FUNDING OPPORTUNITIES

The Consortium offers a total of $100,000 of support for Undergraduate and Graduate research fellowships, $50,000 for Research Seed Grants, and $100,000 for Public Service Grants in aerospace, space science, Earth system science, and other related science, engineering, or mathematical fields.

Michigan Tech Deadline:

Noon · Wednesday · November 9, 2016

Opportunities for the 2017-2018 funding cycle
- Undergraduate Fellowship Program (must be a U.S. Citizen to apply)
- Graduate Fellowship Program (must be a U.S. Citizen to apply)
- Undergraduate-Underrepresented Fellowship Program (must be a U.S. Citizen to apply)
- Research Seed Grant Program
- Precollege Education Program
- Public Outreach Program
- Teacher Training Program

Submission Process

1) Contact a Sponsored Programs Office MSGC analyst for assistance on how to create a budget:
   Jennifer Bukovich (jbukovi@mtu.edu), Carol Witanen (cawitan@mtu.edu), or Leah Engler (lengler@mtu.edu). All can be reached by calling 906-487-2226. Sponsored Programs will instruct you as to whether you need only a transmittal form or both a transmittal and cost-share form. (It will depend upon which grant you are applying for from MSGC).

2) Review the MSGC guidelines and complete the online application located at:
   http://www.mi.spacegrant.org/ See #6 below for when you may upload your application materials.

3) Complete Michigan Tech’s transmittal form:
   http://www.mtu.edu/research/administration/sponsored-programs/pdf/transmittal-all1.pdf

   Complete a cost share form if directed to do so by the Sponsored Programs Office:
   http://www.mtu.edu/research/references/forms/pdf/documentation_for_users.pdf

4) Print and deliver completed forms, to include the transmittal form, budget, cost share form (if required) and print out of MSGC application, to Paige Hackney in the Pavlis Honors College no later than 12:00 PM (Noon) on Wednesday, November 9, 2016. A required letter of support from Lorelle Meadows will be provided in order to submit your final proposal.

Note: The Pavlis Honors College is located in 722 of the Minerals and Materials Building, facing the waterway.

5) The Pavlis Honors College will deliver your application and other materials to the Sponsored Programs Office. The Sponsored Programs Office will then obtain Authorized University signatures.

6) After all application materials have been received and reviewed by the Sponsored Programs Office, you will receive an email that your application has been approved for submission. This final email will include the required letter of support from Lorelle Meadows and a letter of approval from the University which you must upload into your online MSGC application before 5:00pm on Wednesday, November 16, 2016.

Application & Review Processes
The application and review processes are all online at: www.mi.spacegrant.org

MSGC Awards will be announced in late February 2017.
