Good Morning,

New this year, you don’t have to wait in line at Transportation Services to pick up your 2015 parking permit. We are offering a couple of different options for you to choose from.

Parking Option Through Open Enrollment:

- If you want to continue the same parking deduction you have for 2014 and don’t make any parking permit changes during open enrollment, you will need to log in at https://mtuparking.t2hosted.com/cmn/auth.aspx and select the permit you are purchasing. There will be an entry with $0.00 and description of ‘payroll deduction’ for the red faculty/staff permit; this is the one that you want to select. From there, you can edit/delete/add any vehicle registrations that you want associated with your 2015 parking permit. Once this is completed and you check out, we will send your red faculty/staff permit to your campus address via campus mail.
- If you’re a new employee signing up for payroll deduction options through open enrollment or making changes to your current open enrollment options, you will need to log on at https://mtuparking.t2hosted.com/cmn/auth.aspx and select the permit you are purchasing. There will be an entry with $0.00 and description of ‘payroll deduction’ for the red faculty/staff permit; this is the one that you want to select. From there, you can edit/delete/add any vehicle registrations that you want associated with your 2015 parking permit. Once this is completed and you check out, we will send your red faculty/staff permit to your campus address via campus mail.

Other Payment Options:

- If you want to pay in person, you can go to the Cashier’s Office/Transportation Services with your current vehicle registration and picture ID and use cash, check or credit card (Visa, MasterCard and Discoverer).
- If you prefer to pay online, you can go to https://mtuparking.t2hosted.com/cmn/auth.aspx and either select the $20.00 general permit or the $125.00 red faculty/staff permit, edit/delete/add any vehicle registrations and pay by credit card when you check out.

If you have any questions, concerns or you would like to pick up your permit instead of having it sent through campus mail, please contact Transportation Services at 487-1441 or see our website at https://www.mtu.edu/facilities/parking/registration-assignments/community/.

Sincerely,

Angela Kolehmainen
