I also understand that if I do not pass the class in this third attempt, I cannot take the class at another institution and transfer the credit back to Michigan Tech. **This is my last opportunity to earn credit for this course.** The grade I receive in this third attempt will be the grade recorded on my transcript, even if I previously earned a higher grade; i.e., if I previously passed with a D and receive an F in this attempt, the F will be my grade of record.
