AGREEMENT

This Agreement is made and entered into this 18th day of October, 2016, effective on October 1, 2016, between Michigan Technological University, hereinafter referred to as the University, and the Michigan Technological University Police Officers Association affiliated with Police Officers Association of Michigan, hereinafter referred to as the Association.

PURPOSE

The purpose of this Agreement is to set forth terms and conditions of employment, such as wages, hours, and working conditions; to establish the machinery for collective bargaining; and to promote orderly and peaceful labor relations between the University and its employees. To the above end, it is the intent of the parties to abide by the terms of this Agreement at all times.
SECTION 1
RECOGNITION AND SCOPE OF AGREEMENT

A. Recognition

The University recognizes the Association as the sole and exclusive representative for the purpose of collective bargaining with respect to rates of pay, wages, hours of employment, and other terms and conditions of employment of all those employees of the University included in the bargaining unit as found appropriate in Case No. R92 E-131 (full-time and part-time employees), excluding executive, administrative, professional, academic, and supervisory personnel; student employees; temporary employees; and those employees in other recognized bargaining units.

B. Bargaining Unit Work

1. The Association shall have sole collective bargaining jurisdiction over all work within each of the positions covered by this Agreement and members of the Association shall have the right to perform the duties and responsibilities for each position covered by this Agreement. It is recognized that certain duties which are the same or similar to that which is performed by employees in the bargaining unit has and may continue to be performed by individuals who are excluded from the bargaining unit.

2. Additionally, non-bargaining personnel may perform work in any of these positions temporarily, in emergencies, for special events, or for the purpose of training, but not on any regular or scheduled basis and such work should not eliminate an existing position covered by this agreement. It is understood that supervisory, administrative, and student employees will not be used to replace an existing bargaining unit employee on a permanent basis or deprive overtime opportunities for bargaining unit members.

C. Full and Part-time Employees.

For the purpose of this Agreement, a full-time employee is an employee who is normally scheduled to work an eighty (80) hour work period on a non-temporary basis. A part-time employee is an employee who is normally scheduled to work less than an eighty (80) hour work period on a non-temporary basis.

D. Amendment

This Agreement may be amended or supplemented only by further written agreement between the parties. A party desiring amendment or supplementation of this Agreement will notify the other party in writing, stating the substance of the amendment or supplement desired, but the other party will not be obligated to agree to any proposed amendment or supplement.
SECTION 2
MANAGEMENT RIGHTS

All management rights and functions, except those which are clearly and expressly abridged by this Agreement, shall remain vested exclusively in the University. It is expressly recognized, merely by way of illustration and not by way of limitation, that such rights and functions include but are not limited to (1) full and exclusive control of the management of the University, the supervision of all operations, the methods, processes, means, and personnel by which any and all work will be performed, the control of the property and the composition, assignment, direction, and determination of the size and type of its working forces; (2) the right to change or introduce new and improved operations, methods, processes, means, or facilities, and the right to determine whether and to what extent work shall be performed by employees; (3) the right to determine the work to be done and the standards to be met by employees covered by this Agreement; (4) the right to have affected employees tested when mandated by federal or state regulations; (5) the right to hire, establish and change work schedules, set hours of work, establish classifications, promote, demote, transfer, release, and lay off employees; and (6) the right to determine the qualifications of employees, and to suspend, discipline, and discharge employees for cause, and otherwise to maintain an orderly, effective, and efficient operation.

SECTION 3
CONFORMITY TO LAW

A. This Agreement is subject in all respects to the laws of the State of Michigan and the United States with regard to the powers, rights, duties, and obligations of the University, the Association, and employees in the Bargaining Unit.

B. In those instances where any state or federal law is contested, the provisions of that law shall be binding upon the parties until such time as a court of competent appellate jurisdiction declares it to be unconstitutional and of no legal effect.

C. In the event that any provisions of this Agreement shall at any time be held to be contrary to law by a court of competent jurisdiction from whose final judgment or decree no appeal has been taken within the time provided for doing so, such provision shall be void and inoperative. The parties shall meet for the purpose of rewriting directly affected provisions of this contract, and those provisions only. However, all other provisions of this Agreement shall continue in effect and such court determination shall not affect any other portion of this Agreement.

D. The parties to this contract share a commitment to equal opportunity and affirmative action. Should it become evident that particular provisions of the contract are preventing the successful implementation of the University's Affirmative Action Plan as it relates to the filling of vacancies in positions covered by this contract, the parties to this contract will meet to discuss and attempt to resolve these problems.

E. The Association and the University agree that the terms of this collective bargaining agreement shall be applied without regard to race, religion, color, national origin, age, sex, sexual orientation, gender identity, height, weight, genetic information, or marital status, disabled veteran status, veteran status, or disability.
SECTION 4
ASSOCIATION MEMBERSHIP

A. **Association Membership.** An employee may either voluntarily become or not become a member of the Association. Each employee in the Bargaining Unit, who has voluntarily become an Association member, on or before the 30th day after the effective date of this Agreement or on or before the 30th day after employment in the Bargaining Unit, whichever is later, and monthly thereafter, shall tender to the Association either periodic and uniformly required association dues.

B. **Negotiations.** The Association President and University Labor designee will determine the amount of release time necessary for the Association President to negotiate. Officers, who are scheduled to work during the hours of negotiations, are welcome to attend but will be on-call. The University will make reasonable efforts to hold contract negotiations at times when the employee committee members are not scheduled on duty or to rearrange the work schedule so as to have them off duty during such negotiations to avoid short shifts.

SECTION 5
CHECKOFF

A. The University, at the time of hire, rehire, reinstatement, or transfer of an employee into the Bargaining Unit who voluntarily becomes an Association member, shall apprise the prospective employee of this Section's provision and, if the employee voluntarily wants to become an Association member, shall present to him/her an application for membership and an authorization for check off of dues supplied by the Association. If the employee desires to join the Association, he/she shall complete both the application for membership and the authorization for check off of dues. The University shall forward these forms to the Association's financial officer.

B. During the life of this Agreement, the University agrees to deduct the membership dues from the pay of any employee who has voluntarily become an Association member and has completed a written dues check-off authorization form, in accordance with the authorization for check off of dues, and forward same to the Association's financial officer. The amounts to be deducted shall be certified to the University by the Association within fifteen (15) days after the execution of this Agreement. The University shall make the deductions in the amounts set forth until further notice from the Association.

C. The initial deduction for any employee who has voluntarily become an Association member shall not begin unless the withholding authorization and the certification of the Association's financial officer as to the amount of the deduction has been delivered to the University's Payroll Office. The University shall have no obligation to deduct or remit the dues of any employee whose withholding authorization reaches the Payroll Office after the payroll deadline, or who does not have sufficient compensation due on the last payroll date of any month to pay the dues with the Association.

D. All sums deducted by the University shall be remitted to the Association's financial officer on a timely basis once each month together with a list of current Association members showing the amount of association dues deducted for each Association member.
E. In cases where a deduction is made which duplicates a payment already made to the Association by an Association member, or where a deduction is not in conformity with the Association, refunds to the Association member shall be made by the Association.

F. The University shall not be liable to the Association by reason of this Section for the remittance or payment of any sum other than that constituting actual deductions made from the pay earned by the Association member.

G. The Association shall indemnify and hold harmless the University, its trustees, officers, and employees for any costs (including defense costs) resulting from claims, demands, suits, and other forms of liability by reasons of any action taken or not taken by the Association or by the University for the purpose of complying with this Section.

SECTION 6
COMMUNICATION

Employees shall be responsible to notify in writing the Office of Human Resources and the Association within ten (10) working days of changes in name, address, telephone number, marital status, and number of dependents. In the event that an employee fails to notify the University, the University shall use the most recent information on file. The University is not responsible to effectuate any increase or modification of any right, benefit or entitlement provided in this contract until such notice of change is received from the employee.

SECTION 7
REPRESENTATION

The Association will furnish the Human Resources Office with the names of its Officers, Steward and Members of its grievance committees, and such changes as may occur from time to time in such personnel, so that the University may at all times be advised as to the authority of the individual representatives of the Association with whom it may be dealing. The University will, in return, through the Human Resources Office, keep the Association advised as to its immediate Supervisors and Department Heads or their respective designated representatives for the purpose of processing grievances.

SECTION 8
SENIORITY

A. Bargaining Unit Seniority. An employee's bargaining unit seniority shall be the length of service with the University from the most recent date the employee was employed in the bargaining unit. All bargaining unit employees will be on one bargaining unit seniority list.

B. Seniority Report. The University will provide a seniority report to include: name, position and hourly wage rate, to the Union President on a bi-weekly basis. Any discrepancy in the bi-weekly seniority report will be subject to special conference and potential grievance procedure if unresolved.
C. **Probationary Employment Period.** Employees newly hired into the bargaining unit shall be considered as probationary employees for the first two hundred seventy (270) calendar days of continuous employment. The University may extend the probationary period up to five hundred forty (540) calendar days for part-time employees. If a probationary period is interrupted by an excused absence in excess of one week, the probationary period shall be extended by the length of the excused absence. An employee who successfully completes the probationary period shall be entitled to full bargaining unit seniority retroactive to the date of hire in the Bargaining Unit exclusive of such unpaid absence.

Current University employees newly hired into the bargaining unit who have successfully completed a probationary period, of at least two hundred seventy (270) calendar days, or five hundred forty (540) calendar days, as the case may be, shall not be required to serve another probationary period as provided in this Section but shall be granted seniority status at the first day of work in the bargaining unit.

If a probationary employee is the successful bidder for a vacant job, her/his bargaining unit seniority date will revert to original date of hire in the bargaining unit after new probation is successfully completed.

Probationary employees will be paid $1.00 per hour less than the entry level rate for that classification.

**SECTION 9**

**GRIEVANCE PROCEDURE**

A. A grievance under this Agreement is a dispute, claim or complaint arising under and during the term of this Agreement, and is limited to matters of interpretation or application of express provisions of the Agreement.

B. Both parties shall be responsible for any and all costs and out-of-pocket expenses incurred by the individual party.

C. Failure to appeal a decision within the specified time limits shall be deemed a withdrawal of the grievance and shall bar further action or appeal.

Failure to provide a written answer on the grievance within the specified time limits shall permit automatic advancement to the next step of this procedure within the time allotted had the decision been given.

Time limits may be extended by mutual written agreement of both parties.

D. The following shall be the grievance procedure (Working days shall mean Monday through Friday excluding Holidays, not the actual days worked by grievant):
**Step 1 (Verbal Step):**
Not later than seven (7) working days after occurrence, an employee shall inform the Director of Public Safety and Police Services or designee that he/she has a grievance concerning his/her employment.

The Director of Public Safety and Police Services or designee shall meet with the employee within the next three (3) working days for a discussion of the grievance in an attempt to resolve the matter.

If the aggrieved employee wishes, he/she may have his/her Steward or Union representative assist him/her in his/her oral presentation.

**Step 2 (1st Written Step):**
1. If the aggrieved employee does not receive a satisfactory answer from the Director of Public Safety and Police Services or designee within three (3) working days after his/her presentation, he/she may submit the grievance in written form to the Director of Public Safety and Police Services or designee, for a written decision.

   The submission must be made within five (5) working days following an unsatisfactory answer.

   If the aggrieved employee wishes, he/she may have his/her Steward or union representative assist him/her in the written presentation.

   The written grievance must specify
   1) the Section and Paragraph of the Agreement allegedly violated
   2) date of occurrence of each alleged violation
   3) manner of alleged violation, and
   4) the adjustment requested.

2. Upon receipt of the written grievance, the Director of Public Safety and Police Services or designee, shall set a place and time within seven (7) working days for a grievance hearing.

   If the aggrieved employee wishes, he/she may have his/her Steward or Union representative assist him/her at the grievance hearing.

   Whether or not his/her Steward or Union representative assists at the grievance hearing, the Steward and the President shall each receive a copy of the written decision.

**Step 3 (2nd Written Step):**
If the grievance is not resolved by step two, the Association will submit the grievance to the University Labor designee within three (3) working days after receiving the written answer from the Director of Public Safety and Police Services or designee.

The University Labor designee will within five (5) working days after receipt of the grievance, arrange to hold a meeting with the Grievant, Steward or Union representative, District Representative and President, and attempt to resolve the grievance.

The University Labor designee will provide a written answer within ten (10) working days from the day of the meeting.
**Step 4:**
If the grievant is not satisfied with the decision in Step 3, he/she may request that the grievance be determined by an arbitrator. Notification of this decision must be sent to the University Labor designee within ten (10) working days of receiving the answer from the University Labor designee or within ten (10) working days of when the answer from the University Labor designee was due.

**Step 5 - Arbitration:**
Any grievance which cannot be settled through the above procedures may be submitted to an arbitrator who shall be appointed from the staff of the Michigan Employment Relations Commission (MERC). The arbitrator appointed by the MERC shall meet with the parties at a mutually agreeable date to review the evidence and hear testimony relating to the grievance. Upon completion of the hearing, the arbitrator shall render a written decision to both parties which shall be final and binding except for judicial review. The arbitrator shall have no authority to add to or modify the terms of this Agreement.

**SECTION 10
DISCHARGE AND DISCIPLINE**

A. The University shall not discharge non-probationary employees or take other disciplinary action without reasonable cause.

B. In imposing discipline on a current charge, the University will not take into account any prior infractions which occurred more than two (2) years previously, except for cases involving OSHA safety violations in which prior infractions that occurred up to three (3) years previously may be taken into account.

C. An employee suspended and ordered to leave his/her work for disciplinary reasons, before leaving the University's premises, shall have the right to consult his/her Steward at a place and a reasonable length of time provided by the University. Exception may be made to this provision, with immediate action taken by the University to remove an employee from the premises in cases involving possession or use of illegal drugs, drunkenness, violence, willful destruction of property, and other such serious violations.

D. The University shall give the employee, with copies to the Association President and Steward written notice of any disciplinary action involving demotion, suspension, or discharge within two (2) working days (working days shall mean Monday through Friday excluding Holidays and not actual days worked) after such action.

E. Any complaint that the alleged breach of discipline was not, in fact, committed may be treated as a grievance if the complaint:

1. Concerns disciplinary action involving demotion, suspension, and discharge;

2. Is presented in writing within two (2) working days after receipt of the University's notification of the disciplinary action; and

3. Is presented directly in the Third Step of the grievance procedure.
F. Failure to submit a written grievance by the employee within the two (2) working day period constitutes a waiver of all claims concerning such disciplinary demotion, suspension, or discharge.

G. An official personnel file for each employee is maintained by the University. An employee may inspect the contents of his/her personnel file, or any extension thereof, during the University's normal business hours by filing a written request to the Office of Human Resources. Requests shall be honored within two (2) working days. The employee may designate in writing that he/she desires a representative of the Association to examine documents from his/her file and the representative of the Association shall be permitted to do so. An employee may request a copy of documents in his/her personnel file for the current established fee. The employee has a right to submit a response to any document placed in his/her file. Such a response shall be attached to and filed with the document placed in his/her file. Each employee shall have the right to place in his/her personnel file materials which attest to his/her proficiency and experience.

H. **Department Evaluations.** The employee evaluations program as identified by department policy will at no time be utilized in any respect as related to progressive discipline.

---

**SECTION 11**

**WORK DAY/WORK WEEK**

All members of the bargaining unit shall be compensated on an hourly basis and shall be on a non-exempt status in accordance with FLSA.

A. **Normal Work Day.** A normal work day for all regular full-time Public Safety Officers and Sergeants shall be eleven (11) to twelve (12) consecutive hours unless regularly scheduled otherwise. Under no circumstances shall an employee's shift be changed for disciplinary purposes. There will be no required split shifts.

B. **Normal Work/Pay Period.** A normal work/pay period for all regular full-time Public Safety Officers and Sergeants shall consist of a two week (14 day) cycle of eighty (80) hours with no more than eleven (11) to twelve (12) hours per day.

C. The bargaining unit shall designate one individual who shall then be charged with the responsibility of filling out and posting the monthly work schedule for patrol personnel, provided that this work schedule is approved by the Director of Public Safety or designee. Under no circumstances shall the individual so designated to fill out and post monthly schedules, schedule overtime except by approval of the Director of Public Safety or designee.

D. The normal workweek for the lieutenant shall consist of 5 days of forty (40) hours per week, the normal workday shall consist of eight (8) hours per day 5 days per week, Monday through Friday.

E. The normal work week for the lieutenant and detective sergeant shall consist of forty (40) hours per week.
F. Officers shall have eight (8) hours off between scheduled shifts. Should an officer be scheduled to work with less than eight (8) hours between the scheduled end of one shift and the scheduled start of the ensuing shift, the officer shall be compensated at one and one-half (1½) times his/her normal rate for the second shift.

SECTION 12
OVERTIME

A. Overtime premium shall be paid as follows:

1. Time and one-half the regular straight time rate will be paid for all time worked in excess of eight (8) to twelve (12) hours in an employee's workday.

2. Time and one-half the regular straight time rate will be paid for all such hours worked in excess of eighty (80) hours in an employee's work period; provided, however, that all hours paid at the overtime rate must be actual hours worked and not those recorded as sick leave, vacation, or a holiday. Hours recorded in excess of eighty (80) hours per work period as sick leave, vacation, or holiday pay will be paid at a straight time rate.

3. For the purpose of computing overtime pay for over eighty (80) hours in an employee's work period, a sick day or a vacation day for which he/she receives pay will be counted.

B. Overtime premium shall not be pyramided, compounded or paid twice for the same time worked.

C. In general, overtime work shall be voluntary, provided, however, when at least forty-eight hours advance notice of an overtime assignment is given, or when circumstances do not permit advance notice, an employee will be required to work unless sufficient other employees within the operational unit capable of doing the work are available, in which case an employee who does not wish to work will be excused from overtime.

D. Employees working overtime shall have the alternative to be paid for such overtime at the rate of one and one-half times the hourly rate for the number of hours of overtime worked, or compensatory time off at the rate of one and one-half times the number of hours worked.

E. Employees covered herein may change scheduled shifts with other employees, subject to the Director of Public Safety or designee's approval, provided that such change does not affect the orderly operation of the department.

F. Straight rate compensatory time off shall be granted to bargaining unit members who hold elected positions with campus organizations for attending meetings of such non-union, non-department organizations, for example Staff Council, etc.

G. Equalization of overtime hours shall be in accordance with the following provisions:

1. Overtime hours will be divided as equally as possible among employees in the same classification. The supervisor will record overtime for equalization purposes by classification and post this information monthly on the department bulletin board.
2. When overtime is required, the employee with the least number of overtime hours in that classification will be called first, and so on down the list, in an attempt to equalize the overtime hours. In this connection, the University need not call in an employee to work rather than extend the shift of an employee already at work.

3. In cases of emergency, the employer may call the most available employee regardless of equalization standings. Employees in other classifications may be called if there is a shortage of employees in the classification needed. In such cases they would be called on the basis of least hours of overtime in their classification provided they have the ability to do the work.

4. In any event, as the employer could be faced with having insufficient employees to perform necessary work during any given voluntary overtime period, it shall have the right without prior notice, to appoint the number of qualified employees required to work the overtime period on the basis of inverse seniority.

5. Time not worked because the employee does not choose to work will be charged against the employee’s overtime equalization record, such charge to be three (3) hours of the average number of overtime hours of the employees working during that call out or overtime period.

6. Employees who change classifications will be charged with the highest number of overtime hours that exist in the new classification on the day they are reclassified.

7. The University is not required to follow the equalization of overtime if the employee whose absence requires an overtime situation fails to notify the University twenty-four (24) hours in advance of their scheduled shift. When an employee cannot be contacted by telephone they will be considered unavailable.

8. If an employee is not called in for overtime work in accordance with this clause, he/she shall be given the next overtime available when that employee is available.

9. Excess overtime hours shall be reduced to zero (0) at the beginning of each fiscal year.

**H. Training School.** Overtime earned as a result of attending required in-service training, required school sessions or range-time outside the regularly scheduled work shift shall be paid at time and one-half (1/2) or compensated at time and one-half, at the employee's discretion. For all hours incurred at elected training, payment for hours over and above regularly scheduled hours shall be compensated at straight time, including travel. Meals and lodging as status quo per existing practice.

**SECTION 13**

**CALL BACK PAY**

An employee reporting for duty at the University's request for work which is outside of and not continuous with the employee's scheduled work period, shall be guaranteed three (3) hours pay at the rate of time and one-half. Employees are not entitled to shift differential for call back pay unless their regular schedule includes a shift differential premium.
SECTION 14
COURT PAY

All employees who report for Court duty during off-duty hours shall be compensated at the rate of one-and-one-half times the employee's hourly rate, the minimum of which shall be three (3) hours at time-and-one-half (1 1/2).

SECTION 15
LUNCH PERIOD

Public Safety Officers shall have a one-half (1/2) hour paid lunch period, and shall be subject to call during lunch period.

SECTION 16
WAGES/SHIFT DIFFERENTIAL

A. When an officer is required to work four (4) or more hours past 5:00 p.m., he/she shall receive the shift differential for all hours worked that shift.

   When an officer is rescheduled from a regularly scheduled shift in which the officer would have earned shift differential for hours worked, onto a day shift, that officer shall be entitled to the shift differential that he/she would normally have earned.

B. Hours worked from 5:00 p.m. to 6:00 a.m. receive a $.50 per hour shift differential.

C. For the duration of this contract, if any segment of the University's employees receives a wage increase or additional compensation across the board, the bargaining unit members will receive the same average percentage increase or compensation.

D. Effective October 1, 2016, each bargaining unit employee will receive a 30¢ (thirty cent) per hour wage increase.

SECTION 17
LONGEVITY

A. All bargaining unit employees who have non-exempt status and are in the active service of, or on approved leave of absence from, the University shall be eligible to receive longevity pay from Michigan Technological University according to the following rules and schedule of payment:

   1. Longevity pay shall be based on an employee's length of continuous full-time and part-time (prorated) status with the University.

   2. Each eligible employee shall receive the differential longevity amounts added to their wage rate according to the schedule below.

f. Repeat the two prior steps in consecutively lower pay levels.

5. If assignment based upon the appropriate option would result in a reduction from any term appointment (e.g. twelve (12), ten (10), nine (9)) month to a shorter term appointment or from a full-time to a part-time position, the employee may waive that option and either fill any vacancy at the next step or replace the next least senior employee at the next step so as to maintain the current appointment term or hours of work.

6. Unless the University and the Association mutually agree otherwise, any employee who is about to be laid off, except for one who has waived seniority rights and is or will be laid off, will replace a temporary employee, provided the employee has the current ability to satisfactorily perform the work of the temporary employee.

7. Employees scheduled for layoff shall respond to the designated option(s) within five (5) days of notification of such option(s), with the understanding that they will not be precluded from accepting a more appropriate option in accordance with steps (1) through (6) above, if a more appropriate option becomes available prior to implementation of the earlier declared option.

8. Employees who choose not to follow the above procedure will be considered to have voluntarily terminated their employment.

9. An employee designated to be taken out of a position as set forth in A. above shall be given thirty (30) days’ notice prior to assignment or layoff. The Association shall receive a copy of the notice on the same day the notice is given to the employee.

C. Work Opportunities for Laid Off Employees.

1. The University will, prior to employing new people in any department, give work opportunity to employees with seniority who are laid off at the time, subject to the laid off employees' current ability to satisfactorily perform the work available.

2. An employee who moves to a lower pay grade level as a result of the application of these procedures shall retain his/her rate of pay at the time of the reduction in grade level unless his/her rate is above the maximum of that grade. In the case where the rate is above the maximum, the employee's rate shall be reduced to the maximum.
D. **Top Seniority.**

The President or designee, Stewards, and members of the bargaining committee while actively engaged in negotiations, shall have top bargaining unit seniority to maintain active employment status only, provided they have the ability to satisfactorily perform the work of a position. Upon the expiration of their association terms of office, the above association officials shall revert to a position on the seniority list on the basis of their bargaining unit seniority.

**SECTION 19**

**RECALL**

A. When the work force is increased after a layoff, employees shall be recalled in the inverse order of their layoff, subject to the ability of the recalled employees to satisfactorily perform the work available. Recall rights shall continue for a period equal to the seniority the employee had acquired at the time of the layoff or two (2) years, whichever is shorter.

B. If an employee’s former position becomes available within a period of two (2) years or the length of the employee’s seniority, whichever is shorter, from the time of assignment to another position, the employee will be given one opportunity to return to that position. If the employee wishes to return, written notice must be given to the Human Resources Department within two (2) days of notice of the opportunity.

C. If an employee is returned to the former position or to a vacancy at the same pay grade level following a reduction of the work force, the employee will receive the former rate of pay plus any scheduled increase.

D. Employees recalled from layoff shall have their accrued bargaining unit seniority as of the effective date of recall and such accrued seniority shall include the period the employee was laid off.

E. A notice to report for work shall be sent to an employee by registered or certified mail to the last address the employee filed with the Office of Human Resources. In the event an employee fails to report for work within ten (10) working days from the date such notice is sent, the employee shall be considered to have quit unless he/she has a reasonable and valid excuse for his/her failure to report for work within the above ten (10) working days.

**SECTION 20**

**UNIFORMS**

A. The University shall provide each full-time employee and each part-time employee with a complete uniform and an annual maintenance allowance of six hundred dollars ($600.00) per year for full-time employees and a pro-rated amount per year for part-time employees. This uniform allowance shall be paid on a separate check, quarterly on January 1, April 1, July 1, and October 1. In the event that any of the quarterly dates fall on either a weekend or a holiday, such quarterly payments shall then be made on the day preceding either the weekend or holiday.
B. If at any time while in the performance of his/her duties an employee so damages, destroys, or loses any personal property or department-issued uniform items, the University will pay the total cost of such replacement or repair; provided, however, any damage, destruction or loss was not caused by negligence of the employee. Hospitalization coverage provides for payment of expenses as set forth in the plan, for emergency and hospital care including the use of operating rooms, delivery rooms, recovery rooms, and other services.

Surgical and medical coverage pays medical and surgical fees during hospitalization or emergency treatment, diagnostic laboratory, and x-ray cost. In addition to the health insurance, the University has agreed to provide group dental insurance benefits equivalent to or greater than those provided in the current dental insurance plan for eligible employees and their families. If an employee believes that the reasonable cost payment standard of either the Group Health or Dental Insurance Plan has not been met, the employee may appeal in accordance with the Procedure available through the Human Resources Department.

Employees terminating their employment at the University have the opportunity to continue their health insurance coverage under the C.O.B.R.A. plan. The monthly premium must be fully paid by the employee.

For those employees hired after June 30, 2006, and for the term of this Agreement, the University has agreed to continue to provide to all eligible employees and their eligible dependents, group health and dental insurance benefits equivalent to or greater than those provided to the comprehensive group medical insurance plan currently in effect.

For calculation purposes, the number of holiday hours in the pay period are multiplied by a fraction, the numerator being the number of hours worked in the pay period, excluding work on the holiday, and the denominator being eighty (80) hours minus the number of holiday hours in the pay period. To be qualified to receive holiday pay, the employee must work his/her last scheduled day prior to and his/her next scheduled day following the holiday, unless failure to work on either or both such days is excused because of; 1.) personal sickness or injury as provided in Section 26, 2.) approved vacation, or 3.) other extraordinary circumstances beyond the control of the employee which cannot be corrected in time for him/her to meet his/her employment obligation.

I. **Return from Leave.** An employee who takes a leave of absence for an approved period from a position that is to be held open until he/she returns shall be given a written communication by his/her immediate supervisor approving the leave, with the period of the leave specifically stated. The employee shall return as specified on the leave of absence form prepared at the time the University agreed to the leave. Failure to return from leave on the date specified will result in termination without prejudice. An employee for whom first interview opportunities are available shall contact Human Resources at least two (2) weeks prior to the expiration of a leave of absence in order to be a candidate for open positions. The University's obligation to place an employee shall cease when the employee has turned down two (2) interview opportunities or one (1) job offer for a comparable position. At that time, the employee will be terminated without prejudice.

An employee does not accumulate sick or vacation leave while on a leave of absence without pay.

Such continuation is subject to the provisions and limitations of the group benefits policies. In no event shall benefits continuation exceed one (1) year from the commencement of the initial leave of absence, except where mandated by applicable federal and/or state law. Upon return from the leave of absence, the employee shall contact the Benefits Office to re-enroll for benefits coverages. Benefits coverages are not automatically reinstated upon return from leave.

N. **Medical Dispute.** In the event of a dispute involving any employee's physical ability to perform his/her job or his/her fitness to return to work at the University and the employee is not satisfied with the determination of the physician or physicians designated by the University, he/she may submit a report from a physician of his/her own choosing and at his/her own expense. If the dispute still exists, at the request of the Association, the University through its designated physician and the employee's physician shall agree upon a third physician to submit a report to the University and the employee, and the decision of such third physician will be binding on both parties. The expense of the third physician shall be shared equally by the University and the employee.

O. **Leave for Non-Covered Position:** The Association and the Employer may, but are not required, to agree on circumstances under which persons who leave the bargaining unit covered by this Agreement, but remain in the employ of the Employer in some other capacity, may retain seniority rights upon their return to their original bargaining unit. The Association agrees that its members will faithfully discharge their responsibilities and during the life of this Agreement, that it will not cause or permit its members to cause, nor will any member of the Association take part in any strike, sit-down, stay-in, stoppage of work or other interference with or refusal to perform the duties assigned to them. The Association further agrees, in the event of any controversy between the University and any other group or organization or its members resulting or threatening to result in any strike, stoppage of work, or other interference with orderly operations, that its members will continue to report for duty, remain at their posts, and in the regular manner discharge the duties assigned to them. The University reserves the right to discipline (including discharge) any employee who violates his section, except where protected by law.

B. The University agrees it will conduct no lockout during the term of this Agreement.

SECTION 35
POSTING AND FILLING VACANCIES

A. Notice of Vacancy. Association position vacancies that occur and new positions established in the Association shall be posted. The opportunity to fill such posted vacancies and new positions will first be given to qualified bargaining unit members. The vacancy notice to be posted shall include the following:

1. Date of the posting.
2. Date the posting period expires.
3. Department where vacancy exists.
4. Classification.
5. Salary grade and range of compensation.
6. Basic function and responsibility.

B. Vacancy Specifications. The posted specifications for the position shall relate to the performance requirements of the position.

C. Posting Period and Procedure. A notice of any vacancy in the Association shall be listed on the campus-wide communication system or notification to each bargaining unit member and posted on University Bulletin Boards for a minimum period of five (5) working days. Human Resources will post entry level bargaining unit positions as open to Internal and External Candidates. Human Resources will maintain two separate lists, one for bargaining unit members and one for bidders who are external to the bargaining unit. All applicants on the bargaining unit list will be considered for the position first. The "External" list will be referred to only in the event that 1) no bargaining unit member applies, or 2) no bargaining unit member who applied is qualified. Bargaining unit members will be notified if they are not qualified. The external list will be kept confidential by Human Resources from the managers and will not be referred to until complete consideration is given to the bargaining unit membership.
D. **Application for Vacancies.**

1. A bargaining unit employee may bid for the posted position with the Human Resources Department. The Human Resources Department will notify all bargaining unit bidders within five (5) working days from the date the posting expires if they are not qualified for the position. Employees cannot successfully bid more than twice in any twelve (12) month period unless approved by the University. Upon request to the Human Resources Department, bidders who were not qualified for the position will be given the basis upon which the decision was made. A bid for a position shall not adversely affect an employee's status in their present position.

2. Each candidate is responsible for ensuring his/her application for a position vacancy accurately sets forth those job skills, experiences, training, and other qualifications he/she desires the University to consider in evaluating his/her candidacy.

3. An employee who is promoted or transferred will be given a reasonable period of time from ten (10) to twenty-five (25) actual days worked in the new position to demonstrate competent performance. During this period of time, the employee will receive a normal orientation. (Normal orientation means the usual or ordinary exposure to those aspects of the position that the employee could not or would not otherwise know, as distinguished from training or learning the basic or special skills needed for a position.) If competent performance is not demonstrated, the employee will be returned to his/her former position. He/she will receive his/her former rate plus any scheduled increase.

E. **Vacancy Interviews.** The University will not fill the position until all bargaining unit employees who have bid during the posting period and have been deemed qualified have been interviewed. A senior employee can be selected without less senior employees being interviewed.

F. **Seniority Application.** In the event two (2) or more bargaining unit employees are equally qualified for a vacancy and one of them is to be selected to fill the vacancy, the employee with the most bargaining unit seniority will be selected. If one or more bargaining unit employees and an applicant from outside the Unit are equally qualified and one of them is to be selected to fill the vacancy, the bargaining unit employee with the most seniority will be selected. Possession of the minimum posted qualifications is no assurance of hire. The University may consider the following in determining qualifications:

1. Job related interpersonal skills
2. Past records (no disciplinary record in excess of two (2) years) and references
3. Outside employment history
4. Any skills or education the employee desires the University to consider.

G. **Notification.** The successful applicant will be notified by the Human Resources Department of the position offer. All bargaining unit employees who were qualified bidders and not selected to fill the vacancy will be notified by the Human Resources Department within five (5) working days following the acceptance of the offer.

Upon request to the Human Resources Department, unsuccessful applicants will be told, in general terms, why they weren't selected and will be assisted on how they might improve their opportunity for advancement.
H. **Wage Calculation for Successful Applicants.** If the successful candidate accepting the position offer is an internal bargaining unit employee who has completed probation, and is changing classification, the new wage rate will be calculated by adding the difference between the new classification minimum and the former classification minimum to the bargaining unit employee’s current hourly rate.

If the successful candidate accepting the position offer is external to the bargaining unit, that candidate will receive the minimum hourly rate of the classification.

I. **Accelerated Grievance Procedure (Posting and Filling of Vacancies)**

1. The parties agree to accelerate the normal grievance procedure for grievances that arise under this Section as follows:

   **Step I.** When a potential grievance arises concerning the qualifications of an employee for a position or the selection of the successful applicant for a position, the union representative will inform the Human Resources Department of the potential grievance. The University will, within two (2) working days, schedule a meeting which will include a representative from Human Resources, the appropriate University supervisor, and steward under whose jurisdiction the potential grievance falls, to discuss the potential grievance and attempt to reach a resolution.

   **Step II.** If the potential grievance is not resolved at the Step I meeting, the Union will reduce such grievance to a formal written grievance within two (2) working days and submit it to the Human Resources Department. The written grievance will be a subject of discussion at the Step 3 meeting in accordance with the grievance procedures as outlined in Section 8.

2. All provisions of Section 8 following Step 3 remain in effect under this accelerated procedure.

**SECTION 36**

**MISCELLANEOUS**

A. **Public Safety Requirements.** All Public Safety Officers must be certified police officers of the State of Michigan or meet MCOLES standards.

B. **In-Service Training.** The Public Safety Department will take part in training updates, the same as other local departments. Updates are paid for with State 302 funds.

C. **CPR/AED Training.**

   1. CPR/AED training classes are mandatory for all Public Safety Officers. At the Department’s expense the Department will provide CPR/AED training classes for all officers, and the Department will keep all officers proficient in CPR/AED.

   2. CPR mouth protectors will be furnished to all officers at Department expense.
D. **Investigations.** The intent of this guarantee is to protect and preserve the rights of members of the Association in matters involving them and the University. These matters shall include investigation of misconduct involving investigation leading to criminal charges or violation of department policy, and the keeping of personal records.

Whenever a member is under investigation by this or any other investigative agency over which the University has authority, he/she shall have the following rights:

1. To be notified of the name and the official capacity, if any, of all persons present during any interrogation of the employee.

2. To be notified of the nature of the questioning before any questions are directed to him/her.

3. To have present another member of his/her choosing.

4. To have present another member or an attorney of his/her choosing, if the investigation or interrogation involves criminal charges, or if he/she is under arrest.

5. To refuse to answer any questions if any of the above rights are denied him/her.

6. To be notified if any conversation is being recorded by either party prior to the conversation.

7. Prior to any employee being charged or disciplinary action taken about any citizen complaint, the complainant shall present the complaint in writing to the Director of Public Safety. Said complaint shall be signed by the complainant.

E. The certified Field Training Officer training a new officer will receive one (1) hour of overtime per shift of training. The one (1) hour of overtime is to be used as one and one half hours (1.5) of compensatory time at the convenience of the department.

**SECTION 37**  
**COMPLETE AGREEMENT**

This contract represents the complete agreement between parties and supersedes any and all prior agreements, understandings, customs, and practices. This Agreement incorporates the entire understanding of the parties on all matters which were or could have been the subject of negotiation. During the term of this Agreement, neither party will be required to negotiate with respect to any such matters, whether or not covered by this Agreement and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement. This Agreement may be amended, modified, or supplemented only by a written document signed by authorized representatives of both parties. This specific language will not result in the denial of any current economic benefit enjoyed uniformly by bargaining unit employees without negotiations of the parties.
SECTION 38
TERMINATION OR MODIFICATION

A. This Agreement shall remain in full force and effect until 11:59 p.m., September 30, 2017.

B. After September 30, 2017, the contract shall automatically renew itself and continue in full force and effect from year to year unless written notice of election to terminate or modify any provision of this Agreement is given by one party and received by the other party at least 60 days prior to the termination date contained herein.

C. Notices provided for in paragraph A & B of this section shall be in writing and shall be sufficient if sent and addressed, if to the Association, to the Secretary-Treasurer of the Police Officer's Association with a copy to the Police Officer Association of Michigan (POAM), and if to the University, addressed to the University Labor designee, Michigan Technological University, or to any such address as the Association or the University may make available to each other.

Employees newly hired into the bargaining unit shall be considered as probationary employees for the first two hundred seventy (270) calendar days of continuous employment. The University may extend the probationary period up to five hundred forty (540) calendar days for part-time employees. If a probationary period is interrupted by an excused absence in excess of one week, the probationary period shall be extended by the length of the excused absence. An employee who successfully completes the probationary period shall be entitled to full bargaining unit seniority retroactive to the date of hire in the Bargaining Unit exclusive of such unpaid absence.

Current University employees newly hired into the bargaining unit who have successfully completed a probationary period, of at least two hundred seventy (270) calendar days, or five hundred forty (540) calendar days, as the case may be, shall not be required to serve another probationary period as provided in this Section but shall be granted seniority status at the first day of work in the bargaining unit.
