Our Mission

We exist to create an environment where everyone in the Michigan Tech community is encouraged and supported to make by providing a welcoming space, learning opportunities, a maker network, and resources.

Our Values

The values we embrace include safety, learning from failure, a bias toward action, an entrepreneurial mindset, and an inclusive, friendly environment.

About the Space

📍 located in the MUB Basement

⏰ open Monday - Thursday, 3:00 - 9:00 pm

💰 no cost for Michigan Tech students, faculty, and staff

🛠️ tools and equipment available to use for 3D printing, woodworking, electronics, crafting, sewing, and more!
Partnership Benefits

Depending upon the specific opportunity, there are a variety of ways a partnership with the Makerspace can benefit you or your organization.

Brand Promotion - spread the word about your organization in the space
Recruitment - with a diverse, self-motivated pool of talent, it's a great place to recruit
Recognition - get your name or organization permanently displayed in the space

Partnership Opportunities
