OFFICE OF INNOVATION  
AND INDUSTRY ENGAGEMENT  
eNEWSWIRE

Welcome to Michigan Technological University's **Office of Innovation and Industry Engagement (IIE) eNewswire**. This periodic briefing provides an update on University recruiting, research, licensing, and professional development news and programs of interest to industry stakeholders.

The mission of the IIE eNewswire is to create awareness of University programs and resources that will help companies and industry achieve their strategic goals. Together, through strong partnerships with industry, Michigan Tech students, faculty, and staff will create the future.

## Featured Partner

### GreenForces

GreenForces combines Michigan-based small company engineering, manufacturing, and testing know-how with university-based advanced research and development for the aerospace and defense industries. → [Read More...](#)
