Designing and Implementing 3D Learning Experiences
ED 5602
Participant Application

*Mi-STAR curriculum developers will be given first preference. Teachers who have not participated in Mi-STAR must have completed ED5540 in Spring 2016 or complete a 10 to 15 hour Mi-STAR NGSS Professional Development Series prior to enrolling in this course.

Please type or print in ink. Duplicate as needed.

Name __________________________________________ First  Middle  Last

Home address __________________________________________

Street   City   State   ZIP

Date of birth ___________  MTU M # (if you are a current or former student at MTU) __________________________

Home phone ( )_________________________ Work phone ( )_________________________

Fax ( )_________________________ Work email_________________________________________

How often do you check your email? __________ Home email_________________________________________

School name __________________________________________

School address __________________________________________

Street   City   State   ZIP

Current subject areas taught________________________________________

Grades taught________________________________________

School District __________________________________________

Degree earned/areas of certification________________________________________

Have you taken courses previously at Michigan Technological University? Yes_____ No_____ 

I plan to take this course for:

☐ Non-degree seeking credit (i.e. for permanent teacher certification renewal)

☐ Currently enrolled in a graduate program at MTU

☐ Currently enrolled in a graduate program at another university
I agree to all of the following to participate in the Designing and Implementing 3D Learning Experiences Course ED 5550.

1) Read and respond to all preparatory materials and communications prior to the course.
2) Consent to the release of my name, address, and email address to other participants in the course.
3) Fully participate in each day of the course.
4) Meet the requirements of the syllabus for the course.
5) Understand that my final project may be published in some form.
6) Consent to the release of my photograph for publications.
7) My written work submitted in the courses may be used for project evaluation.

Return your completed application by May 6th, 2016 along with the reduced tuition payment/administrative fee of $300.00 (fee does not include food and lodging) to:

Teacher Professional Development Coordinator
Cognitive and Learning Sciences
Michigan Technological University
1400 Townsend Drive
Houghton, MI 49931-1295
Telephone: 906-487-2460
E-mail: teacherpd@mtu.edu

Applicants who are not selected for participation will be refunded as soon as selection decisions have been made.

http://www.mtu.edu/cls/education/development/institutes/

*Costs have been reduced through the generous support of the Department of Cognitive and Learning Sciences to lower official MTU tuition for teachers with proof of current teacher certification (2015/2016 Official Applied Science Education Graduate Resident and Non-Resident is $561.00 per credit).
