University

Welcome to Michigan Technological University's Office of Innovation and Industry Engagement (IIE) eNewswire. This periodic briefing provides an update on University recruiting, research, licensing, and professional development news and programs of interest to industry stakeholders.

The mission of the IIE eNewswire is to create awareness of University programs and resources that will help companies and industry achieve their strategic goals. Together, through strong partnerships with industry, Michigan Tech students, faculty, and staff will create the future.

Featured Partner

BOSCH

Robert Bosch and the Bosch Community Fund have been consistent and valued partners for many years investing in a variety of programs and projects at Michigan Tech. Their most significant involvement has been in our pre-college outreach program, Mind Trekkers.

Featured Research

Be Aware: Cybersecurity

Remembering to lock your car doors isn't enough to protect it entirely. With new digital interfaces - and that slick Bluetooth connection - cyber-physical systems like modern cars and smart grids are increasingly vulnerable.

Featured Center

Happy 10th Anniversary, MTRI!

When the upstart Michigan Tech Research Institute opened in Ann Arbor 10 years ago, the headlines read: "There's a new university in town." It marked the launch of a stellar remote sensing research facility now known around the world.
