Pensions, Annuities, & IRA Rollover Form (PAIV16)

The difference between the total amount of pensions, annuities and IRA distributions received during a calendar year and the taxable portion is considered untaxed income for financial aid purposes. Transfers of funds from one account to another (rollovers) can be excluded.

To allow the Financial Aid Office to verify a rollover, please complete the certification below.

I certify that, of the total pension, annuity and/or IRA distribution, $__________________ was rolled over in 2016.

Parent’s Signature: ______________________________

Print Student’s Name: ______________________________

Student’s Michigan Tech ID#: M_______________________
