ARTICLE X – EXPANSION POLICY

Section I. Expansion Philosophy
In accordance with the North-American Interfraternity Conference’s Position on Open Expansion, the IFC at Michigan Technological University believes the best interests of higher education and of the fraternity movement are served through the establishment of new chapters that provide a fraternal experience for an increasing number of college men. Expansion gives men more choices; it brings new influence and direction to a campus fraternal community; it provides new leadership and renewed motivation. To that end, the Member Fraternities of the IFC:

A. Will not prohibit an inter/national organization from selecting undergraduates for the purpose of establishing a chapter on the campus; and

B. Will not deter expansion by withholding membership in the IFC for any inter/national member organization.

Section II. Expansion Processes
There are several routes for an expansion to occur, including:

A. Open Invitation to Colonize: In the event the IFC wishes to seek expansion opportunities, a formal invitation shall be sent to inter/national organizations requesting Letters of Intent. The IFC President shall contact the North-American Interfraternity Conference (NIC) for assistance with communicating with inter/national organizations. If multiple inter/national organizations submit Letters of Intent, the IFC President will coordinate with the inter/national organizations and the NIC to establish an agreeable timeline for expansion.

B. Inter/national Fraternity Colonization: If an inter/national fraternity petitions to join the IFC, a Letter of Intent shall be sent to the IFC President.

C. Student Interest Group Colonization: A group of enrolled students at Michigan Technological University may choose to form a chapter that is affiliated with an inter/national organization and may seek membership in the IFC as a result of that affiliation. The group of interested students shall submit a Letter of Intent that includes a Letter of Endorsement from the inter/national organization.

D. Re-Colonization: In the event an inter/national or local fraternity that is not currently recognized by Michigan Technological University, but has previously been recognized, wishes to seek expansion opportunities, they will be required to petition to join IFC. The group will be required to submit a Letter of Intent that includes a Letter of Endorsement confirming that they are not under any current Michigan Technological University conduct sanctions and or stipulations from the IFC Advisor.

1. This option for expansion requires the IFC to review and approve the need for expansion. The IFC President will lead this review with assistance from the IFC VP of Recruitment and IFC Advisor. The findings of this review will be presented to the IFC General Body for a vote to approve or deny expansion.
2. This is the only option that allows local fraternities expansion at Michigan Technological University. All other options require the affiliation with an inter/national organization.

Section III. Letter of Intent

A Letter of Intent shall consist of information pertinent to educating the fraternity community on the inter/national organization, including:

A. Overview of the Fraternity’s History, Mission, and Values;
   1. Including but not limited to: founding date, history with Michigan Technological University, current number of colonies, average chapter size, number of chapters closed in the last five years and reasons for closing, resources, and membership costs (new member, initiation fees, insurance, regular dues).

B. Summary of the Colonization Plan:
   1. Including but not limited to: outline of the colonization timeline, inter/national and/or local support, contact information, procedures, criteria for chartering (including financial and membership requirements), and housing expectations.

C. Review of Program Policies:
   1. Including but not limited to: position on risk management, hazing, new member program, minimum standards, scholarship, and community service.

D. Statement of agreement with the Minimum Expectations as stated in Article III, Section III and the NIC Standards as stated in Article III, Section VI of the IFC Constitution.

Upon receipt of the Letter of Intent, the IFC President shall notify the IFC General Body of the inter/national fraternity’s intent and the process by which the inter/national organization intends to colonize. Following NIC Standards, the IFC General Body shall grant the organization Associate Membership.

Section IV. Granting of Associate Member Status

Associate Membership grants the Member Fraternity all rights, privileges, and responsibilities under the IFC Constitution and By-Laws, except that it does not have voting privileges, cannot hold IFC Executive Board positions, nor have an IFC Judicial Committee Justice.

Section V. Granting of Full Member Status

Upon proof of chartering with its inter/national organization, the Associate Member Fraternity shall become a full member of the IFC with all rights privileges and responsibilities under the IFC Constitution and Bylaws.
ARTICLE XI – RECRUITMENT POLICY

Section I. Recruitment Philosophy
The IFC supports open recruitment and believes a man shall be free to join a Member Fraternity at a time that is mutually beneficial to both himself and the Member Fraternity. E. In support of the National Panhellenic Conference’s Unanimous Agreement X that supports each College Panhellenic denouncing the participation of undergraduate Panhellenic women in men’s recruitment.

Section VI. Bidding
Each Member Fraternity shall reserve the right to extend or retract a bid utilizing a process and timeline as determined by that Member Fraternity.

A Member Fraternity may only extend a bid to a Potential New Member who has completed
the Fraternity Release Authorization on BanWeb and confirmed their academic eligibility with the IFC Advisor.

Each Potential New Member shall reserve the right to accept or decline any bid at any time without any penalty or pressure placed upon the Potential New Member.

**Section VII. Report of New Members**

Each Member Fraternity shall submit a New Member registration form to the Student Activities Office within one week of pledging any New Member. They shall also add them to their Involvement Link Roster as a New Member in the same timeframe.

**Section VIII. New Member Disassociation / De-pledging**

A New Member shall reserve the right to disassociate / de-pledge from the new member process of any Member Fraternity at any time and may accept a bid from another Member Fraternity at any time following that disassociation / de-pledging.

Each Member Fraternity shall submit an updated New Member Roster to the IFC Vice President of Recruitment within one week of any New Member disassociating / de-pledging.

**Section IX. Comity**

No Member Fraternity shall initiate communication with a New Member or Member of another Member Fraternity about disassociation / de-pledging in order to become a New Member or Member of their own Member Fraternity.
