**Question #1**
Please advise if the referenced bid will be awarded by item, group, or grand total.

**Answer #1**
Michigan Tech is looking to award this contract to one vendor based off the Evaluation Criteria listed in Section 1.5 of the RFP.

However, as stated in Section 3.6 of the RFP, Michigan Tech may award the contract in part if deemed beneficial to the University.

**Question #2**
The Floor Finishes, strippers, and pads being used were not listed on the Custodial Supply Bid Sheet. Are these part of the bid?

**Answer #2**
We prepared the RFP with a product list that represents our highest use products and will evaluate based on that list.

**Question #3**
When we did the pre-bid walk through the different types of floors and finishes used were discussed frequently. However, these items are not on the list of products to bid. Should I quote these products as part of the Value-Added Services section of my bid?

**Answer #3**
We prepared the RFP with a product list that represents our highest use products and will evaluate based on that list. If you think the University would benefit from additional products not on the list, add these under the “Value-Added Services”.

**Question #4**
Is MTU open to learning about new dispensing technology available for simplifying the chemicals needed for cleaning?

**Answer #4**
Yes, please include this in the “Value-Added Services” section.

**Question #5**
Out of the 300 dilution centers, how many are 4 button systems?

**Answer #5**
Most of our J-Fill dispensers are 4 button dispensers but we do not have the exact numbers on the quantities of different size dispensers. Please note the total dispenser count of 300 is an estimate as well.
