

Use and Finance Bi-Annual Reporting Form

Reporting Period (check one):

<input checked="" type="checkbox"/>	<u>January 1, 2017 through June 30, 2017</u>
<input type="checkbox"/>	<u>July 1, 2017 through December 31, 2017</u>

University/College:	Michigan Technological University
Number of Projects to Report:	One
Estimated Impact of Tuition and Fee Rates¹:	0%

	Project Description	Project Timeline	Project Costs	Funding Sources																																		
1.	<p>McNair Bathroom Renovations In support of the University Strategic Plan to recruit, support, recognize, and graduate bright, motivated and adventurous students, it is important to provide exceptional services and infrastructure. The current infrastructure of the McNair bathrooms, both East and West, is an area of student concern due to the lack of proper ventilation, outdated fixtures, inconsistent water temperatures, and the need for updates. The existing configuration of showers lacks privacy, which is of concern for many students sharing a bathroom for the first time. Renovations to the bathrooms in both East and West McNair Hall are needed to meet the demands and expectations of the residents. New mechanical, electrical, interior finishes, and fixtures are included in the renovation project.</p>	<p>Start Date: May 2017</p> <hr/> <p>Completion: September 2017</p>	<table style="width: 100%; border-collapse: collapse;"> <tr><td>Project Acquisition</td><td style="text-align: right;">\$</td></tr> <tr><td>Remodeling</td><td style="text-align: right;">\$ 2,567,059</td></tr> <tr><td>Additions</td><td style="text-align: right;">\$</td></tr> <tr><td>Landscaping</td><td style="text-align: right;">\$</td></tr> <tr><td>Equipment</td><td style="text-align: right;">\$</td></tr> <tr><td>Other</td><td style="text-align: right;">\$</td></tr> <tr><td colspan="2"><hr/></td></tr> <tr><td>Total:</td><td style="text-align: right;">\$ 2,567,059</td></tr> </table>	Project Acquisition	\$	Remodeling	\$ 2,567,059	Additions	\$	Landscaping	\$	Equipment	\$	Other	\$	<hr/>		Total:	\$ 2,567,059	<table style="width: 100%; border-collapse: collapse;"> <tr><td>Tuition</td><td style="text-align: right;">\$</td></tr> <tr><td>Millage</td><td style="text-align: right;">\$</td></tr> <tr><td>Bond Proceeds</td><td style="text-align: right;">\$2,567,059</td></tr> <tr><td>Donations</td><td style="text-align: right;">\$</td></tr> <tr><td>Federal</td><td style="text-align: right;">\$</td></tr> <tr><td>Other</td><td style="text-align: right;">\$</td></tr> <tr><td>(Infrastructure Funds)</td><td></td></tr> <tr><td colspan="2"><hr/></td></tr> <tr><td>Total:</td><td style="text-align: right;">\$ 2,567,059</td></tr> </table>	Tuition	\$	Millage	\$	Bond Proceeds	\$2,567,059	Donations	\$	Federal	\$	Other	\$	(Infrastructure Funds)		<hr/>		Total:	\$ 2,567,059

¹ This amount shall be calculated by dividing the amount of tuition revenue that is annually budgeted for the institution's share of a project's cost by the most recent fiscal year equated student count for the institution.

Instructions:

1. Projects shall be reported on this standard form and submitted to the Joint Capital Outlay Subcommittee, the fiscal agencies, and the State Budget Office **on or before June 30 and December 31 of each year**. Submission to the above parties shall be accomplished by posting the reports on the institution's website under the "Budget and Performance Transparency Reporting" section. If an institution has no projects to report for a six-month period, enter "None" next to "Number of Projects to Report" located on the top of the form.
2. Reports shall include all contracts entered into for new construction of **self-funded projects costing in excess of \$1,000,000.00**. Projects funded by State capital outlay appropriations are not to be included in these reports. Once submitted, a project does not have to be listed in any subsequent report, unless a change in project cost has occurred. In such case, the subsequent use and finance report shall clearly state that the project cost has changed, listing the dollar amount of the change, and including reasons for the cost change.
3. New construction includes land or property acquisition, remodeling and additions, maintenance projects, roads, landscaping, equipment, telecommunications, utilities, and parking lots and structures.
4. Project Description should include a basic overview of the project including the purpose and justification for the project.
5. Reports shall detail by amount the funding sources that are supporting a project (e.g. tuition, fees, bond funds, millage, donations, etc.).
6. **Penalties:** Statutory language in the appropriation act for Universities and Community Colleges provides that institutions shall comply with the current use and finance requirements of the Joint Capital Outlay Subcommittee and provides for a 1.0% reduction in State appropriations for each violation.
