• **First Impressions**
  o Campus is calm, busy, and professional.
  o CoE is professional, welcoming, and far forward-looking.

• **Vision for the College**
  o Telling/re-telling strong and compelling stories highlighting Michigan Tech’s leadership in research and student learning. Plan to draw upon the thousands of alumni, faculty, and students to do this.
  o Work with the Board, President Koubek, faculty, employers, and alumni to develop an aggressive forward-looking vision for Michigan Tech as a leading producer of tech-focused, “can-do” professionals.

• **Settling in the area and on campus**
  o First few days spent closing on new house, celebrating our nation, and being welcomed by a Tech alumna, her friends and parent.
College of Sciences & Arts Dean – David Hemmer

• First Impressions
  o Houghton is beautiful in the summer – a contrast from the interview!
  o Attended first opera at the Rosza Center – amazed to learn most of cast were local.

• Vision for the College
  o CSA is on a good trajectory.
  o Many opportunities to expand external funding, especially for infrastructure and graduate support.
  o Great opportunities to expand fundraising; alumni are incredible!
  o Huge cohort of young faculty; important to help them maintain research and progress through T&P processes and on to full professor.
  o Thrilled to learn that undergraduate deposits in CSA are up more than 8% over last year.

• Settling in the area and on campus
  o Purchased “Warrington House” and roughed it for a couple of weeks while awaiting family and furniture.
School of Forest Resources & Environmental Science
Dean – Andrew Storer

• **First Impressions**
  o Arrived in 2001 and still recall the value of the opportunity to instruct students in 2 majors.
  o Struck by amount of nationally & internationally recognized research in the School.

• **Vision for the College**
  o Develop strategies to ensure we remain at the forefront of research and education, and build on our strong reputation.
  o Prepare students to manage natural systems in times of great change.
  o Actively pursue strategies to increase and diversify Schools’ research and student body.

• **Settling in the area and on campus**
  o Shortly before assuming role of dean, dramatic storms caused much devastation to the local area. Reinforced the need for graduates ability to address and mitigate pressures on natural systems.
  o Outpouring of volunteer support and people’s pride in their communities are examples of the characteristics of our local community.
School of Technology Dean – Adrienne Minerick

• **First Impressions**
  o MTU - joined eight years ago; invigorating experience - new ideas and energy were embraced.
  o SoT – great, well-intentioned individuals who care deeply about the education and well-being of students.

• **Vision for the School**
  o Grow the visibility of the school, its people, and quality of products – both internally and externally. Communicate value and benefits of School degrees in order to grow enrollment, retention, and student success.
  o Increase sense of community and pride within the School.

• **Settling in the area and on campus**
  o Busy in gardens while engineering a sustainability household which includes young children.
Assistant to the Provost for Academic Equity & Inclusion

Dr. Audrey Mayer

• Associate Professor of Ecology & Environmental Policy, School of Forest Resources & Environmental Science

• Involved with diversity at Michigan Tech for a number of years, including Diversity Literacy Workshop Coordinator

  - student mental health
  - substance abuse
  - suicide prevention
- Campus-wide team will be established
- $22,000 grant from Blue Cross Blue Shield of Michigan, Ethel and James Flinn Foundation, the Michigan Health Endowment Fund and the Community Foundation for Southeast Michigan
Sherman Field Renovation

Phase 1 - $1M – All Private Funding
    Includes: Seating, handicap accessible seating and parking
Phase 2 - $2M – Spring 2019
    Includes: Press box, restrooms, concessions, visitor seating and ticketing
Daniell Heights Renovation
Collaborative Program

The panel recognizes this project for its high level of engagement across campus communities. A model for institutions to follow, Michigan Tech University combined many moving parts to link the entire student experience – from demonstrated interest to alumni engagement – in one replicable model. Other institutions could apply this model at the micro and macro level.

This is an informational item for the Board.
V-F. MICHIGAN TECHNOLOGICAL UNIVERSITY/MICHIGAN TECH FUND AGREEMENT

Attached is the form of a proposed agreement to continue the provision of space and services to the Michigan Tech Fund for the period September 1, 2018 to August 31, 2019.

Successful continuation of the relationship between Michigan Tech and the Michigan Tech Fund is subject to the Fund's qualification as an institution permitted certain privileges with respect to credits on Michigan income tax. Specifically, Public Act No. 290 of 1974 reads in part:

“The tax credit shall be permitted only where the donee corporation, fund, foundation, trust or association is controlled or approved and reviewed by the governing boards of the institutions benefitting from the charitable contributions. Such nonprofit corporation, fund, foundation, trust, or association shall provide copies of their annual independently audited financial statements to the auditor general of the state and chairmen of the senate and house appropriations committees.”

RECOMMENDATION: That the Board of Trustees approves the Michigan Technological University/Michigan Tech Fund agreement and also, that the Board goes on record as having reviewed and approved the operations of the Michigan Tech Fund to continue as a recipient of donations eligible for the State of Michigan income tax credit.
AGREEMENT BETWEEN MICHIGAN TECHNOLOGICAL UNIVERSITY AND THE MICHIGAN TECH FUND

This Agreement made September 1, 2018 between Michigan Technological University (“University”) and the Michigan Tech Fund (“Fund”).

WHEREAS, the Fund’s work in receiving and managing charitable gift assets for the University is critical to its ability to fulfill its mission and strategic direction, and

WHEREAS, Fund’s advocacy of the University’s mission and priorities constitutes a valuable service, and

WHEREAS, fundraising is a joint priority of the University and the Fund, and

WHEREAS, the University and the Fund desire to continue a heretofore existing arrangement:

IT IS AGREED:

1. In consideration of the support directly inuring to the benefit of the University from the activities of the Michigan Tech Fund, the University will provide to the Fund:
   a. supporting services including mail services, limited printing services, access to the phone network, and internal audit services;
   b. access to the Banner system for maintenance and upkeep of the alumni/development database. The University will partially fund the alumni database maintenance conducted by the Fund.

2. The Fund agrees to continue its various fundraising administrative support and asset management functions for the betterment and advancement of the University. The Fund also agrees to support consulting services as done in the past.

3. This agreement shall terminate on August 31, 2019 and will be considered for renewal for successive one-year periods. The grant or denial of such renewal shall be at the sole discretion of the Board of Trustees of Michigan Technological University.

VI. ACTION/DISCUSSION ITEMS

A. Employee Recognition
B. Emeritus Rank
C. Michigan Council for the Arts
D. Board of Trustees Title IX Resolution
VI-A. EMPLOYEE RECOGNITION

For our employees that have worked for Michigan Tech for 35 or more years and in recognition of their distinguished service and outstanding contributions to Michigan Tech, the Board would like to honor them with a resolution of appreciation.

RECOMMENDATION: That the Board of Trustees adopts the Resolution of Appreciation for the following individuals:

1.) Ricky Anderson – 39 years of service
2.) David Nordstrom – 36 years of service
VI-B. EMERITUS RANK

Recommendation for the granting of faculty emeritus status originates within the retiree's academic department and proceeds through the respective college and school. Once approved, the recommendation is presented to the Provost, and if successful, to the President of the University for presentation to the Board of Trustees.

RECOMMENDATION: That the Board of Trustees approves the following emeritus appointments:

Michael Irish, Professor Emeritus,
Visual and Performing Arts
OFFICE MEMO

TO: Michigan Technological University Board of Trustees

FROM: Jared Anderson, Chair, Visual and Performing Arts

DATE: 5/1/2018

SUBJECT: Recommendation for Emeritus Status

The faculty of the Visual and Performing Arts Department voted on 5/1/2018 to request that the Michigan Technological University Board of Trustees name Michael Irish as Associate Professor Emeritus upon his retirement on July 2, 2018.

Though MTU has no music majors, the Lab Band, the jazz combos Hi-Tech, Momentum, and Jaztec have been selected 9 times as the outstanding performance groups at the most prestigious jazz festivals in the Midwest. Professor Mike Irish has been the Director of Jazz Studies at MTU from 1991-2018. He is a graduate of MTU (1974) and was a student of Don Keranen in the early days of the jazz program. In 1994, Irish led the Jazz Lab Band in its first CD recording "Tech Jazz". This CD was recorded with the revolutionary Mercedes Benz "Achen Head" recording microphone system of which there are only two in the world. The Jazz Lab Band was the first large jazz ensemble in history to be recorded with this $25,000 microphone system. Subsequent CD’s included “Watch Your Step” and “Framework”.

VI-C. MICHIGAN COUNCIL FOR THE ARTS

The Rozsa Center for the Performing Arts has prepared a proposal for submission to the Michigan Council for the Arts and Cultural Affairs. The funds requested in this proposal will support the costs associated with artist fees for the annual Presenting Series as well as partially support the following:

- 11/10/18: Pinocchio, a theatrical production from Tout à Trac that revisits Collodi’s tale about the world’s most famous puppet: Pinocchio
- 11/30 and 12/1/18: The Nutcracker, presented by The Minnesota Ballet and Keweenaw Symphony Orchestra, joined by young local dancers from the Superior School of Dance
- 2/16/19: Les Ballets Trockadero de Monte Carlo, the infamous all-male comedy ballet company, established in 1974
- 3/23/19: AIR PLAY, a modern circus-style spectacle that brings to life the air we breathe
- 3/31/19: Reduced Shakespeare Company presents The Complete Works of William Shakespeare (abridged) [revised] - all 37 plays performed in 97 minutes

The amount of the grant request is $30,000.

The Michigan Council for the Arts and Cultural Affairs requires that proposals submitted to them for funding be authorized by the Board of Trustees.

RECOMMENDATION: That the Board of Trustees endorse the proposal from the Rozsa Center for the Performing Arts for submission to the Michigan Council for the Arts and Cultural Affairs.
VI-D. BOARD OF TRUSTEES RESOLUTION - August 2, 2018

This resolution is adopted by the Board of Trustees to assist it in the performance of its Constitutional and Statutory duties, including compliance with Michigan Public Act 265 of 2018 (“the Act”).

1. The University President shall, not later than August 31, 2018 and as may be required thereafter, provide to the Board of Trustees through the Board Secretary confirmation that the University has created and continues to update a Public Transparency Website and Campus Safety Information and resources link including the information required by sections 245. (1) and 245a. (1) of the Act. The President is authorized to execute any certification(s) of compliance required on behalf of the University to the State Budget Director.

2. The President is authorized to certify to the State Budget Director as required by Section 265. (1) of the Act, the University compliance with the tuition and fee rate restraints unless the Board of Trustees determines to not comply with the requirements necessary for certification.

3. The President is authorized to certify to the State Budget Director and to the designated Legislative entities as required by Section 265(1) of the Act, the University’s compliance with the provisions of sections 265.a. (1) and 265b. (1) and (2) of the Act.

4. The Board of Trustees designates the Board Chairperson, or the Chairperson-elect if between Chairs, as the member of the Board to review all Title IX reports involving the alleged sexual misconduct of an employee of the University.

5. The President is authorized to file the reports required by Sections 274c and 274d. (1) of the Act.

6. Each of the above reports or certification shall be prepared and certified in good faith and to the best of knowledge of the University employee(s) and officers involved recognizing the ambiguity of the Act and complexities of compliance. Any inability to render such a good faith determination or certification and the reasons for the inability must be noted in the report or certification.

RECOMMENDATION: That the Board of Trustees approves the Resolution to assist it in the performance of its Constitutional and Statutory duties, including compliance with Michigan Public Act 265 of 2018 (“the Act”).

VII-D. ADVANCEMENT AND ALUMNI ENGAGEMENT REPORT

Attached is a report from Dr. Les Cook, Vice President for Student Affairs and Advancement, on the university’s advancement and alumni engagement activities.

This is for the Board’s information.
A total of $37.39 million was raised for Michigan Tech from July 1, 2017 through June 30, 2018, 104% of the fundraising goal of $36.0 million for FY18. Major/Planned Giving raised $21.32 million in FY18 - 115% of its $18.5 million FY goal. Planned giving registry totals $162.8 million as of June 30, 2018. Annual fund raised $1.4 million and overall annual giving was $2.86 million (115% of $2.5 million goal). FY18 Campus Campaign raised $286,532 with faculty and staff participation rate at 25%. The Advancement team made a total of 1065 personal visits in FY18 - 105% of the 1010 visits goal for the entire twelve months.

Alumni Reunion 2018 brings fun for the whole family; new additions include remote sensing at the Quincy Smelter and a champagne toast for our 50-year class join fan favorites like the pasty dinner and Agassiz boat tours. Two dedications will also be taking place this year- the Bernard Family clocktower and bocce ball court. We currently have over 300 people registered for the reunion.

906 Day will take place on September 6. This is a day of engagement in celebration of the Keweenaw and Michigan Tech, both on campus and online, to remind students and alumni what makes this area (the 906) so special and how they impact each other. There will be a variety of activities taking place on campus to include the launch of the new 906 Club. This recognition is to engage and instill a culture of philanthropy in alumni who have graduated in the last ten years.

October 15-18 will mark the 14 Floors spring visit to campus. Guests from California’s Bay Area, and SE Michigan are expected to take part in the activities at Michigan Tech. These include social and networking events with students, faculty, and staff, director updates on the Institute of Computing and Cybersystems, a focus on entrepreneurial programs and strategies with the Pavlis Honors College, “Office Hours” mentoring sessions with entrepreneurial students, and a discussion with the Computing & Information Sciences advisory group. In addition, a small contingency of Detroit area alumni from the Entrepreneurs’ Organization (EO) will be participating in events, including the annual Bob Mark Elevator Pitch through the School of Business and Economics - for which the 14 Floors group will serve as judges. There will be multiple opportunities to meet with new leadership on campus, tour laboratories and learning spaces, and see students in action. A final wrap-up meeting will cap the week and serve as an advisory discussion for the overall program. Guests include Dave House, Kanwal Rekhi, Alex Johnson (Facebook), Christine Roberts (VP, Twilio), Tony Altobelli (Asst. Treasurer, Google), among others.

5 under 35 will take place November 12-15. The main event will include 5 outstanding alumni under the age of 35 presenting in their own style, a Ted Talks-like presentation about their careers, importance of following ones passion, how Michigan Tech helped prepare them and the importance of philanthropy on campus. They are presenting with the intent to inspire the students and show that Michigan Tech is the factor for their success.
VII-E. RECENT MEDIA COVERAGE

Included herein are recent news items that have appeared throughout the country.

This is for the Board’s information.
News Media Report
University Marketing and Communications
April 18, 2018 – July 14, 2018*

*You will note that the news media report for today's Board of Trustees meeting is less detailed than usual. University Marketing and Communications (UMC), which has its offices on the Garden Level of the Administration Building, was displaced by the Father’s Day Flood on June 17 and is currently working out of three conference rooms in Wadsworth Hall. Because the group’s operations are limited at this time, the news media report is abbreviated, but will return to a more robust form for the September Board of Trustees meeting.

Data specific to the Father’s Day Flood and Michigan Tech’s response:

Date Range: June 17, 2018 to July 14, 2018

- **Facebook**
  - For the time period of June 17 to July 14 compared to the previous 28 days:
    - Page views up 328%
    - Reach up 993%
    - Engagement up 625%
    - Followers acquired during that time period up 299%
  - Overall, our flood posts had roughly 475,000 impressions.
  - Our top post had 3,200 reshares, 192 comments, 1,200 reactions, and roughly 264,000 impressions
  - Our top post was also our first flood-related post, at 9 a.m. on June 17. Content was exclusively flood-related until June 22nd, when we started reporting on regular University news and flood updates as needed. Our last flood-related post was on July 1: an Mlive.com article about the Sisu spirit.

- **Twitter**
  - Our top tweet had 200 retweets, 164 likes, and roughly 66,800 impressions
  - Twitter was exclusively flood-related from June 17 through June 21, with the last flood-related post on June 22
  - Monthly impression comparisons:
    - Total tweets for the month: 48 in June vs 64 in May
    - Profile visits: 20,700 in June vs 3,900 in May
    - Tweet impressions: 360,000 in June vs 172,000 in May

- **Instagram**
  - Our top post had roughly 1,300 likes and 62 comments
  - Because you can't easily reshare Instagram posts, we didn't get the signal boost that we saw on Facebook and Twitter. We had a sunset photo the following week that performed about as well as the flood photo.
  - Instagram shared five flood-related posts and got back to business as usual after June 22

- **LinkedIn**
  - Flood posts performed better than regular posts, but not to the level of Facebook or Twitter.
Our top post had a reach of 14,500. An average LinkedIn post reaches about 5,000.

OSHA has established specific calculations that enable the University to report the Recordable Injuries, Lost Time Case Rates and Frequency Rates. The Standard Base Rate (SBR) calculation is based on a rate of 200,000 labor hours which equates to 100 employees who work 40 hours per week for 50 weeks per year. Using the SBR allows the University to calculate their rate(s) per 100 employees.

* The number of days are total days for the life of the cases first reported during this period.
