BIKE RACKS

Bikes must be removed from the racks by **Friday, November 18.**

Bike locks will be cut and bikes will be left unsecured after this date. This is necessary in order to move bike racks for snow removal. After the racks are moved, you may use them in the new locations.

You do **not** need to move bikes from: 1) the East McNair bike storage rack by the dining services loading dock, 2) the Wadsworth Hall bike storage by entrance 4 and the trash compactor behind the building, and 3) the bike storage area inside Hillside Place.

ENERGY & SECURITY

- Unplug any non-essential electrical equipment
- Clean out your refrigerator of perishable foods that may spoil during break
- Close and lock your windows
