the results released to us.

### Scholarships

Michigan Tech offers merit-based scholarships for first-year and transfer students.

**First-year students**

With your acceptance to Michigan Tech, you’ll automatically be considered for merit-based scholarships. Michigan residents are eligible for Presidential Scholar Program awards, and non-Michigan residents are eligible for National Scholars Program awards. Also, start checking with your high school guidance office, community foundations, parents’ place of employment, and other outside sources for additional scholarship opportunities.

**Transfer students**

Both Michigan and non-Michigan residents are eligible for transfer scholarships. Non-Michigan residents are eligible for transfer awards through the National Scholar Program, and Michigan residents are eligible for the Michigan Tech Transfer Scholarship. In both cases, you’re automatically considered for these awards.

The following competitive scholarships require additional application materials. Some deadlines are as early as October 15:

- Leading Scholar Award—October 15
- School of Business and Economics Impact Scholarship—October 31
- FIRST Robotics Scholarship—November 15
- Summer Youth Scholars—November 15
- Visual and Performing Arts Talent Award—April 1

Visit [mtu.edu/admissions/tuition/scholarships](http://mtu.edu/admissions/tuition/scholarships) for a full list of scholarships and deadlines.

### Your Financial Aid Award Letter

If you are awarded financial assistance as a result of completing the FAFSA, you will receive a financial aid award letter that includes the following detailed information:

- Amount of merit- and need-based aid awarded
- Estimated annual cost of attendance for the upcoming school year
- Financial aid deadlines and information
- Information about how to accept your awards and the terms and conditions of your financial aid

### Financial Aid Notification Schedule

<table>

</tr>
<tr>
<td>Fall 2019</td>
<td>December 31, 2018</td>
</tr>
</tbody>
</table>

### Employment

Regardless of when you start at Michigan Tech, you’ll find many opportunities for student employment. Even if you don’t qualify for work-study (as a result of your FAFSA/Expected Family Contribution), most departments on campus hire students for part-time jobs. On average, 2,000 students are employed on campus. Off-campus employment opportunities are also available. Visit [mtu.edu/admissions/tuition/employment](http://mtu.edu/admissions/tuition/employment) for details.

### Cost of Attendance

Your cost of attendance is an estimate of your annual expenses, including tuition, fees, room and board, books and supplies, and personal needs and travel.

Visit [mtu.edu/admissions/tuition/calculator](http://mtu.edu/admissions/tuition/calculator) to get an estimate of your net cost after financial aid and scholarships.

See estimated undergraduate student expenses on page 5.
<table>
<thead>
<tr>
<th>2018-19 Estimated Undergraduate Student Expenses</th>
<th>Michigan Residents</th>
<th>Non-Michigan Residents</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Tuition</strong></td>
<td>$15,346</td>

<td>$26,965</td>
<td>$45,045</td>
</tr>
</tbody>
</table>

**Additional costs to consider**

| Books and Supplies | 1,200 | 1,200 |
| Personal Needs and Travel | 1,740 | 1,740 |
| **Loan Origination Fee** | 64 | 64 |

**Annual TOTAL**

| Michigan Residents | $29,969 |
| Non-Michigan Residents | $48,049 |

1. Students taking 12 to 18 credits per semester are charged the plateau rate listed above. Students taking less than 12 credits will be charged on a per-credit basis (resident: $579, non-resident: $1,238). This per-credit price also applies to any credit taken over 18 credits. Students attending summer semester will be charged the per-credit rate.

2. Students who have earned 60 or more credits, including transfer credit, credit earned through early college or dual enrollment, or AP, IB, or CLEP will be charged upper-division tuition. For details, see mtu.edu/finaid/tuition/cost.

3. Required fees per semester include: Fall and Spring Activity Fee—$60; Fall and Spring Experience Tech Fee—$90 (not assessed in summer).

4. Room and board rates vary, depending on hall assignment and meal plan selection. See options at mtu.edu/housing/applications-policies/rates.

5. The loan origination fee estimated above is only charged to those students receiving federal direct loans.

6. Tuition, fees, and room and board are payable each semester.

### Student Tuition and Your Bill

Your bill will be available online through MyMichiganTech. Some students may receive a second bill, which will be available during the third week of each semester and will reflect any changes in financial aid, housing, and/or course adjustments made (additions or drops). It is possible to use financial aid to help pay for your books; details will be in your Financial Aid Award Letter.

### Billing Schedule

</tr>
</tbody>
</table>

### Payment Options

Michigan Tech offers several options for paying your bill:

- Check or money order
- Credit card* (online)
- e-check (online)
- Installment Prepayment Plan
- Five- or Four-Payment Plan

* There is a 2.3 percent nonrefundable surcharge for Visa, MasterCard, Discover, and American Express payments.

For more information, visit mtu.edu/student-billing or contact the Student Financial Services Center at 906-487-2622 or finaid@mtu.edu.

### Campus Living

#### Apply for Housing

In the Michigan Tech residence halls, you'll enjoy a community that values friendship and academic success. All single students, apart from transfer or commuting students living with a parent/guardian, must live on campus during their first year at the University. Students receiving merit-based scholarships through the Presidential Scholar, National Scholar, or Leading Scholar programs are required to live in University housing for their first two academic years.

Apply early for housing by completing and submitting your residence hall application. The residence hall application will be available via MyMichiganTech after your enrollment deposit has been received:

- Priority is given to students that find a match using Roommate Matching (in order of the date and time matched in the system).
- After all students who used Roommate Matching are placed into housing, assignments are determined by the date we receive your housing application.

#### Residence Halls

You may choose to live in one of three residence halls. Each hall is different in size and appearance, but is similar in service with its own dining hall, study lounge, game room, kitchenettes, sauna, laundry facility, fitness room, reception desk, lounges, and student and professional staff.

- Douglass Houghton Hall (DHH), our smallest residence hall, houses about 375 students. This three-story historic building was constructed in the late 1930s and characterizes that time period with its beautiful architectural details.
- McNair Hall has a great view of the Keweenaw Waterway and consists of three buildings. West McNair has two stories and is connected to East McNair’s five stories by the dining hall. There are about 800 students living in McNair.
- Wadsworth Hall (Wads) is the largest hall—one-quarter-mile long, five stories high, and home to approximately 1,050 students. In addition to a vibrant residence hall community, Wads offers the Campus Café, a convenient place to meet friends, relax away from the books, and enjoy late-night dining and snacking options.

#### Choose a Roommate (Fall Semester Only)

Once you submit your residence hall application, you will be invited to use Roommate Matching (beginning May 1). Request a roommate you know, or search for the best match. You have until May 31 to enter your roommate choice, but it’s best to match as early as possible. If you choose not to use this program, we will assign you a roommate. **Please note: Students enrolling for spring or summer semesters are not eligible for Roommate Matching.**

On August 1, you’ll receive notification of your hall, room, and roommate assignment. New students submitting their housing materials after August 1 will receive their residence hall assignment when they arrive on campus.

For more information, visit mtu.edu/housing or contact Housing and Residential Life at 906-487-2682 or housing@mtu.edu.
Theme Communities

Theme Communities are areas in residence halls for students with similar interests. Students live, learn, and collaborate within these communities. Through increased educational programming, faculty involvement, and peer-to-peer connections, these communities extend learning beyond the classroom. If you are interested in living in a Theme Community, please rank your preferences on your residence hall application.

There are three requirements of Theme Community members:

- Be open and ready to create meaningful connections with your peers, faculty, and administration. Commit to engaging, collaborating, and creating your future alongside like-minded individuals.
- Complete a 1-credit Creating Your Success (UN 1010) course (HON 1150 for Pavlis Honors College) in the fall semester with other Theme Community students. All Theme Community students are automatically enrolled in this course (applies only to first-year students and transfer students with fewer than 30 credits).
- Pay a $30-per-semester fee to support additional programming, activities, and peer staff (included on your student bill).

Stop by mtu.edu/housing/campus/communities for more information.

<table>
<thead>
<tr>
<th>Theme Community</th>
<th>Description</th>
<th>Location</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Computer Science</strong></td>
<td>This community is centered around computer science or software engineering students. A network of support is fostered through increased educational programming, faculty involvement, and peer connections. You will live, learn, and grow in your shared passion for computers and computer-related technology.</td>
<td>East McNair Hall</td>
</tr>
<tr>
<td><strong>First-Year Experience (FYE)</strong>*</td>
<td>Interact, explore, succeed. Become a member and experience new ideas and cultures, plus make new friends. With the support of your fellow first-year Huskies, you will have all the resources and experiences to pave a trail of success.</td>
<td>Wadsworth Hall</td>
</tr>
<tr>
<td><strong>Forest Resources and Environmental Science (FRES)</strong>*</td>
<td>FRES is a close-knit community integrating academics and an appreciation for nature. Through activities, educational programming, and faculty interactions in and out of the classroom, students majoring in Forestry, Applied Ecology and Environmental Sciences, Natural Resources Management, or Wildlife Ecology and Management create a culture of academic and social success.</td>
<td>Wadsworth Hall</td>
</tr>
<tr>
<td><strong>Leadership</strong></td>
<td>The ability to be an effective leader is vital to success—whatever career you choose. As a member of this community, you will develop your leadership skills, develop critical thinking, and foster your ability to manage and work effectively.</td>
<td>Wadsworth Hall</td>
</tr>
<tr>
<td><strong>Pavlis Honors College Pre-admission</strong></td>
<td>This theme community is for those that have applied and been accepted as Pavlis pre-admission students. Join a community of thoughtful and passionate individuals and take advantage of opportunities to engage in educational programs that promote leadership, cultural competency, research, service, and innovation. Challenge yourself. Inspire change. Make an impact. Grow your network through special events and build lasting relationships with Pavlis faculty and staff. Pre-admission community members will be required to enroll in the 1-credit seminar course Creating Your Path (HON 1150).</td>
<td>Douglass Houghton Hall</td>
</tr>
<tr>
<td><strong>Summit</strong></td>
<td>Summit is all about the wellness of the mind, body, and spirit. Within this alcohol-free community, experience how staying physically active and working toward balance and health can positively affect your academics. Members of this community engage in intramural sports, outdoor activities, campus traditions, and much more.</td>
<td>East McNair Hall</td>
</tr>
<tr>
<td><strong>Visual and Performing Arts (VPA)</strong></td>
<td>The VPA community values the beauty of the arts—music, dance, graphic arts, photography, and theatre. Creativity, innovation, and collaboration are integrated into educational programming, activities, and daily life. Members of this community also have opportunities to build relationships and connect with departmental staff, faculty, and peers who share similar passions, interests, and talents.</td>
<td>Wadsworth Hall</td>
</tr>
<tr>
<td><strong>Women In Engineering (WIE)</strong>*</td>
<td>The WIE community fosters academic and social support for female students studying engineering disciplines. Members of this community benefit from increased faculty interactions, educational programming, social activities, and the opportunity to get involved with the Society of Women Engineers (SWE).</td>
<td>East McNair Hall</td>
</tr>
</tbody>
</table>

* Denotes alcohol-free community

Michigan Tech Apartments

- **Hillside Place** offers a hybrid residential experience to upper division and graduate students. Each furnished apartment contains four bedrooms, two bathrooms, and a living space with panoramic views. All utilities are included (with the exception of phone service), and you’ll enjoy a fully equipped kitchen, with electric range, microwave, and full-size refrigerator, as well as laundry facilities, study lounges, a fitness center, and more.

- **Daniell Heights Apartments** offer one- and two-bedroom units for students with families, graduate students, and undergraduates who are 21 and older. Utilities are included (with the exception of phone service). Apartments are furnished, including stove and refrigerator, and each building features laundry facilities.

Visit mtu.edu/housing to apply for an apartment or gather more information. You can also contact the Housing Office at 906-487-2682 or housing@mtu.edu.
Residence Hall Dining Services

Our meal plans provide unlimited access to all three residential dining halls. There is no limit to the number of times you may enter a dining hall to eat a meal or stop in for a snack or drink. Choose from one of three meal plans when you complete your residence hall application:

<table>
<thead>
<tr>
<th>Meal Plan</th>
<th>Access</th>
<th>Guest Meal Passes</th>
<th>Dining Dollars</th>
</tr>
</thead>
<tbody>
<tr>
<td>Silver</td>
<td>Unlimited</td>
<td>4 per semester</td>
<td>$100 per semester</td>
</tr>
<tr>
<td>Gold</td>
<td>Unlimited</td>
<td>8 per semester</td>
<td>$150 per semester</td>
</tr>
<tr>
<td>Platinum</td>
<td>Unlimited</td>
<td>16 per semester</td>
<td>$300 per semester</td>
</tr>
</tbody>
</table>

You may use your meal plan in any of the residential dining halls. Meal hours are posted throughout the halls. In the case of a class, lab, or work schedule conflict, arrangements can be made to pick up a meal.

Dining Services offers a variety of entrées at each meal, including vegetarian options; salad, deli, and pasta bars; stir fry, pizza, dessert, ice cream, waffle, and beverage stations. If you have an allergy or other dietary need, let the Dining Services staff know—we will work with you to provide the food you need.

Dining Dollars

Dining Dollars add flexibility to your meal plan. They are included in the Silver, Gold, and Platinum meal plans and allow you to eat at convenient times and locations. Dining Dollars are accepted at the Campus Café (Wadsworth Hall), North Coast Deli and Grill (Memorial Union), the Library Café, Fusion (Dow lobby), Coaches Corner (SDC), vending machines throughout campus, and the Huski Café (Mont Ripley Ski Chalet).

Unused Dining Dollars are transferable from fall to spring semester; however, any Dining Dollars not used by the end of spring semester are nonrefundable.

For more information, visit mtu.edu/dining or email Dining Services at campus-dining-l@mtu.edu.

Register for Residential Parking

It’s easy to get around campus and throughout the community, so first-year students are encouraged to leave their vehicles at home. Zipcars are available for students to rent by the hour or day, and shuttle services are provided throughout the week to get around campus or to go shopping in the City of Houghton.

If you will be living on campus and choose to bring a vehicle, you must register it with the University. Visit the Michigan Tech Parking Portal from the Transportation Services website to register your vehicle and purchase a permit.

Permits are also available for motorcycles, scooters, and snowmobiles. To purchase these permits, please bring your vehicle registration information to Transportation Services in room 100 of the Administration Building across from the Student Financial Services Center. Please note that winter storage is not available on campus.

See mtu.edu/transportation for more information or contact Transportation Services directly at 906-487-1441 or parking@mtu.edu.

If you are a Michigan Tech student from the local area, you may choose to live at home with your parent(s)/guardian(s). All of the same resources and opportunities are available to students who commute to campus, and we encourage you to take advantage of them and get involved.

Commuter Assistants are fellow students available to talk, answer questions, and address concerns. They plan free events for commuter students to get involved and to get to know one another. Each month, commuters are informed of upcoming campus events and are made aware of issues relevant to commuting to campus. For more information, email commuters@mtu.edu.

Commuter Meal Plans

Meal options are available for commuter students—if you would like to eat in the residential dining halls, or if you prefer eating in retail dining operations like North Coast Deli and Grill and Campus Café.

The Top Dog Express Meal Plan can be purchased in blocks of 10, 25, 50, or 75 meals. The more meals you purchase, the less you pay per meal. This plan can be used in any residential dining hall (DHH, McNair, or Wads) and features all-you-care-to-eat, buffet-style dining.

Express Cash is a debit card program and is available as a feature of your ID card. It operates like a no-interest checking account. By opening an account, you can use your ID at campus locations, including:

- Michigan Tech Campus Store
- University Images
- North Coast Deli and Grill
- Memorial Union
- Campus Café
- Central Ticket Office
- Mont Ripley and the Huski Café

Both options can be purchased at the HuskyCard service area in the Van Pelt and Opie Library. Visit mtu.edu/dining/about/meal-plans for more information.

Register for Commuter Parking

If you’ll be commuting to campus, you must register your vehicle with the University before classes begin. Visit the Michigan Tech Parking Portal from the Transportation Services website to register your vehicle. Or register in person at Transportation Services, in room 100 of the Administration Building across from the Student Financial Services Center. Once your vehicle is registered, you may choose to purchase a Commuter Parking Permit, or park at metered and visitor parking when on campus.

For full details, visit mtu.edu/transportation or contact Transportation Services at 906-487-1441 or parking@mtu.edu.

Housing

Whether you’re looking for low-maintenance campus living geared toward older students, a home for you and your family, or a place that gets you off campus and into the community, you’ll find plenty of options.

- Daniell Heights Apartments offer on-campus living options for upper division and graduate students. Apartments are fully furnished and include most utilities. Visit mtu.edu/housing for details.
- For information about off-campus housing, including a list of available properties, check out the off-campus housing list at usg.mtu.edu/usg/housing, or contact the Undergraduate Student Government at 906-487-2406 or usg@mtu.edu.
ACADEMIC DETAILS

☐ View Our Undergraduate Catalog
Michigan Tech’s Undergraduate Catalog, mtu.edu/catalog, provides degree requirements and course descriptions.

Laptop Requirement for Engineering and Engineering Management Majors
Incoming students—both first-year and transfer—intending to enroll in engineering or engineering management are required to have a laptop. Laptops are needed for in-class instructional purposes in required Engineering Fundamentals courses. You’ll use your laptop to solve problems, collaborate, discuss applications of engineering, and work on engineering projects.

We understand you may already have a laptop. There’s no need to buy a new one if your machine meets the recommended minimum specifications. See mtu.edu/admissions/laptop for details and information.

☐ Send Your Final Transcript
An official final transcript is required within 30 days of your high school graduation. Your final transcript will be reviewed by the Admissions Committee to verify continued academic success during the period after that covered by the transcript used at the time of your acceptance to Michigan Tech. A significant decline in academic performance during your senior year may affect your enrollment status and, at the University’s discretion, result in a revocation of your admission and any financial assistance awarded.

To be considered official, a transcript must be sent directly to Michigan Tech by the institution issuing the transcript, or from a transcript service such as Parchment. Transcripts stamped “issued to student” or those hand delivered, even if in a sealed envelope, are not acceptable.

First-year students
Request your final transcript through Parchment or contact your high school upon graduation and ask them to send your official transcript showing your final grades and graduation date.

Transfer students
If you have taken additional courses that did not appear on the transcript submitted with your application for admission, contact the registrar’s office at your current institution to request that an official transcript with final grades be sent to us.

☐ Notify Us of Transfer Credit
First-year students
If you completed college-level courses during high school, contact the registrar’s office at the institution(s) and request that an official transcript with final grades be sent to Michigan Tech’s Admissions Office. Courses will be evaluated for transfer credit.

Transfer students
If you are taking additional courses that do not appear on the transcript most recently sent to Michigan Tech, email your unofficial transcript to transfer@mtu.edu. The courses will be added to your record as pending transfer credit.

Transfer credits pending but not validated with final transcripts will be dropped from your record. As a result, any scheduled courses that require the dropped transfer course(s) as a prerequisite will also be dropped from your course schedule.

☐ Submit AP, IB, or CLEP Scores
First-year students
Your scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) may earn you credit or placement. Scores must be sent directly from the testing agency. Go to mtu.edu/admissions/apply/ap-ib-clep to see a list of scores needed to receive Michigan Tech credit.

Transfer students
If you received college credit at your previous institution for AP, IB, or CLEP examinations, your test scores will need to be sent to Michigan Tech directly from the testing agency. For a list of scores needed to receive Michigan Tech credit, visit mtu.edu/admissions/apply/ap-ib-clep.

Course Placement
Michigan Tech offers placement tests to ensure you are beginning your coursework at the right level.

☐ Take the ALEKS Math Placement Assessment
All incoming students are required to take the online ALEKS Math Placement Assessment. Students with a qualifying AP score of 2 or higher, IB HL exam score of 5 or higher, or CLEP score of 50 or higher, or those who have earned college-level math credit for college algebra, trigonometry, precalculus, or calculus are exempt from the requirement.

Your initial course placement is important, as your math class is a prerequisite for many other courses required for your degree. Starting in a math course that is not right for you could increase the time it takes you to graduate. Take the assessment when it becomes available, and take it seriously. Your complete course schedule will not be available until you take the assessment.

The online ALEKS Placement Assessment covers material from basic math through precalculus and will take approximately 90 minutes to complete. During the testing period, you will access the assessment online, from any computer, through your MyMichiganTech account.

After the assessment, a targeted Prep and Learning Module is available for you to review and learn material. After working in the Prep and Learning Module, you can take up to two additional assessments (if desired).

A non-refundable, $25 fee plus tax ($26.50 total)—payable by credit card to ALEKS—covers the initial assessment, customized tutoring through the Prep and Learning Module, and two additional assessments (if desired).

ALEKS is available from May 1 to June 30. Students planning to take the AP Calculus exam in spring 2019 should have scores sent to Michigan Tech. If you score a 1 on the AP exam, we will contact you with instructions on when to take ALEKS.

Visit mtu.edu/math/placement/aleks for more information about the placement assessment.

Chemistry
Visit mtu.edu/chemistry/fyc for details on chemistry course placement.

Modern Language
If you plan to continue studying French, German, or Spanish at Michigan Tech, you must take the free online Modern Language Placement Exam to be placed into the correct course. At mtu.edu/humanities/undergraduate/modern-languages/placement, you can learn more about the test and view sign-up instructions.
Computer Science Knowledge Assessment
Students enrolling in computer science, software engineering, computer engineering, bioinformatics, or cheminformatics must take the online Computer Science Knowledge Assessment in June to determine which introductory computer science course is best for you. Visit mtu.edu/cs/undergraduate/placement for details about this online test.

Scheduling Classes
First-year students enrolling in the spring or summer semester: Your schedule will be created by the Registrar's Office based on your major, ALEKS Math Placement Assessment score, AP/IB/CLEP score(s), and transfer credits received.

Transfer students with fewer than 30 credits enrolling in the spring or summer semester: Make schedule changes by contacting the Registrar's Office at 906-487-2319 or schedule@mtu.edu.

First-year students and transfer students with fewer than 30 credits enrolling in the fall semester: Your schedule will be prepared for you by the Registrar's Office in mid-July. Engineering students are scheduled into cohorts (groups of students who take the same courses together) based on your ALEKS or AP score(s) and any transfer credit received.

Be sure to review the recommendations on page 8 regarding the ALEKS Math Placement Assessment. Completing your assessment by the deadline will allow you to have the most complete schedule possible and will ensure you're placed in the best course for you—possibly avoiding unnecessary coursework and tuition.

Your initial schedule may not reflect full-time status (12 credits or more), but all first-year students are billed as full time, making you eligible for financial aid. Any adjustments to your bill will be made in August.

During Orientation, you will be able to add other courses (co-curricular courses, general education, electives) to complete your fall schedule or make changes after consulting with your academic advisor. Changes may also be made by contacting the Registrar’s Office at 906-487-2319 or schedule@mtu.edu.

Transfer students with more than 30 credits enrolling in any semester: Your transfer evaluation will be sent to your academic advisor, who will contact you with course recommendations prior to registration. You will be able to schedule your classes through MyMichiganTech, by calling the Registrar’s Office at 906-487-2319, or by contacting your advisor.

Get Your Books
Once you receive your course schedule, you may order your books online via bookstore.mtu.edu prior to the start of the semester. After you place your order, your books will be available for pickup when you arrive on campus.

HEALTHY LIVING
You need to be healthy and happy to get the most out of your college experience. If you find yourself under the weather or in need of help, there are resources available to you.

Wellness, Relationships, and Responsible Behavior
All new students are required to complete an online educational program around responsible behavior with regard to substance use and relationships. The course promotes a healthier and safer campus environment for everyone. Watch your Michigan Tech email account in August for the information you’ll need to start the course.

Health Services
Students have immediate access to healthcare services at Upper Great Lakes Houghton Family Health Center located inside the UP Health System University Center, attached to the Student Development Complex. The clinic has student walk-in hours every weekday morning and afternoon. Immediate care is also available at UP Health System Express Care on Sharon Avenue, less than three miles from campus. Emergency services are available at the UP Health System Emergency Department in Hancock. Visit portagehealth.org/student to learn more.

Counseling Services
The staff at Counseling Services is here to help you gain perspective and be successful, personally and academically. Our professional staff of licensed therapists works closely with all student support services at Michigan Tech and with mental health professionals both locally and in students’ home areas. Services are free and confidential. In addition, 24-hour emergency services are available by calling Public Safety and Police Services at 906-487-2216 and asking for the counselor on call.

For more information or to schedule an appointment, contact 906-487-2538 or counseling@mtu.edu.

Student Disability Services
Student Disability Services at Michigan Tech is committed to assisting students with documented disabilities by providing accommodations and/or modifications. Information is available at mtu.edu/deanofstudents/students/disability or by calling 906-487-2212.

Student Insurance
We recommend all students have health insurance coverage while attending Michigan Tech. However, all international and graduate students must have insurance, and domestic students may purchase insurance through us if they desire.

The Student Insurance Office at Michigan Tech offers health insurance to currently enrolled students, covering preventative services, basic medical care, and hospitalization.

For more information, visit mtu.edu/hr/students/insurance or contact us at 906-487-1088 or studentinsurance@mtu.edu.
Immunizations
Michigan Tech highly recommends students have the following vaccinations before arriving to campus. If you are not sure about your vaccination status, please contact your healthcare provider or local health department.

- Meningococcal Quadrivalent (A, C, Y, W-135)
- Serogroup B Meningococcal
- Tetanus/Diphtheria/Pertussis
- Measles-Mumps-Rubella (MMR)
- Chickenpox (Varicella)
- Hepatitis A
- Hepatitis B
- HPV-Human Papillomavirus (Men and Women)
- Polio

In addition, it is recommended students receive flu shots each October/November. Flu shot clinics will be available on campus or at the UP Health System Portage University Center.

Chronic Medical Conditions
Students with chronic medical conditions should register with Student Disability Services in the Dean of Students Office in case they require support during the semester.

Visit mtu.edu/deanofstudents/disability/students/policy for more information, or call 906-487-2212.

ORIENTATION AND YOUR HUSKY CARD

Your first day of class will be here before you know it—prepare for your arrival on campus by familiarizing yourself with the Waino Wahtera Center for Student Success, submitting a photo for your HuskyCard, and planning for Orientation.

Waino Wahtera Center for Student Success
The Waino Wahtera Center for Student Success is dedicated to helping you develop skills, attitudes, and values that will enhance your academic and personal success. Our staff offers you and your family a variety of programs, services, and opportunities to support your transition to Michigan Tech.

Save the Date for Orientation
All new students attend Orientation prior to beginning classes at Michigan Tech. Orientation is designed to acquaint you with campus resources, inform you of important information about academics and co-curricular opportunities, and help you to meet fellow new students, current Tech students, and faculty and staff members.

Participation in Orientation is required for all new students, whether you are living on or off campus, so make your calendar now and save the date. There are also Orientation programs for parents and family during Move-In Weekend, including Sibling Orientation.

Submit a Photo for Your HuskyCard
Your Michigan Tech HuskyCard is your official photo ID; room and building access card; residence hall meal pass; and an on-campus declining balance card.

You’ll submit your ID card photo online through MyMichiganTech—watch your enrollment checklist for information.

Once on campus, keep your card with you at all times—there is a fee to replace lost or damaged cards. Visit it.mtu.edu/huskycard for complete information.

Express Cash
The Express Cash program is an available feature of your HuskyCard. It operates like a no-interest checking account. By opening an account, you can use your card at locations like the Campus Bookstore and University Images, the food court and cafés, the Rozsa and SDC ticket offices, printers and copiers, and vending machines across campus. You can manage your account online by adding funds and reviewing transactions.

Local accommodations are limited, so please make lodging reservations early if you have family members traveling with you for Move-In (August 24) and Orientation.

For more information go to mtu.edu/orientation or contact Orientation at 888-688-1885 or 906-487-3558 or email orientation@mtu.edu.

Your first day of class will be here before you know it—prepare for your arrival on campus by familiarizing yourself with the Waino Wahtera Center for Student Success, submitting a photo for your HuskyCard, and planning for Orientation.
