SELECTED READINGS ON LAKE SUPERIOR COPPER MINING
(alphabetical by author)

TNN 443.M5 B4r
* A history of the Calumet & Hecla Consolidated Mining Company, written by one of its lead engineers/executives.

QE 75.A1p Oversize
* Comprehensive federal study of the geology and mining of copper in Michigan's Keweenaw Peninsula carried out in the 1920's

HD 9506.U62 C5
Chaput, Donald. The Cliff: America's First Great Copper Mine. (Kalamazoo, 1971).
* Good analysis of early mining in the Keweenaw; includes many photographs and illustrations

TN 443.Z6 C621 1997
* History of the Copper Range Company, owner of the Baltic, Trimountain and Champion mines on the South Range

TN 443.M5 G2
* Scholarly appraisal of economic development of mining in the Michigan copper district, ties to east coast families and finance, and international copper markets

TN 443.A5 H93 1998
Hyde, Charles K. Copper For America: The United States Copper Industry from Colonial Times to the 1990s (Tucson: The University of Arizona Press, 1998)
* Recent scholarly study of copper industry in the United States. Includes good chapters on Michigan copper and provides a context for national and international developments in the copper industry.

F 572.K43 K73 1992
* Biographies of central figures in discovery and early development of the Keweenaw district
HD 9539.C7 U547 1997

  *Social history of the early days of the Keweenaw copper district, examining the daily lives of pioneers and miners

HD 9539 C7 U548 1991

  *Scholarly social and economic study, considered by many to be the "standard" history of the area

HD 9539.C72 Q54

  *History of the Quincy Mining Company

E 78.S87 M37 1999

  *Recent scholarly study of the prehistoric mining of copper along the Keweenaw Peninsula and Isle Royale. Written by a respected prehistoric archaeologist, the book also discusses how native copper was worked and traded throughout the North American continent.

TN 443.M5 M85

  *Quirky, non-scholarly history of copper mining in Michigan

TN 443.M5 R5

  *Seminal work by the nation's first mining historian

E 574.C2 T48
Thurner, Arthur W.  *Calumet Copper and People: History of a Michigan Mining Community* (Chicago: By the Author, 1974).

  *History of Calumet and the Calumet and Hecla Mining Company

HD 5325.M73 1913 T47

  *Good treatment on the district's most significant labor dispute

*Most recent scholarly social and economic history of the area

The Michigan Copper Country.

*Special issue of the Mineralogical Record (Volume 23, Number 2, March/April 1992) devoted to the history, geology and Mineralogy of the Keweenaw copper range.
