

Michigan Tech University

Postdoctoral Research Fellowship Salary Range

The Vice President for Research Office has officially adjusted the Postdoctoral Research Fellowship salary range. The salary range of \$30,000 - \$50,000 was set by the university in December of 2002 and had not been adjusted since implementation. The new range effective February 1, 2007 is \$35,000.00 - \$55,000.00

Implementation of this change will affect only newly funded postdoctoral fellows.
