Congratulations on your acceptance! Whether you’re set on Michigan Tech or still deciding, this guide covers what you need to do next as you make your college decision.

Look inside for helpful tips, dates, deadlines, and contact info. Welcome to Michigan Tech!
Fall Semester 2020

August 31, Monday  Instruction begins
September 7, Monday  Labor Day Recess
September 11, Friday Noon  K-Day recess, one day only
September 14, Monday  Classes resume
November 20, Friday 10 PM  Thanksgiving recess begins
November 30, Monday  Classes resume
December 11, Friday  Last day of regular classes
December 14, Monday–December 18, Friday  Final exam period
December 18, Friday  Fall Semester ends
December 19, Saturday  Midyear Commencement

Spring Semester 2021

January 11, Monday  Instruction begins
January 18, Monday  Martin Luther King Jr. Day recess, one day only
February 3, Wednesday 10 PM  Winter Carnival recess begins
February 8, Monday  Classes resume
March 5, Friday 10 PM  Spring Break begins
March 15, Monday  Classes resume
April 23, Friday  Last day of regular classes
April 26, Monday–April 30, Friday  Final exam period
April 30, Friday  Spring Semester ends
May 1, Saturday  Commencement

Summer Semester 2021

May 10, Monday  Full Session begins
May 10, Monday  Session A begins
May 31, Monday  Memorial Day recess
June 1, Tuesday  Classes resume
June 24, Thursday  Session A ends
June 25, Friday  Session A exam period
June 28, Monday  Session B begins
July 5, Monday  Independence Day recess, one day only
July 6, Tuesday  Classes resume
August 12, Thursday  Session B ends
August 12, Thursday  Full Session ends
August 13, Friday  Full Session, Session B exam period

The First Steps

Visit Campus
Campus tours are offered every Monday through Friday at 8:30 am and 12:30 pm (Eastern). While you’re here, meet with a representative from your intended area of study. On select days during the academic year, you can also stay overnight for free in a residence hall with a student host (a two-week notice is required).

Plan your visit online at mtu.edu/admissions/visit or call us at 888-688-1885.

Save the date for Preview Day—Saturday, March 28, 2020. It’s a day just for students accepted to Michigan Tech! Preview Day is more than a campus tour; it’s chock-full of information sessions on housing and residence life, scholarships and financial aid, international opportunities, what to expect in the classroom, and more. See mtu.edu/previewday for more information.

Log on to MyMichiganTech
As an accepted student, you now have access to MyMichiganTech, your personalized Michigan Tech website. Log on to view your enrollment checklist—a list of tasks to complete and information you’ll need to know:

• Apply for on-campus housing and check the status of your residence hall application.
• Access your Michigan Tech email.
• View and accept scholarships and financial aid you’ve been awarded.
• Access course placement assessments for math and computer science (if applicable).
• View your class schedule when it’s available.
• Upload your HuskyCard photo.
• Grant guest access for up to four people to view your bill, transcript, class schedule, and other important student record information.

Log on at mymichigantech.mtu.edu. You’ll need the username and password provided on the Account Details sheet included in your acceptance packet. Select the Change Password icon to set your official Michigan Tech password. You’ll use this password to access MyMichiganTech and other campus computing resources, including your Michigan Tech email account.

For more information, contact the Admissions Office at mtu4u@mtu.edu or call 888-688-1885.

Join the Facebook Group for Accepted Students
Make new friends, ask questions, and get the latest information—join our group for accepted students at facebook.com/groups/MichiganTech2020. Haven’t decided yet? Connecting with other accepted students in the group is a great way to help finalize your decision.

Follow Michigan Tech

Enrollment Deposit
Your enrollment deposit has been received! If you’ve been accepted for the Summer or Fall semester and your plans change, your enrollment deposit is fully refundable if you notify the Admissions Office by May 1 that you do not plan to enroll.

Changing Your Major
If you decide prior to enrolling at Michigan Tech that you would like to change your major from the program you selected on your application for admission, email mtu4u@mtu.edu or call 888-688-1885 to indicate the major you would like to change to. Your application will be reviewed to determine if you meet admissions requirements for the new program. To change your major after you enroll you will work directly with your academic advisor to request changes to your program of study.

Declining your Acceptance
If you decide not to enroll at Michigan Tech, email mtu4u@mtu.edu or call 888-688-1885 to let us know. Your notification will cancel your application, refund your $100 enrollment deposit (if canceled prior to May 1), and cancel your housing application (if applicable). Any scholarships or financial aid awarded to you will also be cancelled. In addition, you will stop receiving notifications and reminders from the University.

Financing Your Michigan Tech Education

Paying for college is a big deal. Financing your education is made possible by four types of funding sources:

- Scholarships
- Grants
- Loans
- Employment

To be considered for the most opportunities, start by filing your Free Application for Federal Student Aid (FAFSA).

Complete Your FAFSA

To be considered for all University-awarded financial aid, including grants, loans (for students and parents/guardians), work-study employment, and other aid, complete your FAFSA. File online at fafsa.gov. Our federal school code is 002292. Although your social security number was not required when you applied for admission to Michigan Tech, it is required for FAFSA filing purposes. To avoid delays in processing your FAFSA, please call the Admissions Office at 888-688-1885 to provide your social security number.

File by the due dates listed below for the best opportunities. FAFSAs processed after these dates will receive consideration for remaining aid.

FAFSA Dates to Remember

If you’ve already filed a FAFSA, but did not have the results sent to Michigan Tech, visit fafsa.gov or call 800-433-3243 to have the results released to us.

Scholarships

Michigan Tech offers merit-based scholarships for both first-year and transfer students.

First-year students

With your acceptance to Michigan Tech, you’ll automatically be considered for merit-based scholarships. Michigan residents are eligible for Presidential Scholars Program awards, and non-Michigan residents are eligible for National Scholars Program awards. Also, start checking with your high school guidance office, community foundations, parents/guardians’ place of employment, and other outside sources for additional scholarship opportunities.

The following competitive scholarships require additional application materials. Some deadlines are as early as October 15:

- Leading Scholar Award—October 15
- FIRST Robotics Scholarship—November 15
- Summer Youth Scholars—November 15
- School of Business and Economics Impact Scholarship—December 8
- Visual and Performing Arts Talent Award—April 1

Transfer students

Both Michigan and non-Michigan residents are eligible for transfer scholarships. Non-Michigan residents are eligible for transfer awards through the National Scholars Program, and Michigan residents are eligible for the Michigan Tech Transfer Scholarship. In both cases, you’re automatically considered for these awards.

Visit mtu.edu/admissions/tuition/scholarships for a full list of scholarships and deadlines.

Your Financial Aid Award Letter

If you are awarded financial assistance as a result of completing the FAFSA, you will receive a financial aid award letter that includes the following detailed information:

- Amount of merit- and need-based aid awarded
- Estimated annual cost of attendance for the upcoming school year
- Financial aid deadlines and information
- Information about how to accept your awards and the terms and conditions of your financial aid

Employment

Regardless of when you start at Michigan Tech, you’ll find many opportunities for student employment. Even if you don’t qualify for work-study (as a result of your FAFSA/Expected Family Contribution), many departments on campus hire students for part-time jobs. On average, 2,000 students are employed on campus. Off-campus employment opportunities are also available. Visit mtu.edu/admissions/tuition/employment for details.

Cost of Attendance

Your cost of attendance is an estimate of your annual expenses, including tuition, fees, room and board, books and supplies, and personal needs and travel. Visit mtu.edu/admissions/tuition/calculator to get an estimate of your net cost after financial aid and scholarships. See estimated undergraduate student expenses on page 5.

Student Tuition and Your Bill

Your bill will be available online through MyMichiganTech. Some students may receive a second bill, which will be available during the third week of each semester and will reflect any changes in financial aid, housing, and/or course adjustments made (additions or drops). It is possible to use financial aid to help pay for your books; details will be in your Financial Aid Award Letter.

Payment Options

Michigan Tech offers several options for paying your bill:

- Check or money order
- Credit card (online)
- Installment Prepayment Plan
- Five- or Four-Payment Plan

For more information, visit mtu.edu/student-billing or contact the Student Financial Services Center at 906-487-2622 or finaid@mtu.edu.

1. Students taking 12 to 18 credits per semester are charged the per-credit rate listed above. Students taking fewer than 12 credits will be charged a per-credit basis (resident: $397, non-resident: $1,292). This per-credit price also applies to any credit taken over 18 credits. Students attending summer semester will be charged the per-credit rate.
2. Students who have earned 60 or more credits, including transfer credit, credit earned through early college or dual enrollment, or AP/IB, or CLEP will be charged per-credit tuition. For details, see mtu.edu/financial-aid/financial-aid-sources.
3. Tuition is charged on a per-credit basis (resident: $114, non-resident: $3,056). Fall and Spring Experience Tech Fee—$90 (not assessed in summer).
4. Room and board rates vary, depending on hall assignment and meal plan selection. See options at mtu.edu/housing/applications/policies/room-rates.
5. The loan origination fee estimated above is only charged to those students receiving federal direct loans.
6. Tuition, fees, and room and board are payable each semester.

Tuition, fees, and room and board are payable each semester.
Apply for Housing

All single students, apart from transfer or commuting students living with a parent/guardian, must live on campus during their first year at the University. Students receiving merit-based scholarships through the Presidential Scholars, National Scholars, or Leading Scholar programs are required to live in University Housing for their first two academic years.

Apply early for housing by completing and submitting your residence hall application. The residence hall application is available via mtu.edu/housing. Apply early for housing by completing and submitting your residence hall application. The residence hall application is available via mtu.edu/housing. Visit mtu.edu/housing to apply for an apartment or gather more information. You can also contact the Housing Office at 906-487-2682 or housing@mtu.edu.

Residence Halls

You may choose to live in one of three residence halls. Each has its own study lounge, gym room, kitchenettes, sauna, laundry facility, fitness room, recreation desk, lounges, and student and professional staff.

• Douglass Houghton Hall (DHH), our smallest residence hall, houses about 375 students. This three-story historic building was constructed in the late 1930s and characterizes that time period with its beautiful architectural details.

• McNair Hall has a great view of the Keweenaw Waterway and consists of three buildings, housing about 800 students.

• Wadsworth Hall (Wads) is the largest hall—one-quarter-mile long, five stories high, and home to approximately 1,050 students. In addition to a vibrant residence hall community, Wads offers the Campus Café, a convenient place to meet friends, relax away from your dorm, and enjoy late-night dining and snacking options.

Choose a Roommate (Fall Semester Only)

Once you submit your residence hall application, you will be invited to select your roommate(s). You may choose not to live with a roommate if you do not wish to, but you will be assigned a roommate. If you choose not to use this program, we will assign you a roommate. Please note: Students enrolling for spring or summer semesters are not eligible for Roommate Matching.

On August 1, you’ll receive notification of your hall, room, and roommate assignment. New students submitting their housing materials after August 1 will receive their housing hall assignment when they arrive on campus.

For more information, visit mtu.edu/housing or contact Residence Education and Housing Services at 906-487-2682 or housing@mtu.edu.

Michigan Tech Apartments

• Hillside Place offers a hybrid residential experience to upper division and graduate students. Each furnished apartment contains four bedrooms, two bathrooms, and a living space with panoramic views. All utilities are included with the exception of phone service, and you’ll enjoy a fully equipped kitchen, with electric range, microwave, and full-size refrigerator, as well as laundry facilities, study lounges, a fitness center, and more.

• Daniell Heights Apartments offer one- or two-bedroom units for students with families, graduate students, and undergraduates who are 21 and older. Utilities are included with the exception of phone service. Apartments are furnished, including stoves and refrigerators, and each building features laundry facilities.

Visit mtu.edu/housing to apply for an apartment or gather more information. You can also contact the Housing Office at 906-487-2682 or housing@mtu.edu.

Residence Halls Dining Services

Our meal plan provides unlimited access to all residential dining halls. There is no limit to the number of times you may enter a dining hall to eat a meal or stop in for a snack or drink. You may use your meal plan in any of the residential dining halls. Meal hours are posted throughout the halls. In the case of a class, lab, or work schedule conflict, arrangements can be made to pick up a meal.

Dining Services offers a variety of entrees at each meal, including vegetarian options; salad, deli, and pasta bars; and stir fry, pizza, dessert, ice cream, waffle, and beverage stations. If you have an allergy or other dietary need, let the Dining Services staff know—we will work with you to provide the food you need.

Dining Dollars

Dining Dollars add flexibility to your meal plan. They are included in the meal plan and allow you to eat at convenient times and locations. Dining Dollars are accepted at multiple campus and vendor food locations.

Unused Dining Dollars are transferable from fall to spring semester; however, any Dining Dollars not used by the end of spring semester are nonrefundable.

For more information, visit mtu.edu/dining or email Dining Services at campus-dining-10@mtu.edu.

Register for Residential Parking

If you will be living on campus and you decide to bring a vehicle, please register your vehicle with Transportation Services. You may register your vehicle and obtain your parking permit by visiting the Michigan Tech Parking Portal on the Transportation Services website, or you may come see us in person at the Transportation Services office in room 100 of the Administration Building. Permits are also available for motorcycles, scooters, and snowmobiles. Please note that winter storage is not available on campus.

For full details, visit mtu.edu/transportation, or contact Transportation Services at 906-487-1441, or email us at parking@mtu.edu. We look forward to assisting you with your parking needs.

Commuting and Off-Campus Living

If you are a Michigan Tech student from the local area, you may choose to live at home with your parent/guardian. All of the same resources and opportunities are available to students who commute to campus, and we encourage you to take advantage of them and get involved.

Before Orientation, commuter students will receive communication about connecting with staff and getting their questions answered. Students can always email success@mtu.edu with any questions or concerns they may have prior to the start of the semester. As part of fall Orientation, plan to attend the Commuter Orientation Session. Don’t miss this opportunity to meet fellow commuters and to begin to get connected and involved.

Commuter Meal Plans

Meal options are available for commuter students if you would like to eat in the residential dining halls, or if you prefer eating in retail dining operations like North Coast Deli and Grill and Campus Café.

The Top Dog Express Meal Plan can be purchased in blocks of 10, 25, 50, or 75 meals. The more meals you purchase, the less you pay per meal. This plan can be used in any residential dining hall (DHH, McNair, or Wadsworth) and features all-you-care-to-eat, buffet-style dining.

Cash Express is a debit card program and is available as a feature of your ID card. It operates like a no-interest checking account. By opening an account, you can use your ID at campus locations, including:

• Campus Store
• University Images
• North Coast Deli and Grill
• Memorial Union
• Campus Café
• Central Ticket Office
• Fusion
• Mont Ripley and the Husky Café

Both options can be purchased at the HuskyCard service area in the Van Pelt and Opie Library. Visit mtu.edu/dining/about/meal-plans for more information.

Register for Commuter Parking

If you will commute to campus, please register your vehicle with Transportation Services before classes begin. You may register your vehicle by visiting the Michigan Tech Parking Portal on the Transportation Services website, or you may come see us in person at the Transportation Services office in room 100 of the Administration Building. Once your vehicle is registered you have the option of purchasing a Commuter Parking Permit or you may pay to park at metered/visitor parking when on campus. Permits are also available for motorcycles, scooters, and snowmobiles. Please note that winter storage is not available on campus.

For full details, visit mtu.edu/transportation, contact Transportation Services at 906-487-1441, or email us at parking@mtu.edu. We look forward to assisting you with your parking needs.

Housing

Whether you’re looking for low-maintenance campus living geared toward older students, a home for you and your family, or a place that gets you off campus and into the community, you’ll find plenty of options.

• Daniell Heights Apartments offer on-campus living options for upper division and graduate students. Apartments are fully furnished and include all utilities with the exception of phone service. Visit mtu.edu/housing for details.

• For information about off-campus housing, including a list of available properties, check out the off-campus housing list at usg.mtu.edu/usg/housing, or contact the Undergraduate Student Government at 906-487-2406 or usg@mtu.edu.

If you completed college-level courses during high school, showing your final grades and graduation date.

To be considered official, a transcript must be sent directly to Michigan Tech by the institution issuing the transcript, or from a transcript service such as Parchment. Transcripts stamped "issued to

Michigan Tech offers placement tests to ensure you are beginning your coursework at the right level.

Placement in an appropriate initial math course is crucial to your success at Michigan Tech. Our goal is to place you into the course that will provide the best opportunity to complete your degree in four years.

Starting in a math course that is too low may increase your time to graduation. But starting in a course that is too advanced could mean frustration, difficulty understanding important concepts, or re-taking courses and increasing your time to graduation.

You will be placed in your first math course based on the highest of the following:

1. Your highest math ACT or math SAT score, or
2. AP Calculus credit (AB or BC)—if you send your scores, we will receive them in early July (just sit tight until then), or
3. College transfer credit for College Algebra or higher—note, high school level classes called precalculus or calculus do not count unless they also appear on a college transcript, or
4. ALEKS Math Placement Assessment score—you have 5 attempts included with the ALEKS.

Only students without 1, 2, or 3 above must take ALEKS.

Does everyone need to take the ALEKS Math Placement Assessment? Not necessarily. Depending on where you place based on your recommended first math course, you may or may not need to take ALEKS. If you ultimately place below your recommended first math course, we strongly recommend you take ALEKS to challenge your placement.

We realize that some students will feel they have not been placed into the correct course. If you wish to challenge your placement, you may choose to take the online ALEKS placement exam. If you choose to take this test, you waive the initial placement and will be placed according to the ALEKS test results. You can be placed in a lower course, and this result is not challengeable.

ALEKS is available starting May 1.

Visit mtu.edu/math/placement for more information and to see the recommended first math course for your major.

Submit AP, IB, or CLEP Scores

First-year students

Your scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) may earn you credit or placement. Scores must be sent directly from the testing agency. Go to mtu.edu/admissions/apply/ap IB-clep to see a list of scores needed to receive Michigan Tech credit.

Transfer students

If you received college credit at your previous institution for AP, IB, or CLEP examinations, your test scores must be sent to Michigan Tech directly from the testing agency. For a list of scores needed to receive Michigan Tech credit, visit mtu.edu/admissions/apply/ap IB-clep.

Course Placement

Michigan Tech offers placement tests to ensure you are beginning your coursework at the right level.

Math Placement Assessment in June to determine which introductory computer science course is best for you. Visit mtu.edu/cs/undergraduate/placement for details about this online test.

Scheduling Classes

First-year students enrolling in the spring or summer semester: Your schedule will be created by the Registrar’s Office based on your major, ALEKS Math Placement Assessment score, AP/IB/CLEP score(s), and transfer credits received.

Transfer students with fewer than 30 credits enrolling in any semester: Your academic advisor will contact you with course recommendations prior to registration. You will be able to schedule your classes through MyMichiganTech, by calling the Registrar’s Office at 906-487-2319 or schedule@mtu.edu.

Get Your Books

Once you receive your course schedule, you may order your books online via bookstore.mtu.edu prior to the start of the semester. After you place your order, your books will be available for pickup when you arrive on campus.

First-year students and transfer students with fewer than 30 credits enrolling in the fall semester: Your schedule will be prepared for you by the Registrar’s Office in mid-July. Engineering students are scheduled into cohorts (groups of students who take the same courses together) based on your ALEKS or AP score(s) and any transfer credit received. Be sure to review the recommendations on page 8 regarding the ALEKS Math Placement Assessment. Completing your assessment by the deadline will allow you to have the most complete schedule possible and will ensure you’re placed in the best course for you—possibly avoiding unnecessary coursework and tuition.

Your initial schedule may not reflect full-time status (12 credits or more), but all first-year students are billed as full time, making you eligible for financial aid. Any adjustments to your bill will be made in August. During Orientation, you will be able to add other courses (co-curricular courses, general education, electives) to complete your fall schedule or make changes after consulting with your academic advisor. Changes may also be made by contacting the Registrar’s Office at 906-487-2319 or schedule@mtu.edu.

Transfer students with more than 30 credits enrolling in any semester:

Your academic advisor will contact you with course recommendations prior to registration. You will be able to schedule your classes through MyMichiganTech, by calling the Registrar’s Office at 906-487-2319, or by contacting your advisor.

Transfer students and more than 30 credits enrolling in any semester: Your academic advisor will contact you with course recommendations prior to registration. You will be able to schedule your classes through MyMichiganTech, by calling the Registrar’s Office at 906-487-2319, or by contacting your advisor.
Healthy Living

You need to be healthy and happy to get the most out of your college experience. If you find yourself under the weather or in need of help, there are resources available to you.

Wellness, Relationships, and Responsible Behavior

All new students are required to complete an online educational program around responsible behavior with regard to substance use and relationships. The course promotes a healthier and safer campus environment for everyone. Watch your Michigan Tech email account in August for the information you’ll need to start the course.

Health Services

Students have access to multiple healthcare providers and services in the Houghton and Hancock area. For more information on healthcare providers and resources, please visit mtu.edu/deanofstudents/students/services/local-resources.

Flu shot clinics will be held during the fall semester on Michigan Tech’s campus, with services provided by UP Health System Portage. NOTE: A fee is charged for flu shots, and a waiver can be provided to receive reimbursement from your insurance company. For dates, locations, or questions, please email wellness@mtu.edu. For more information on Student Health Services, please visit mtu.edu/deanofstudents/students/services/immunizations.

Immunizations

Michigan Tech highly recommends students have the following vaccinations before arriving on campus. If you are not sure about your vaccination status, please contact your healthcare provider or local health department. For more information on Michigan Tech’s Immunization recommendations, please visit mtu.edu/deanofstudents/students/services/immunizations.

- Meningococcal Quadrivalent (A, C, Y, W-135)
- Serogroup B Meningococcal
- Tetanus/Diphtheria/Pertussis
- Measles-Mumps-Rubella (MMR)
- Chickenpox (Varicella)
- Hepatitis A
- Hepatitis B
- HPV-Human Papillomavirus (all genders)
- Influenza (Flu)
- Polio

Chronic Medical Conditions

Students with chronic medical conditions should register with Student Disability Services in the Waino Wahtera Center for Student Success in case they require support during the semester. Visit mtu.edu/deanofstudents/disability/students/policy for more information, or call 906-487-3558.

Student Insurance

We recommend all students have health insurance coverage while attending Michigan Tech. However, all international and graduate students must have insurance, and domestic students may purchase insurance through the University if they desire.

The Student Insurance Office at Michigan Tech offers health insurance to currently enrolled students, covering preventative services, basic medical care, and hospitalization.

For more information, visit mtu.edu/hr/students/insurance or contact us at 906-487-1088 or studentsinsurance@mtu.edu.

Save the Date for Orientation

All new students attend Orientation prior to beginning classes at Michigan Tech. Orientation is designed to acquaint you with campus resources, inform you of important information about academic and co-curricular opportunities, and help you to meet fellow new students, current student techs, and faculty and staff members.

Participation in Orientation is required for all new students, whether you are living on or off campus, so mark your calendar now and save the date. There are also Orientation programs for parents and family during Move-In Weekend, including Sibling Orientation.

Orientation and Your Husky Card

Your first day of class will be here before you know it—prepare for your arrival on campus by familiarizing yourself with the Waino Wahtera Center for Student Success, submitting a photo for your HuskyCard, and planning for Orientation.

Waino Wahtera Center for Student Success

The Waino Wahtera Center for Student Success is dedicated to helping you develop skills, attitudes, and values that will enhance your academic and personal success. Our staff offers you and your family a variety of programs, services, and opportunities to support your transition to Michigan Tech.

Your Michigan Tech HuskyCard is your official photo ID, room and building access card, residence hall meal pass, and an on-campus debit card. You’ll submit your ID and photo online through MyMichiganTech—watch your enrollment checklist for information. Once on campus, keep your card with you at all times—there is a fee to replace lost or damaged cards. Visit it.mtu.edu/huskycard for complete information.

Express Cash

The Express Cash debit card program is available as a feature of your HuskyCard. It operates like a no-interest checking account. By opening an account, you may use your card at locations like the Campus Bookstore and University Images, the North Coast Deli and Grill in the Memorial Union, campus cafes, the Rosze and Student Development Complex ticket offices, printers and copiers, and vending machines across campus. You can manage your account online by adding funds and reviewing transactions.

Submit a Photo for Your HuskyCard

For more information, contact Orientation Staff at 888-688-1885 or 906-487-3558, orientation@mtu.edu, or mtu.edu/orientation.

Student Disability Services

Student Disability Services at Michigan Tech is committed to assisting students with documented disabilities by providing accommodations and/or modifications. Information is available at mtu.edu/deanofstudents/students/disability or by calling 906-487-3558.

Counseling Services

The staff at Counseling Services is here to help you gain perspective and be successful, personally and academically. Our professional staff of licensed therapists provides solution-focused therapies to assist students in navigating challenges they may face while enrolled at the university. Each clinician works closely with all student support services at Michigan Tech and with healthcare professionals both locally and in students’ home areas. Services are free and confidential. In addition, 24-hour emergency mental health services are available by calling Public Safety and Police Services at 906-487-2216 and asking for the counselor on call. Those who are currently engaged in mental health support in their home communities are encouraged to contact Counseling Services to discuss options for continued care.

For more information or to schedule an appointment, contact 906-487-2538 or counseling@mtu.edu.
