FACULTY RECRUITMENT SUPPORT SURVEY

WELCOME!

During your visit, two hours will be set aside, separate from your host department time, to explore your interests in our community. The information you provide will not be shared with your host department and will not be used in any way in the hiring decision.

1. The Copper Country Intermediate School District serves 13 local school districts over a three county area. Are you interested in learning more about area schools?

2. We take care of ourselves, family members, children, elders, and pets.

Are you interested in knowing more about local care options?

3. The Office of Partner Engagement is dedicated to helping the partners of new faculty connect with employment opportunities at Michigan Tech and in the community.

Also available is the opportunity to discuss non-employment options.

Would you like to meet with the Office of Partner Engagement?

4. Michigan Technological University serves over 1,100 international scholars and students from over 60 different countries. Are you interested in information about programs involving international cultures at Michigan Tech and/or in the local community?

5. The Center for Diversity and Inclusion invites the Michigan Tech community to embrace a deeper understanding and appreciation for diversity, inclusion, and social justice. Are you interested in meeting with a staff member from the Center for Diversity and Inclusion?

6. Our community has many opportunities for activities including arts, music, scouting, health, wellness and more. Are you interested in learning more?

7. Are you interested in knowing more about local businesses in the local area?

This might include: arts, cultural events, shop and dine, places of worship, or other interest.

8. The community has many opportunities for volunteering, as well as joining professional organizations or service clubs. Are you interested in knowing more about these opportunities?

9. Is there anything else with which you are interested?
