ADDENDUM # 2
PROJECT 20-17-02
RAYMOND L. SMITH BUILDING
NEW WAVE POOL
CONCRETE, PLUMBING & ELECTRICAL PACKAGE
OCTOBER 5, 2017

Contractor shall list all addenda by number on the bid form to ensure conformity in the bid.

Drawings, Specifications and/or Proposals are herein amended, expanded and/or modified, as hereinafter described, and become a part of the Contract Documents with the same force and effect as if incorporated, herein, originally. Any contrary provisions contained, or referred to, in Drawings and/or Specifications, shall remain applicable unless overridden by this Addendum. Revised or contrary provisions herein shall not affect any other part of the Contract Documents and any deletions, additions, substitutions and/or revisions mentioned, shall include all labor, materials, methods, modifications, etc. required for complete performance of the work.

CONTRACT DOCUMENT MODIFICATIONS AND CLARIFICATIONS:

1. Invert elevations for existing 8 inch sanitary line are shown in the reference plumbing drawing. For bidding purposes assume elevation 661'-2". Sub-basement top of slab is 664'-6".
2. Painting the room was omitted from the scope of work, however it is shown on the drawing – it should be included in the bid. Include painting the ceiling in your bid. This will involve removing the rows of ceiling tile (and adhesive) in the room and painting the entire ceiling including the concrete beams. One color will be selected for the entire room. The room will only be painted up to the folding partition. The partition will not be painted.
3. Fire alarms and strobes on the north wall will remain in place.

End of Addendum
