A graduate or professional student may borrow a Direct PLUS Loan to help cover the cost of attendance that is not met by other financial assistance. The 2015-16 FAFSA is required, as is meeting Satisfactory Progress Policy requirements. If you have been offered a Direct Unsubsidized Loan, you must accept this loan prior to the Direct PLUS Loan being processed. You will also be required to complete a PLUS Master Promissory Note, if one is not already on file.

Name _____________________________________________________  Tech ID# M___________________

Email address ____________________________________________    Phone number (             ) ________-__________

Enter the amount of money that you are seeking to borrow $____________ or check here ___ to request the maximum*

Loan period for which you are requesting funds (check one)

___ Fall & Spring Semesters   ___ Fall 2015   ___ Spring 2016   ___ Summer 2016

If it is determined that you have an adverse credit and you are denied, which course of action would you pursue?

___ Cancel the Direct PLUS Loan

___ Appeal the Direct PLUS Loan denial by providing additional credit information to the Direct Loan Servicing Center or by providing a credit worthy endorser/co-signer, or

I certify that I do not owe a refund on any federal grant or loan, I am not in default on any educational loan, and any previously defaulted loans are now in satisfactory repayment. I further certify that all Direct PLUS Loans funds will be used for expenses related to attendance at Michigan Technological University.

I authorize the U.S. Department of Education and its agents to obtain my credit report and use the information found therein in determining whether or not I qualify for a Direct PLUS Loan.

Student Signature  ___________________________________________________ Date  ________________

* The maximum annual amount, which may be borrowed, is limited to the student’s cost of attendance less all other financial aid. The estimated costs of attendance listed below are based on full-time enrollment and include tuition, fees, room, board, books, supplies, personal and travel.

With engineering/computer science surcharge:  $30,175    Without surcharge:  $28,375
