### Michigan Tech Guide Key

- **FY**: Information especially for first-year students
- **T**: Information especially for transfer students
- **!:** Really important to do—check it off once you complete it
THE FIRST STEPS

☐ Visit Campus
Campus tours are offered every Monday through Friday at 8:30 AM and 12:30 PM (eastern). While you’re here, meet with a representative from your intended area of study. On select days during the academic year, you can also stay overnight for free in a residence hall with a student host (a two-week notice is required).

Call us at 888-688-1885 or plan your visit online at mtu.edu/admissions/visit.

Save the date for Preview Day—Saturday, March 24, 2018. It’s a day just for students accepted to Michigan Tech! Attend info sessions on housing and residence life, scholarships and financial aid, international opportunities, and more. See mtu.edu/previewday for more information.

☐ Log on to MyMichiganTech
As an accepted student, you have access to MyMichiganTech, your personalized Michigan Tech website. Log on to view your enrollment checklist, and:

- Pay your enrollment deposit
- Apply for on-campus housing and check the status of your residence hall application
- Access your Michigan Tech email
- View and accept scholarships and financial aid you’ve been awarded
- Access the ALEKS Math Placement Assessment
- Get details on course placement and your schedule
- Upload your HuskyCard photo
- Grant guest access for up to four people to view your bill, transcript, class schedule, and other important student record information

Log on at mymichigantech.mtu.edu. You’ll need the username and password provided on the Account Details sheet included in your acceptance packet. Select the Change Password icon to set your official Michigan Tech password. You’ll use this password to access MyMichiganTech and other campus computing resources, including your Michigan Tech email account.

For more information, contact the Admissions Office at 888-688-1885 or mtu4u@mtu.edu.

☐ Connect with Michigan Tech
To get the information you need and answers to your questions, check out:

- Regional events—Held in locations throughout the Midwest, these are opportunities to connect with staff from campus and meet other students who are considering Michigan Tech.
- Live webcasts—See event schedule at the right.

For more information, dates, and archived webcast presentations, visit mtu.edu/admissions/events.

☐ Join the Facebook Group for Accepted Students
Make friends, ask questions, and get information—join our group for accepted Michigan Tech students at facebook.com/groups/MichiganTech2018. Haven’t decided yet? Connecting with other accepted students can help you make your decision.

☐ Follow Michigan Tech
@michigantech
@michigan_tech

☐ Submit Your Enrollment Deposit
To enroll at Michigan Tech you need to submit a $100 enrollment deposit. Submitting your deposit will allow you to apply for on-campus housing and guarantee your spot in the incoming class.

<table>
<thead>
<tr>
<th>Enrollment Deposit Due Dates</th>
</tr>
</thead>
<tbody>
<tr>
<td>Semester</td>
</tr>
<tr>
<td>Spring 2018 (January)</td>
</tr>
<tr>
<td>Summer 2018 (May or June)</td>
</tr>
<tr>
<td>Fall 2018 (September)</td>
</tr>
</tbody>
</table>

* Fall applicants: your deposit is fully refundable if you notify the Admissions Office by May 1 that you do not plan to enroll.

You can pay your deposit online through MyMichiganTech. Or, send a check or money order payable to Michigan Technological University—be sure to include your Student ID number (M number) from your Account Details sheet.

Admissions Office
Michigan Technological University
1400 Townsend Drive
Houghton, MI 49931-1295

Changing Your Major
If you decide prior to enrolling at Michigan Tech that you would like to change your major from the program you selected on your application for admission, email mtu4u@mtu.edu or call 888-688-1885 and indicate the major you would like to change to. Your application will be reviewed to determine if you meet admissions requirements for the new program. To change your major after you enroll, you will work directly with your academic advisor to request changes to your program of study.

Live Webcasts
Join us for live online presentations from staff and current students about important topics in the college decision process. All times listed are eastern.

- Tuesday, September 19 at 5:30 PM Leading Scholars Scholarship
- Tuesday, October 10 at 6 PM Financial Aid 101
- Thursday, October 19 at 5:30 PM Impact Scholarship for School of Business and Economics Students
- Tuesday, October 24 at 8 PM Accepted! What’s Next?
- Wednesday, November 1 at 6 PM Financial Aid 101
- Thursday, December 14 at 7 PM Accepted! What’s Next?
- Thursday, January 4 at 6 PM Understanding Your Financial Aid Award
- Tuesday, February 6 at 6 PM Understanding Your Financial Aid Award
- Tuesday, February 13 at 5:30 PM Housing Options
- Wednesday, February 21 at 7 PM Accepted! What’s Next?
- Monday, March 12 at 6 PM Understanding Your Financial Aid Award
- Tuesday, April 24 at 5:30 PM ALEKS Math Placement Assessment
- Wednesday, April 25 at 5:30 PM Roommate Matching
- Wednesday, July 18 at 4 PM Technology on Campus Q&A
- Wednesday, July 25 at 4:30 PM Move-in and Orientation

Dates and times are subject to change. Email invitations from UnigoLive will be sent to all admitted students who have not opted out of receiving email communications from Michigan Tech.
To be considered for the most opportunities, start by filing your Free Application for Federal Student Aid (FAFSA).

Complete Your FAFSA
To be considered for all University-awarded financial aid, including grants, loans (for students and parents/guardians), work-study employment, and other aid, complete your FAFSA. File online at fafsa.gov. Our federal school code is 002292. To avoid delays in processing your FAFSA, please call the Admissions Office at 888-688-1885 to provide your social security number.

File by the due dates listed below for the best opportunities. FAFSAs processed after these dates will receive consideration for remaining aid.

<table>

</table>

If you've already filed a FAFSA, but did not have the results sent to Michigan Tech, visit fafsa.gov or call 800-433-3243 to have the results released to us.

Scholarships
Michigan Tech offers merit-based scholarships for first-year and transfer students.

First-year students
With your acceptance to Michigan Tech, you’ll automatically be considered for merit-based scholarships. Michigan residents are eligible for Presidential Scholar Program awards, and non-Michigan residents are eligible for National Scholars Program awards. Also, start checking with your high school guidance office, community foundations, parents' place of employment, and other outside sources for additional scholarship opportunities.

The following competitive scholarships require additional application materials. Some deadlines are as early as October 15.

- Leading Scholar Award—October 15
- School of Business and Economics Impact Scholarship—October 31
- FIRST Robotics Scholarship—November 15
- Summer Youth Scholars—November 15
- Visual and Performing Arts Talent Award—March 14

For a full list of scholarships and deadlines visit mtu.edu/admissions/tuition/scholarships.

Transfer students
Both Michigan and non-Michigan residents are eligible for transfer scholarships. Michigan residents are eligible for the Michigan Tech Transfer Scholarship and non-Michigan residents are eligible for transfer awards through the National Scholars Program. In both cases, you’re automatically considered for these awards.

For more information, visit mtu.edu/admissions/tuition/scholarships.

Your Financial Aid Award Letter
If you are awarded financial assistance as a result of completing the FAFSA, you will receive a financial aid award letter that includes the following detailed information:

- Amount of merit- and need-based aid awarded
- Estimated annual cost of attendance for the upcoming school year
- Financial aid deadlines and information
- Information about how to accept your awards and the terms and conditions of your financial aid

</tbody>
</table>

Employment
Regardless of when you start at Michigan Tech, you’ll find many opportunities for student employment. Even if you don’t qualify for work-study (as a result of your FAFSA/Expected Family Contribution), most departments on campus hire students for part-time jobs. On average, 2,000 students are employed on campus. Off-campus employment opportunities are also available. Get details at mtu.edu/admissions/tuition/employment.

Cost of Attendance
Your cost of attendance is an estimate of your annual expenses, including tuition, fees, room and board, books and supplies, and personal needs and travel. To get an estimate of your net cost after financial aid and scholarships, visit mtu.edu/admissions/tuition/calculator.

See estimated undergraduate student expenses on page 5.
### Apply for Housing

In the Michigan Tech residence halls, you’ll enjoy a community that values friendship and academic success. All single students, apart from transfer or commuting students living with a parent/guardian, must live on campus during their first year at the University. Students receiving merit-based scholarships through the Presidential Scholar, National Scholars, or Leading Scholar programs are required to live in University housing for their first two academic years.

Apply early for housing—the sooner, the better—by completing and submitting your residence hall application. The residence hall application will be available via MyMichiganTech after your enrollment deposit has been received. Please note:

- Priority is given to students that find a match using Roommate Matching (in order of the date and time matched in the system).
- After all students who used Roommate Matching are placed into housing, assignments are determined by the date we receive your application.

### Residence Halls

You may choose to live in one of three residence halls. Each hall is different in size and appearance, but is similar in service with its own dining hall, study lounge, game room, kitchenettes, sauna, laundry facility, fitness room, reception desk, lounges, and student and professional staff.

- Douglass Houghton Hall (DHH), our smallest residence hall, houses about 350 students. This historic building was constructed in the late 1930s and characterizes that time period with its beautiful architectural details.
- McNair Hall has a view of the Keweenaw Waterway and consists of three buildings. West McNair has two stories and is connected to East McNair’s five stories by the dining hall. There are about 800 students living in McNair.
- Wadsworth Hall (Wads) is our largest hall—one-quarter-mile long, five stories high, and home to approximately 1,050 students. The Campus Café inside Wads is a convenient place to meet, relax, or enjoy a late-night snack.

### Choose a Roommate (Fall Semester Only)

Once you submit your residence hall application, you will be invited to use Roommate Matching (beginning May 1). Request a roommate you know, or search for the best match. You have until June 1 to enter your roommate choice, but it’s best to match as early as possible. If you choose not to use this program, we will assign you a roommate.

Please note: Students enrolling for spring or summer semesters are not eligible for Roommate Matching.

On August 1, you’ll receive notification of your hall, room, and roommate assignment. New students submitting their housing materials after August 1 will receive their residence hall assignment when they arrive on campus.

For more information, contact Housing and Residential Life at 906-487-2682, email housing@mtu.edu, or mtu.edu/housing.

---

### Michigan Tech Guide

For more information, contact the Student Financial Services Center at 906-487-2622, email student-billing@mtu.edu, or visit mtu.edu/student-billing.
Theme Communities
Theme Communities are areas in residence halls for students with similar interests. Students live, learn, and collaborate within these communities. Through increased educational programming, faculty involvement, and peer-to-peer connections, these communities extend learning beyond the classroom. If you are interested in living in a Theme Community, please rank your preferences on your residence hall application.

There are three requirements of Theme Community members:

- Be open and ready to create meaningful connections with your peers, faculty, and administration. Commit to engaging, collaborating, and creating your future alongside like-minded individuals.
- Complete a 1-credit Creating Your Success (UN 1010) course in the fall semester with other Theme Community students. All Theme Community students are automatically enrolled in this course (applies only to first-year students and transfer students with fewer than 30 credits).
- Pay a $30-per-semester fee (included on your bill) to support programming, activities, and peer staff.

For more information about Theme Communities, visit mtu.edu/housing/campus/communities.

Michigan Tech Apartments
- Hillside Place offers a hybrid residential experience to upper division and graduate students. Each furnished apartment contains four bedrooms, two bathrooms, and a living space with panoramic views. All utilities are included (with the exception of phone service), and you’ll enjoy a fully equipped kitchen, with electric range, microwave, and full-size refrigerator, as well as laundry facilities, study lounges, a fitness center, and more.
- Daniell Heights Apartments offer one- and two-bedroom units for students with families, graduate students, and undergraduates who are 21 and older. Utilities are included (with the exception of phone service). Apartments are furnished, including stove and refrigerator, and each building features laundry facilities.

For more information or to apply for an apartment, call 906-487-2682, email housing@mtu.edu, or visit mtu.edu/housing.

Residence Hall Dining Services
Our meal plans provide unlimited access to all three residential dining halls. There is no limit to the number of times you may enter a dining hall to eat a meal or stop in for a snack or drink. Choose from one of three meal plans when you complete your residence hall application:

<table>
<thead>
<tr>
<th>Meal Plan</th>
<th>Access</th>
<th>Guest Meal Passes</th>
<th>Dining Dollars</th>
</tr>
</thead>
<tbody>
<tr>
<td>Silver</td>
<td>Unlimited</td>
<td>4 per semester</td>
<td>$100 per semester</td>
</tr>
<tr>
<td>Gold</td>
<td>Unlimited</td>
<td>8 per semester</td>
<td>$150 per semester</td>
</tr>
<tr>
<td>Platinum</td>
<td>Unlimited</td>
<td>16 per semester</td>
<td>$300 per semester</td>
</tr>
</tbody>
</table>

You may use your meal plan in any of the residential dining halls. Meal hours are posted throughout the halls. In the case of a class, lab, or work schedule conflict, arrangements can be made to pick up a meal. Dining Services offers a variety of entrées at each meal, including vegetarian options; salad, deli, and pasta bars; and stir fry, pizza, dessert, ice cream, waffle, and beverage stations. If you have an allergy or other dietary need, let the Dining Services staff know—we will work with you to provide the food you need.

Dining Dollars
Dining Dollars add flexibility to your meal plan. They are included in the Silver, Gold, and Platinum meal plans and allow you to eat at convenient times and locations. Dining Dollars are accepted at the Campus Café (Wadsworth Hall), the Aftermath Café (Fisher Hall), North Coast Deli and Grill (Memorial Union), the Library Café, Fusion (Dow lobby), Coaches Corner (SDC), vending machines throughout campus, and the Husk Café (Mont Ripley Ski Chalet).

Unused Dining Dollars are transferable from fall to spring semester; however, any Dining Dollars not used by the end of spring semester are nonrefundable.

For more information, email Dining Services at campus-dining-l@mtu.edu or visit mtu.edu/dining.

Register for Residential Parking
It’s easy to get around campus and throughout the community, so first-year students are encouraged to leave their vehicles at home. Zipcars are available for students to rent by the hour or day, and the City of Houghton offers a shuttle that runs from campus to multiple stops throughout the area Monday through Friday.

If you will be living on campus and choose to bring a vehicle, you must register it with the University. Transportation Services coordinates vehicle registration and parking; watch MyMichiganTech for details about when you can register your vehicle.

If you plan to bring a motorcycle, scooter, or snowmobile to campus, you must register it with Transportation Services. Please note: there is no winter storage available.

For more information, contact Transportation Services at 906-487-1441, parking@mtu.edu, or mtu.edu/facilities/services/transportation.

Register for Commuter Parking
If you’ll be commuting to campus, you must register your vehicle with the University before classes begin. Register online at mtu.edu/facilities/services/transportation/registration or in person at Transportation Services, in room 100 of the Administration Building across from the Student Financial Services Center. For more information, contact Transportation Services at 906-487-1441, parking@mtu.edu, or mtu.edu/facilities/services/transportation.

Housing
Whether you’re looking for low-maintenance campus living geared toward older students, a home for you and your family, or a place that gets you off campus and into the community, you’ll find plenty of options.

- Michigan Tech Apartments offer on-campus living options for upper division and graduate students. Apartments are fully furnished and include most utilities. See page 6 for details, or visit mtu.edu/housing.
- For information about off-campus housing, including a list of available properties, check out the off-campus housing list at usg.mtu.edu/usg/housing, or contact the Undergraduate Student Government at 906-487-2406 or usg@mtu.edu.
Course Placement
Michigan Tech offers placement tests to ensure you are beginning your coursework at the right level.

Take the ALEKS Math Placement Assessment
All incoming students are required to take the online ALEKS Math Placement Assessment. Students with a qualifying AP score of 2 or higher, IB HL exam score of 5 or higher, or CLEP score of 50 or higher, or those who have earned college-level math credit for college algebra, trigonometry, precalculus, or calculus are exempt from the requirement.

Your initial course placement is important, as your math class is a prerequisite for many other courses required for your degree. Starting in a math course that is not right for you could increase the time it takes you to graduate. Take the assessment when it becomes available, and take it seriously. Your complete course schedule will not be available until you take the assessment.

The online ALEKS Placement Assessment covers material from basic math through precalculus and will take approximately 90 minutes to complete. During the testing period, you will access the assessment online, from any computer, through your MyMichiganTech account.

After the assessment, a targeted Prep and Learning Module is available for you to review and learn material. After working in the Prep and Learning Module, you can take up to two additional online ALEKS Placement Assessments. Your math placement will be determined by the highest score earned.

A non-refundable, $25 fee plus tax ($26.50 total)—payable by credit card to ALEKS—covers the initial assessment, customized tutoring through the Prep and Learning Module, and two additional assessments (if desired).

ALEKS is available from May 1 to June 30. Students planning to take the AP Calculus exam in spring 2018 should have scores sent to Michigan Tech. If you score a 1 on the AP exam, we will contact you for the AP Calculus exam in spring 2018 should have scores sent to Michigan Tech. If you score a 1 on the AP exam, we will contact you.

Watch for details about the placement assessment. For more information, visit mtu.edu/math/placement/aleks.

Chemistry
Find details on chemistry course placement at mtu.edu/math/placement/aleks.

Modern Language
If you plan to continue studying French, German, or Spanish at Michigan Tech, you must take the free online Modern Language Placement Exam to be placed into the correct course. Learn more about the test and view sign-up instructions at mtu.edu/humanities/undergraduate/modern-languages/placement.

Computer Science Knowledge Assessment
Students enrolling in computer science, software engineering, or computer engineering must take the online Computer Science Knowledge Assessment in June to determine which introductory computer science course is best for you. Details about this online test can be found at mtu.edu/cs/undergraduate/placement.

Submit AP, IB, or CLEP Scores
First-year students
Your scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) may earn you credit or placement. Scores must be sent directly from the testing agency. To see a list of scores needed to receive Michigan Tech credit, go to mtu.edu/admissions/apply/ap-ib-clep.

Transfer students
If you received college credit at your previous institution for AP, IB, or CLEP examinations, your test scores will need to be sent to Michigan Tech directly from the testing agency. To see a list of scores needed to receive Michigan Tech credit, visit mtu.edu/admissions/apply/ap-ib-clep.

To be considered official, a transcript must be sent directly to Michigan Tech by the institution issuing the transcript, or from a transcript service such as Parchment. Transcripts stamped “issued to student” or those hand delivered, even if in a sealed envelope, are not acceptable.

First-year students
Request your final transcript through Parchment, or contact your high school upon graduation and ask them to send your official transcript showing your final grades and graduation date.

Transfer students
If you have taken additional courses that did not appear on the transcript submitted with your application for admission, contact the registrar’s office at your current institution to request an official transcript with final grades be sent to us.

Notify Us of Transfer Credit
First-year students
If you completed college-level courses during high school, contact the registrar’s office at the institution(s) and request an official transcript with final grades be sent to Michigan Tech’s Admissions Office. Courses will be evaluated for transfer credit.

Transfer students
If you are taking additional courses that do not appear on your most recently sent transcript, email your unofficial transcript to transfer@mtu.edu. The courses will be added to your record as pending transfer credit.

Transfer credits pending but not validated with final transcripts will be dropped from your record. As a result, any scheduled courses that require the dropped transfer course(s) as a prerequisite will also be dropped from your course schedule.

Submit AP, IB, or CLEP Scores
First-year students
Your scores on Advanced Placement (AP), International Baccalaureate (IB), or College Level Examination Program (CLEP) may earn you credit or placement. Scores must be sent directly from the testing agency. To see a list of scores needed to receive Michigan Tech credit, go to mtu.edu/admissions/apply/ap-ib-clep.

Scheduling Classes

**First-year students enrolling in the spring or summer semester**
Your schedule will be created by the Registrar’s Office based on your major, ALEKS Math Placement Assessment score, AP/IB/CLEP score(s), and transfer credits received.

**Transfer students with fewer than 30 credits enrolling in the spring or summer semester**
Make schedule changes by contacting the Registrar’s Office at 906-487-2319 or schedule@mtu.edu.

**First-year students and transfer students with fewer than 30 credits enrolling in the fall semester**
Your schedule will be prepared for you by the Registrar’s Office in mid-July. Engineering students are scheduled into cohorts (groups of students who take the same courses together) based on your ALEKS or AP score(s) and any transfer credit received.

Be sure to review the recommendations on page 8 regarding the ALEKS Math Placement Assessment. Completing your assessment by the deadline will allow you to have the most complete schedule possible and will ensure you’re placed in the best course for you—possibly avoiding unnecessary coursework and tuition.

Your initial schedule may not reflect full-time status (12 credits or more), but all first-year students are billed as full time, making you eligible for financial aid. Any adjustments to your bill will be made in August.

During Orientation, you will be able to add other courses (co-curricular courses, general education, electives) to complete your fall schedule or make changes after consulting with your academic advisor. Changes may also be made by contacting the Registrar’s Office at 906-487-2319 or schedule@mtu.edu.

**Transfer students with more than 30 credits enrolling in any semester**
Your transfer evaluation will be sent to your academic advisor, who will contact you with course recommendations prior to registration. You will be able to schedule your classes through MyMichiganTech, by calling the Registrar’s Office at 906-487-2319, or by contacting your advisor.

- **Get Your Books**
  Once you receive your course schedule, you may order your books online via bookstore.mtu.edu prior to the start of the semester. After you place your order, your books will be available for pickup when you arrive on campus.

**HEALTHY LIVING**

You need to be healthy and happy to get the most out of your college experience. If you find yourself under the weather or in need of help, there are resources available to you.

- **Complete CampusClarity: Think About It**
  All new students are required to complete a three-part online course called Think About It by CampusClarity. This course was created by students for students, and is designed to help you examine the issues of hooking up, substance abuse, sexual violence, and healthy relationships through interactive, realistic scenarios, and guided self-reflection. The course promotes a healthier, safer campus environment for everyone. Watch your Michigan Tech email account in August for the information you'll need to begin the course.

**Health Services**
Students have access to healthcare services at Upper Great Lakes Houghton Family Health Center located inside the UP Health System Portage University Center, attached to the Student Development Complex. The clinic has student walk-in hours every weekday morning and afternoon. Immediate care is also available at UP Health System Portage Express Care on Sharon Avenue, less than three miles from campus. Emergency services are available at the UP Health System Portage Emergency Department in Hancock. Visit portagehealth.org/student to learn more.

**Counseling Services**
The staff at Counseling Services is here to help you gain perspective and be successful, personally and academically. Our professional staff of licensed therapists works closely with all student support services at Michigan Tech and with mental health professionals both locally and in students’ home areas. Services are free and confidential. In addition, 24-hour emergency services are available by calling Public Safety and Police Services at 906-487-2216 and asking for the counselor on call.

For more information or to schedule an appointment, contact 906-487-2538 or counseling@mtu.edu.

**Student Disability Services**
Student Disability Services at Michigan Tech is committed to assisting students with documented disabilities by providing accommodations and/or modifications. For more information, call 906-487-2212 or visit mtu.edu/deanofstudents/students/disability.

**Student Insurance**
We recommend all students have health insurance coverage while attending Michigan Tech. However, all international and graduate students must have insurance. Domestic students may purchase insurance through the University if they desire.

The Student Insurance Office at Michigan Tech offers health insurance to currently enrolled students, covering preventative services, basic medical care, and hospitalization.

For more information, visit mtu.edu/hr/students/insurance, email studentinsurance@mtu.edu, or call 906-487-1088.
Immunizations
Michigan Tech highly recommends students have the following vaccinations before arriving to campus. If you are not sure about your vaccination status, please contact your healthcare provider or local health department.

- Meningococcus vaccination
- Tetanus/Diphtheria (both primary series and booster within the last 10 years)
- Measles-Mumps-Rubella (MMR) or measles vaccine (two doses)
- Varicella vaccine (two doses if you have not had the chickenpox)
- Hepatitis A vaccine
- Hepatitis B vaccine

In addition, it is recommended students receive flu shots each October/November. Flu shot clinics will be available on campus or at the UP Health System Portage University Center.

Chronic Medical Conditions
Students with chronic medical conditions should register with Student Disability Services in the Dean of Students Office in case they require support during the semester.

For more information, call 906-487-2212 or visit mtu.edu/deanofstudents/disability/students/policy.

ORIENTATION AND YOUR HUSKY CARD

Your first day of class will be here before you know it! Prepare for your arrival on campus by familiarizing yourself with the Waino Wahtera Center for Student Success, submitting a photo for your HuskyCard, and planning for Orientation.

Waino Wahtera Center for Student Success
The Waino Wahtera Center for Student Success is dedicated to helping you develop skills, attitudes, and values that will enhance your academic and personal success. Our staff offers you and your family programs, services, and opportunities to support your transition to Michigan Tech.

☐ Save the Date for Orientation
All new students attend Orientation prior to beginning classes at Michigan Tech. Orientation is designed to help you get acquainted with campus resources, inform you of important information about academics and co-curricular opportunities, and help you to meet fellow new students, current students, and faculty and staff members.

Participation in Orientation is required for all new students, whether you are living on or off campus. There are also Orientation programs for parents and family during Move-In Weekend, including Sibling Orientation.

Local accommodations are limited, so please make lodging reservations early if you have family members traveling with you for Move-In (August 25) and Orientation.

For more information, contact Orientation at 888-688-1885 or 906-487-3558, orientation@mtu.edu, or mtu.edu/orientation.

☐ Submit a Photo for Your HuskyCard
Your Michigan Tech HuskyCard is your official photo ID, room and building access card, residence hall meal pass, and an on-campus declining balance card.

Submit your ID card photo online through MyMichiganTech, and watch your enrollment checklist for information about when you can submit your photo. Guidelines for photos and instructions on how to obtain your HuskyCard are available through the IT Customer Support Center at support.it.mtu.edu/HuskyCards.

Once on campus, keep your HuskyCard with you at all times--there is a fee to replace lost or damaged cards. Complete information is available at it.mtu.edu/huskycard.

Express Cash
Express Cash is available as a feature of your HuskyCard. It operates like a no-interest checking account. By opening an account, you can use your card at Campus Bookstore and University Images, the food court and cafes, Rozsa and SDC ticket offices, the Outdoor Adventure Program Rental Center, printers and copiers, and vending machines across campus. Manage your account online by adding funds and reviewing transactions.
