Student Activities
Career Services Corporate Advisory Board
What do we do?

- Student Activities provides a wide variety of opportunities for students to get involved outside the classroom.

- From fraternities and sororities to the Outdoor Adventure Program and Late Night Programming, there are plenty of activities to get students involved and stay active.

- Student Activities also hosts wellness programs and resources, community service events, campus traditions, and leadership programs.

- If that isn’t enough though, students can consider getting involved in any one of our 200+ student organizations!
