

Michigan Technological University Leading Scholar Essay Guidelines

Thank you for considering Michigan Technological University's premier scholarship program. To apply for the Leading Scholar Award you will need to email your essay question response along with one teacher recommendation to LeadingScholars@mtu.edu by October 15, 2011. Please include your name on the subject line of the email.

2011 Essay Question

Leaders have the ability to ask outstanding questions that make people think and inspire action. What question do you feel you should answer for this scholarship application? Tell us your question, and provide your answer. There is no wrong answer (or question), so have fun--and don't be afraid to think outside the box.

When crafting your essay response, please limit it to 500 words and utilize the form below, which has been pre-formatted to accept the appropriate length essay. You will be sent an email notification (to your Michigan Tech email) once receipt of your application has been confirmed. This may take up to two business days.

Other notes:

Students must apply for admission to Michigan Tech by October 15 to be considered for the Leading Scholar Award (though your acceptance does not need to be finalized by that date). Leading Scholar Award finalists will be invited to the Michigan Tech campus on December 4 and 5 for personal evaluations.
