GRADUATE SCHOOL
SCHOOL OF BUSINESS AND ECONOMICS

EARN YOUR GRADUATE DEGREE IN ACCOUNTING

MASTER OF SCIENCE IN ACCOUNTING (MSA)

BECOME FLUENT IN THE “LANGUAGE OF BUSINESS”
Are you a self-motivated individual who possesses business acumen, strong math and analytical skills, and a desire to embrace a position of leadership in your professional career? The combination of these traits and an MS in Accounting from Michigan Tech will allow you to go far in the business world.

Accounting is known as the “language of business”; it is a crucial component for success in all areas of business. Our program will provide you with the accounting and business background to become fluent in this language and will prepare you to step into the business world ready to compete and add value to a company or governmental organization. Our program is a great fit for those wishing to pursue a career in accounting, management, budgeting, taxation, financial reporting, auditing, or consulting. Students may also complete a course of study leading to certification as a Certified Public Accountant (CPA) or Certified Management Accountant (CMA).

Our 30-credit-hour program can be completed within ten months and offers a wide array of electives (12 credit hours) to ensure that a course of study is designed to meet each student’s unique interests and goals.

FOCUS ON SUPERIOR-QUALITY EDUCATION
The School of Business and Economics is accredited by the Association to Advance Collegiate Schools of Business International (AACSB). This accreditation means that our school meets a strict set of standards that are designed to ensure quality in education and research. Less than 5 percent of business schools worldwide hold this accreditation.

TAKE ADVANTAGE OF A DYNAMIC CURRICULUM AND PLACEMENT OPPORTUNITIES
The Master of Science in Accounting program maintains a high level of student-to-faculty interaction and provides a stimulating classroom environment. The curriculum is cutting edge and designed to stay abreast with contemporary accounting topics, such as forensic examination, strategic cost management, and tax planning. Additionally, our faculty members bring real-world business experience to the classroom.

Our students can expect to take advantage of professional networking opportunities with accounting firm partners and corporate executives. Recent graduates of our program have accepted positions with Deloitte, KPMG, PwC, Grant Thorton, Nestle, Caterpillar, and General Motors.

FACULTY SPOTLIGHT
Robert Hutchinson joined Michigan Tech in 2014 as an associate professor of accounting. His extensive industry experience includes cost analysis and auditing. He has published articles in Advances in Management Accounting, the Journal of Manufacturing Technology Management, and other professional journals, and has been recognized for outstanding contribution to accounting literature by the Institute of Management Accountants.

FINANCING AND AWARDS

Earning your accounting degree is an investment in your career and your future. Here are a few financial aid opportunities you can explore as you look for ways to pay for your degree.

- Graduate teaching assistantships (GTAs) and graduate research assistantships (GRAs) are available to qualified applicants. All students admitted to the Graduate School are considered for these awards.
- Many graduate students are eligible for a new set of federal loans, up to $20,500 per academic year, as an independent student. Contact Michigan Tech’s Financial Aid Office at 906-487-2622 or finaid@mtu.edu for more information on financial aid opportunities.

ABOUT HOUGHTON

Houghton lies in the heart of Upper Michigan’s scenic Keweenaw Peninsula. The campus overlooks the Keweenaw Waterway and is just a few miles from Lake Superior. The area’s waters and forests, including our 600-acre recreational forest adjoining campus, offer students unparalleled opportunity for outdoor recreation and relaxation. The University’s 7,000 students come from all fifty states and more than sixty nations, making the area a vibrant, multicultural community.
