Students must add 3 units of co-curricular activities (such as Physical Education), usually taken in six .5 units.

Follow pre-requisites and semester offerings. This is a 'suggested' plan which can vary by individual student; shows best route through system to avoid conflicts. Students who begin in a pre-calculus course will take ENG1001 and ENG1100 in place of ENG1101 in first year.

1. MA1160 may be replaced by MA1161
2. MA2320 and MA3520 may replace MA2321 and MA3521
- 3a. SELECT Approved Elective: min. 2 cr. from "select approved list", topics recommended by industry professionals.
4. Approved Enterprise Program engineering design courses. See department advisor for details.
5. EE Electives: 12 credits of EE courses not listed here and not EE3010, EE3805, EE4000, EE4805, EE4901, EE4910.
6. HASS = Humanities, Arts and Social Sciences. Follow university requirements for general education courses.
8. Up to 6 credits "EE" level 4000+ may be double-counted toward the ECE accelerated master's program. (ex. red)
