

NSF ADVANCE SEMINAR

Advocates and Allies Programs in Support of Women and Gender Equity

Roger Green, Ph.D.

**Associate Professor
Electrical and Computer Engineering
North Dakota State University**

The focus of this session is on Advocates and Allies (A&A): a program developed by North Dakota State University as part of its 2008 NSF ADVANCE IT grant and later expanded through a collaborative 2015 NSF ADVANCE PLAN-D grant. Advocates and Allies are groups of men working to gain the knowledge, skills, and action commitment to support women and gender equity.

Thursday, February 14th, 2019 @ 9:05am

Memorial Union Building, Ballroom A1

Open to all students, faculty, staff, and community members.

**Michigan
Technological
University**

*Michigan Technological University is an equal opportunity educational institution/equal opportunity employer,
which includes providing equal opportunity for protected veterans and individuals with disability.*
