ADDENDUM # 1
PROJECT 32-17-02
UPPER DH
IT CABLING PROJECT
May 3, 2017

Contractor shall list all addenda by number on the bid form to ensure conformity in the bid.

Drawings, Specifications and/or Proposals are herein amended, expanded and/or modified, as hereinafter described, and become a part of the Contract Documents with the same force and effect as if incorporated, herein, originally. Any contrary provisions contained, or referred to, in Drawings and/or Specifications, shall remain applicable unless overridden by this Addendum. Revised or contrary provisions herein shall not affect any other part of the Contract Documents and any deletions, additions, substitutions and/or revisions mentioned, shall include all labor, materials, methods, modifications, etc. required for complete performance of the work.

CONTRACT DOCUMENT MODIFICATIONS AND CLARIFICATIONS:

1. Reference Drawing E101, and add to the scope of work description the following:
   a. Michigan Tech will provide the switch for the Contractor to mount and plug in, and will provide the power cables. Contractor to provide fiber jumpers and copper patch cables for apartments. Recommended 1 or 2 meter SC/APC to LC/UPC two-strand fiber jumpers. Jumpers shall plug into the only available LC form factor fiber port on the switch, and the first two SC patches on the left side of the panel in the apartment.

   b. Contractor to connect apartment A to port 4, B to port 5, C to port 6, D to port 7, E to port 8, F to port 9, G to port 10, and H to port 11. Ports 0 through 3 are reserved for later use with wireless access points that will be installed as part of the remodel. Ports 12 through 23 will not be used at this time.

End of Addendum
