Application for Admission

**Planned Course of Study** (Checklist item 2 of 11)

Next, let us know what you plan to major in at Michigan Tech.

**Essay responses** are required for students applying for admission to:
- audio production and technology
- sound design
- theatre and electronic media performance
- theatre and entertainment technology.

Type your essay responses below. Plan to write about **300 words**, or a **one-page response** to each question. Please note, there is a 2,000 character limit for each response.

This is an important step in your application process. What and how you write will allow faculty members reviewing your file to understand your goals and assess your creativity and self-motivation—attributes that, combined with your academics, will allow us to determine your future success in our programs.

Remember, you can save your application and return to complete this section later. You may wish to write your responses in a program such as Microsoft Word, then copy and paste your answers below. Audio production and technology and sound design applicants: read more about the additional requirements for your application.
