The REGISTERED TENANT will lose their opportunity to take over that apartment as a CONTRACT HOLDER in the future if eligible.
3.6 Faculty and staff members may not be the REGISTERED TENANT(S) for student CONTRACT HOLDERS. Faculty and staff members can be the REGISTERED TENANT(S) for faculty and staff member CONTRACT HOLDERS.

4. DEPENDENTS
4.1 DEPENDENTS are defined as the minor children of the CONTRACT HOLDER or REGISTERED TENANT who live with the CONTRACT HOLDER or REGISTERED TENANT at least fifty-one (51) percent of the time. DEPENDENTS must have the Michigan Tech apartment address as their primary address.
4.2 All DEPENDENTS must be registered using a DEPENDENT form available at Housing.
4.3 Minor children are under the age of eighteen (18). Upon turning eighteen (18) years of age, the minor child becomes a legal adult. 5. GUESTS

5.2 GUESTS are not permitted to stay fourteen (14) or more days in any apartment. GUESTS who stay fourteen (14) or more days, consecutively or not, are considered to be occupying the apartment. This is unapproved occupancy and it is prohibited.
5.3 Breach of these provisions shall result in an additional rental charge to be paid by the CONTRACT HOLDER in the amount of $500.00 per month for any month during which this provision is at any time breached. The CONTRACT HOLDER may have their contract terminated by the University and all apartment occupants may be required to move out immediately due to the CONTRACT HOLDER’S breach of contract.

6. OCCUPANTS
6.1 For the purpose of this contract, the term OCCUPANT refers to any CONTRACT HOLDER, REGISTERED TENANT, DEPENDENT, or GUEST.

II. OCCUPANCY REQUIREMENTS
1. OCCUPANCY LIMITS
1.1 Occupancy shall be limited to CONTRACT HOLDERS, REGISTERED TENANT(S), and their respective DEPENDENTS (minor children under the age of eighteen).

2. UNAPPROVED OCCUPANCY
2.1 Unapproved occupancy will not be tolerated by the University.
2.2 Unapproved occupancy in excess of the specified limits of over fourteen (14) days, whether or not consecutive, may result in additional charges of $500.00 per month and/or eviction at the University's discretion. The CONTRACT HOLDER may have their contract terminated by the University and all apartment occupants may be required to move out immediately due to the CONTRACT HOLDER'S breach of contract.
2.3 An additional occupant may not be added to the apartment in any absence of the CONTRACT HOLDER as this would be subleasing or subletting. Subleasing or subletting is unapproved occupancy and is strictly prohibited at all times. Subleasing violations may result in additional charges of $500.00 per month and/or eviction at the University's discretion. The CONTRACT HOLDER may have their contract terminated by the University and all apartment occupants may be required to move out immediately due to the CONTRACT HOLDER'S breach of contract.

3. UNIVERSITY AFFILIATION REQUIREMENT
3.1 Initial and continued occupancy requires that the CONTRACT HOLDER is and remains a full-time student, faculty, or staff member of Michigan Tech. Students must be enrolled as full-time students in both the Fall and Spring semesters each year.
3.2 CONTRACT HOLDERS must immediately report to the Director of Housing and Residential Life, 153 Wadsworth Hall, the loss of University affiliation if they are no longer enrolled at or employed by Michigan Tech.
3.3 Failure to maintain the University affiliation requirement may result in the immediate termination of the housing contract. The CONTRACT HOLDER may have their contract terminated by the University and all apartment occupants may be required to move out immediately due to the CONTRACT HOLDER'S breach of contract.

4. IMMIGRATION STATUS
4.1 No OCCUPANT may remain in the Daniell Heights apartments if a change in their immigration status causes them to become "out of status" and illegal as determined by U.S Immigration and Customs Enforcement (ICE) regulations.
4.2 Furthermore, no CONTRACT HOLDER may permit their apartment to be used by any person who does not have proper ICE immigration status to remain in the USA.
4.3 Michigan Tech reserves the right to immediately terminate the rental contract of any such CONTRACT HOLDER or REGISTERED TENANT and will incur no liability to the CONTRACT HOLDER or REGISTERED TENANT for such termination.
4.4 The Housing and Residential Life staff will refer all OCCUPANTS who are known to be "out of status" to the Michigan Tech Office of Academic and Community Conduct as well as to applicable law enforcement agencies.

III. TERMINATION BY CONTRACT HOLDER

1. This contract terminates on June 30, 2018 at noon (regular contract termination date) as the indicated on page 1 of the contract.

2. CONTRACT RELEASE REQUESTS
2.1 If a CONTRACT HOLDER wishes to terminate the contract obligation prior to the above termination date, the CONTRACT HOLDER may apply for a contract release by submitting the proper release request form which is available at Housing and Residential Life, 153 Wadsworth Hall. A contract release request does not guarantee a release of contract and financial obligations to the University.
2.2 A CONTRACT HOLDER who wishes to terminate this contract prior to the above termination date and remain enrolled in the subsequent semester at Michigan Tech MAY NOT do so unless prior written approval is received from the Director of Housing and Residential Life or the Director of Housing's designee. It is our intention to withhold approval except for extreme circumstances.
2.3 A CONTRACT HOLDER who decides not to enroll, cancel the enrollment, or defer the enrollment must give written notice to Housing (and also to either Admissions or the Graduate School) to be eligible for a full refund of any housing deposits. A $300 fee will be charged to any CONTRACT HOLDER who accepts a contract and then fails to notify Housing (and either Admissions or the Graduate School) thirty (30) days before the first day that the housing contract is scheduled to start.
2.4 A CONTRACT HOLDER who fails to show up or to take possession of the apartment on the first day of the contract will be charged rent until such time that the contract holder arrives or that Housing is reasonably able to determine that the CONTRACT HOLDER will not be arriving. Housing may administratively terminate the contract for any CONTRACT HOLDER who fails to arrive and fails to give Housing proper advance written notice. A $300 cancellation fee may be charged in addition to any rent for the time in which the contract was active and the apartment was being held for the CONTRACT HOLDER.
2.5 No release shall be effective until the release granted is communicated in writing to the CONTRACT HOLDER.
2.6 Upon release by the University, a $300.00 contract release fee will be assessed.
2.7 If the CONTRACT HOLDER is not released from the contract, the CONTRACT HOLDER will continue to be responsible for the full monthly rent for the duration of the contract or until the University is able to start a new contract with a new CONTRACT HOLDER.

2.8 If the contract release is approved, all occupants of the apartment must concurrently move out from the apartment. The CONTRACT HOLDER must return all keys to Housing and Residential Life, 153 Wadsworth Hall. If the keys are not returned on time, the CONTRACT HOLDER will be charged four (4) times the daily rental rate for each date that the keys are not returned and the CONTRACT HOLDER remains in possession of the apartment. Apartment vacancy will be confirmed after the keys are returned to Housing and Residential Life. If any occupant remains in the apartment beyond the contract release date, the CONTRACT HOLDER will be charged four (4) times the daily rental rate for each date that the apartment remains occupied.

3. EDUCATIONALLY RELATED RELEASES FOR THE END OF FALL SEMESTER

3.1 The CONTRACT HOLDER may request to be released from their contract without penalty for the following educationally related reasons for the end of the fall 2017 semester only:
A. graduation,
B. co-op,
C. internship,
D. study abroad,
E. withdrawal, or
F. academic dismissal.

3.2 The CONTRACT HOLDER will be released from the housing contract without penalty at the end of the fall 2017 semester for educationally related releases if the following conditions are met:
A. Written notice is provided to Housing and Residential Life, 153 Wadsworth Hall, at least thirty (30) days in advance of the end of the fall 2017 semester. Notice is required by November 17, 2017. Move out must occur on December 17, 2017 by noon.
B. All keys must be properly turned in by noon on December 17, 2017. Keys must not be left in the apartment or given to a third party. The return of the keys signal that the CONTRACT HOLDER has vacated the apartment. Failure to return keys will indicate that the CONTRACT HOLDER is still in possession of the apartment and rent will continue to be charged. Apartments are inspected after keys are returned to Housing and Residential Life. Failure to return all issued keys will result in lost key charges of $55.00 per key core, $5.00 per key, and $10.00 per mailbox.
C. All personal possessions must be removed from the apartment, the apartment must be clean, and all trash must be removed.
D. Failure to give proper notice by November 17, 2017 and move out and return all keys by December 17, 2017 disqualifies the CONTRACT HOLDER from being released from the contract without penalty. The remaining rent charges may continue to accrue until the University is able to fill the apartment vacancy. The CONTRACT HOLDER will be assessed four (4) times the daily rental rate for moving out late, maintaining occupancy, or returning keys after December 17, 2017.

4. IMPROPER MOVE OUT

4.1 The CONTRACT HOLDER who moves out from an apartment, for any reason, and is NOT released from the rental contract will be responsible for the entire apartment rent for the entire duration of the housing contract. If the University is able to secure a new CONTRACT HOLDER, the University will stop charging the original CONTRACT HOLDER for future rent.

4.2 If a REGISTERED TENANT is eligible to take over the contract, has lived in the apartment for at least four months and is a Michigan Tech student, and no registered tenant takeover has occurred, the REGISTERED TENANT can become the CONTRACT HOLDER in the event of CONTRACT HOLDER’S termination prior to the regular termination date. If no REGISTERED TENANT meets these requirements the REGISTERED TENANT(S) must move out from the apartment concurrent with the CONTRACT HOLDER.

4.3 The following penalties may occur if the CONTRACT HOLDER moves out improperly:
A. $35.00 fee for improperly returning keys,
B. The remaining rent charges may continue to accrue until the University is able to fill the apartment vacancy,
C. The CONTRACT HOLDER will be assessed four (4) times the daily rental rate for moving out after the normal contract termination date or for moving out after the agreed contract release date if a contract release was requested.
D. A hold may be placed on the CONTRACT HOLDER’S University account, which may prevent registration, graduation, or access to transcripts until all fees are paid.
E. The CONTRACT HOLDER will be charged for the removal and disposal of any abandoned property or trash that is left on the premises after the CONTRACT HOLDER has moved out or abandoned the apartment.

4.4 Abandonment is improper move out.
A. If the CONTRACT HOLDER is physically absent from the apartment and/or owes unpaid rent, and if the University has reason to believe in good faith that the CONTRACT HOLDER has abandoned the apartment with no intent to continue CONTRACT HOLDER’S residence, then the residence will be deemed conclusively to have been abandoned by the CONTRACT HOLDER.
B. The University may enter abandoned premises to perform repairs, maintenance and cleaning and to make a reassignment.
C. A determination of abandonment shall also constitute a conclusive determination that all personal property of the CONTRACT HOLDER remaining on the premises has been abandoned or discarded. CONTRACT HOLDER shall pay to the University any costs associated with removing abandoned or discarded property from the premises. All
5. **CONTRACT HOLDER and REGISTERED TENANT RELATIONSHIP**

5.1 The CONTRACT HOLDER has the right to ask any REGISTERED TENANT to move out if they do not pay their share of the monthly rent. The CONTRACT HOLDER shall remain responsible for the full monthly contract rental amount notwithstanding any absence by any REGISTERED TENANT or failure by any REGISTERED TENANT to pay rent.

5.2 If the CONTRACT HOLDER decides to move out of the apartment, a REGISTERED TENANT may take over the contract and become the CONTRACT HOLDER provided they are currently enrolled at Michigan Tech, were listed as a REGISTERED TENANT for that apartment, are at least twenty-one (21) years of age, and have resided in the apartment for at least four months. An apartment may be transferred to a REGISTERED TENANT only one time. Once that tenant moves out, any remaining occupants must also move out and the apartment becomes available for individuals on the waiting list according to the established priority.

5.3 If the CONTRACT HOLDER moves out, all occupants must also concurrently move out from the apartment if a REGISTERED TENANT takeover is not approved in advance by Housing and Residential Life, 153 Wadsworth Hall.

5.4 A CONTRACT HOLDER who wants a REGISTERED TENANT to move from the apartment should give the REGISTERED TENANT thirty (30) days written notice.

IV. **TERMINATION BY UNIVERSITY**

1. **THE UNIVERSITY MAY TERMINATE THIS CONTRACT** by giving the CONTRACT HOLDER thirty (30) days written notice of termination in the event it desires the premises to be vacated at any time; except when the CONTRACT HOLDER is asked to leave immediately for disciplinary reasons, is specifically sanctioned under the University Code of Community Conduct as a result of University disciplinary action, is no longer employed by the University, is no longer an actively enrolled student during the Fall or Spring semester, or is in breach of any term of this Contract Terms and Conditions, in which cases the CONTRACT HOLDER may be requested to immediately move out of the premises if the breach is not corrected or is not correctable within 7 days of receipt of notice of breach.

2. The CONTRACT HOLDER, REGISTERED TENANT(S), DEPENDENT(S), GUEST(S) and any other OCCUPANT(S) must move out upon receipt of proper notice. Proper notice may be delivered by mailed letter, email to the CONTRACT HOLDER’S Michigan Tech email account, or letter delivered by Housing and Residential Life staff to the CONTRACT HOLDER.

3. Continuing to occupy the apartment by physically remaining in the apartment, refusing to remove possessions, or by retaining any apartment keys will result in charges equal to four (4) times the daily rental rate which will be the responsibility of not only the CONTRACT HOLDER but also of the party failing to timely vacate.

4. Extensions must be approved in writing in advance by the Director of Housing and Residential Life.

V. **UNIVERSITY RESERVES THE RIGHT TO:**

3. KEEP THE PROPERTY in reasonably livable condition (excluding routine interior cleaning during the term of the contract, which shall be CONTRACT HOLDER’S sole responsibility).

4. TERMINATE or TEMPORARILY SUSPEND the contract without notice in case of an emergency that would make continued operation of the assigned Daniell Heights apartment not possible.

5. DETERMINE AT ITS DISCRETION that, due to past or current behavior and/or criminal activity on the part of the applicant, CONTRACT HOLDER, REGISTERED TENANT(S), DEPENDENT(S), GUEST(S) or other OCCUPANT(S), the University’s best interests would be best served if the applicant or OCCUPANT is not permitted to reside in University housing.

      B. Represent an immediate threat to property.
      C. Represent a violation of University regulations requiring action.
      D. Authorization to search premises and possessions under conditions not covered above may be granted only by the Director of Housing and Residential Life, the Dean of Students, or designated representative. An application must be made by authorized University staff, specifying the reasons for the search and the objects or information sought, prior to a search being conducted. A reasonable attempt will be made to provide the residents with an opportunity to be present during the search.
   7.6 The CONTRACT HOLDER or REGISTERED TENANT may request repairs during normal business hours by using the online repair request form. Non-urgent repairs are made during normal posted business hours, Monday through Friday, excluding semester breaks, University closures, and holidays.
