

What is T2 and who can use it?

T2 is a \$200 incentive choice that is earned only by completing a health assessment online with BCBSM and having an annual physical in a calendar year. If both criteria are met, eligible employees may choose T2 as an incentive the following year.

- Funds may only be used at a participating Michigan Tech facility toward the purchase of a qualified wellness or fitness related program
- Funds may be used in conjunction with TechFit
- For employee use only (not for dependent use)
- T2 funds are awarded and available in March each year
- Unused T2 funds expire on December 31 of the same year
- You may view your TechFit and T2 balance in Banweb
- T2 is a taxable benefit
