Our commitment begins with the ability to provide comprehensive services and catering options for events ranging from small intimate meetings to large parties and conferences. We offer an array of banquet and meeting room options with audio and visual enhancements.

Michigan Tech Catering provides a wide array of dining options from breakfasts, lunches, cocktail parties, and dinners with the option of elegant buffets or sit down plated meals. Our catering department offers both on campus and off campus caterings.

TO SCHEDULE AN EVENT

Reserve the room you need on our website www.mtu.edu/vems or by calling The Memorial Union Directors’ Office at (906) 487-2543. You will need to provide the date and time of your event, description of your function and the approximate number of attendees. The more we understand about your event, the better we will be able to match our services to your needs. You will also be asked for the following information:

- Desired room setup and food service requirements
- Audio and visual needs
- Stage requirements
- Billing addresses or account number
- Any special needs

Catering Guidelines

Michigan Tech Dining Services is proud to be the exclusive catering service on the Michigan Tech campus and will strive to meet all your catering needs. All food and beverages must be purchased and catered through Michigan Tech Dining Services, no outside caterers will be permitted on campus.

Serving Standards

It is our desire to serve you promptly at the hour you select. Please let us know if there will be any pre-meal program or lengthy opening remarks. Normal practice is to allow your group into the dining area approximately one-half hour before serving time, unless a cocktail hour is scheduled. This eliminates confusion and allows our staff to attend to final details without interruption. We appreciate your promptness and will do our best to work around any last-minute delays you may encounter.

In order to provide you and your guest with the highest levels of food quality and taste, the service times for all events will be limited to two hours.

Full meals, breaks, deliveries, hors d’oeuvres and snacks can be presented in many ways, from full china and linen service to completely disposable-ware. Please inform your catering representative of the style of service expected for your event so we can price it at the appropriate level.

The normal set up for meals in selected dining areas will be eight guests per table. If you need accommodations for fewer than eight at a table, we will be happy to provide this special set-up. However, additional charges may apply for the set-up depending on the extent of the changes.

Non Michigan Tech events held off campus are subject to delivery charges.

Disposable food orders will be delivered, set-up, cleaned up, and will not be attended during the event, unless previous arrangements have been made for labor and additional charges. If your event has over 100 people or involves re-filling a serving line, the event must be attended and labor fees will be applied.

Dining Services will pre-determine staffing levels and labor charges. If you request to have an event attended by a caterer or need additional labor for any other reason, labor
charges will apply (subject to availability). Please note that any overtime incurred will be passed on as additional charges.

Substitutions

Our catering service reserves the right to make last minute substitutions for food items that are not available due to season, product inferiority or supplier outages. We will notify you of any substitutions, if time allows.

Vegetarian Meals and Special Diets

If noted as part of the advance guaranteed count, we will gladly provide vegetarian and special diet at no additional cost. If a last minute request is made for a vegetarian or special diet meal, we will do our best to respond as quickly as possible. The additional meal(s) will be added to your bill.

Off-Site Catering

Michigan Tech Dining Services is fully equipped to provide beautiful off campus catered events. Our catering representative will need to know the full extent of the services required before quoting prices, since additional mileage, labor, and any out-of-the-ordinary circumstances or unusual venues will need to be considered. Ask your catering representative for details.

For off-campus full meals where china and linen service is requested, a linen and plate fee will be applied. Please remember that we are bringing food and supplies only for the number of guests guaranteed. Because we are away from our main facility, our ability to respond to last minute requests for additional services or supplies is limited, and we may not be able to accommodate such requests. If extra food or supplies are desired for “last-minute” adjustments, we will be happy to be prepared, if arranged for in advance. Extra food will be billed by the item or per plate, and extra supplies will be billed in the form of rental and/or labor charges.

As required by the health department, it is our practice to obtain a special event license for any catered event at which food is being prepared off-site, such as a picnic. The cost for the license will be charged to the customer.
**Food Removal Policy**

Due to health department regulations, all excess food items from any functions will remain the property of Michigan Tech Dining Services and cannot be removed from the event site.

**Alcohol**

The Memorial Union, the Rozsa Center, Wadsworth Hall and select locations at the Student Development Complex, all have Michigan liquor licenses which authorize the purchase of and dispensing of alcoholic beverages on both premises. All rules and regulations set forth by the Michigan Liquor Control Commission must be strictly adhered to. No one under the age of 21 shall consume alcohol on our premises. We expect the cooperation and participation of all sponsors of alcohol events to help enforce the legal drinking age. An alcoholic beverage service registration form and waiver must be signed by a host before the beverage service is provided. A minimum amount of food must be available at all events with alcohol service.

We pride ourselves on being very flexible in arranging open bar/cash bar combinations suitable to every budget. Please discuss your needs with your event coordinator, and he/she will customize the arrangement for you. Several packages are available, including hosted and cash bar. We will tailor a package to meet your needs, including bringing your professional bartenders and portable bar (if required) to you.

**Decorations and Restrictions**

We do not make specific provisions to decorate banquet tables - this is left to your wishes and tastes. For on-campus catering events decorations and decorating methods must be approved by our catering staff. Michigan Tech Dining Services does not take responsibility for any decorations broken or left on premises after an event. Restricted items for on premise caterings include but not limited candles or open flames besides canned fuel, the use of streamers, silly string, rice, confetti, or glitter. Special effects such as smoke machines and foggers are not permitted.
Guarantee Policy

Your estimated attendance will become the guaranteed count if we do not receive a revised count three working days preceding your event. You will be billed for your guaranteed count and for any additional guests over your guaranteed count. There may be a surcharge to cover last-minute preparations and setups if extra tables, place settings and/or portions are requested.

For buffet meals we will prepare food and place settings for approximately 5% over your guaranteed count. We do this for your benefit because the nature of buffet eating is sometimes unpredictable, and because we want to present a full buffet selection until the last guest has come through the buffet line. This may result in some leftover food on buffets, but please remember that left over food remains the property of the Michigan Tech Dining Services and cannot be packaged for take-out.

Pricing

Catering pricing is subject to change. Market conditions, the cost of labor and supplies change periodically, and must be reflected in our price.

For sit-down served meals we will prepare food for the guaranteed count. If extra portions are desired for “just-in-case” extra guests, we will be happy to accommodate. However, extra portions requested for Sit-down-served meals will be billed at the full dinner price.

Discount for Children

Children 12 and under receive a 50-percent (50%) discount on the regular price of a full buffet meal, if noted in your advance guaranteed count. Children under the age of 5 do not need to be included.

Delivery Charges for Non MTU Sanctioned Events

Delivery charges will be added when food or equipment is delivered out of the Memorial Union or Wadsworth Hall for events not associated with Michigan Tech. Michigan Tech sponsored events will not be charged a delivery fee. The on-campus delivery charge is 10% of the total order or $30.00 if the order is over $200.00. Included are pick-up of supplies after the event at a time convenient to both the client and Dining Service.
Off-campus deliveries will be quoted on an individual basis once we understand the scope of your needs.

For smaller orders, you may want to consider avoiding the delivery fee by picking your order up at the Memorial Union kitchen or Wadsworth Hall kitchen. In this case, it will be your responsibility to return all non-disposable items after your event is over. If you pick up your order, but call to have the non-disposable items picked up later at your location by our staff, the $20.00 delivery fee will be charged.

For off-campus deliveries within 5 miles of the Memorial Union, $100 will be charged. For deliveries outside the 5-mile radius, $300 will be charged plus labor and mileage @ $2.50 per mile. Rates will double if pick-ups are requested.

**Minimums**

A minimum number of persons are required in order for us to provide certain services. Groups with counts lower than our minimums may still obtain the services listed; however you will be billed at our minimum. If these minimums are a problem for you, please consult with a catering representative to explore other alternatives.
