Include co-op, Study Abroad and Internship semesters in your plan.

EE majors choose one 'SELECT approved elective' course: EET3373, ENG2120, ENG3200, ENG4510, MEEM2110, MEEM2150, MEEM2200, 2201, 2700, 3210, 3220, MY2100, 3292, PH2300, PH2400, PH3300.

Plan ahead for *elective courses*, which are usually offered once per academic year. Look up prerequisite/co-requisite & other course information online in the Course Descriptions or the Schedule of Classes (click on CRN).

Plan ahead to meet your *Engineering Design requirements*. Choose Senior Design, 4-sem. Enterprise, or EPS.
Prerequisites: EE3901, EE3131 AND EE3171(co) or EE3173(co).

See the undergraduate program advisor for assistance with degree requirements and planning. EERC 131.

Degree requirements: <http://www.mtu.edu/registrar/students/major-degree/audit/>

IMPORTANT: Review your degree audit report after scheduling and changing classes & before each semester begins. Make sure your course choices count, especially in the General Education areas.

DEGREE AUDIT: Banweb - Student Records Tab - Degree Audit – 1) Run audit, 2) Run Audit, 3) wait, 4) Click blue link.

Apply for graduation one or two semesters before your last. Complete **Final Degree Audit Check** after scheduling your last semester, but *BEFORE* your last semester begins. (December or April before your last semester)
