

Certificate in Design Engineering
(and Certificate Program Application to Graduate) CDE

The Certificate in Design Engineering prepares students specifically for a career path in design engineering.

Students must earn a grade of C or better in each course that is used to meet certificate requirements.

Name: _____
(as you would like it to appear on your certificate)

ID Number: _____ Projected Completion Date: _____

Address: _____
(certificate will be mailed to this address within 90 days of completion)

Course Requirements (25 credits)

____ MEEM 2500 Integrated Design and Manufacturing (4)

____ MEEM 4405 Introduction to the Finite Element Method (3)

____ MEEM 4991D Solid Modeling (6)

____ MEEM 4992D Vehicle Packaging (3) or MEEM 4994D Powertrain Packaging (3)

____ MEEM 4993D Design for Manufacturability (3)

____ MEEM 4900 or 4900D Senior Design Project I (3)

____ MY 2100 Introduction to Materials Science and Engineering (3)

Degree Services Validation Office Use Only
Date: _____
GPA for courses: _____
Total Credits: _____

Approved: _____ Date: _____
Extended University Programs
