# Flowchart of the Cybersecurity Minor at Michigan Tech
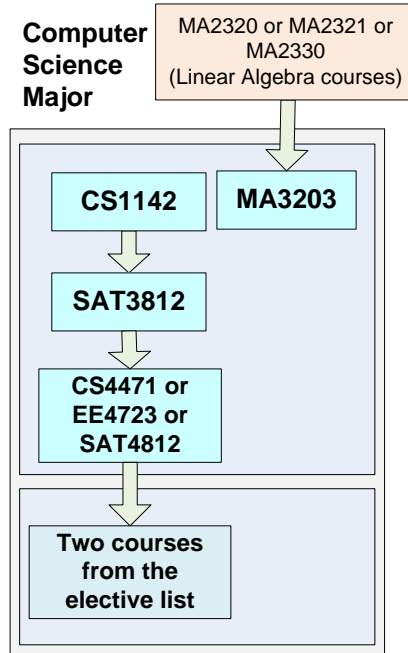

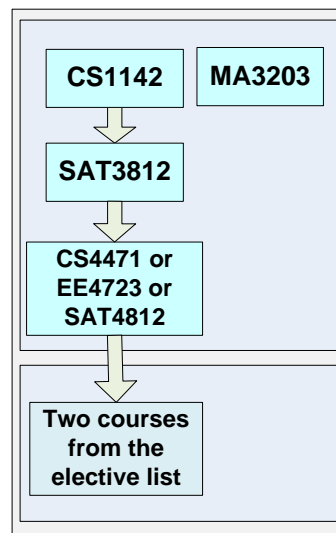

## Computer Network & System Administration (CNSA) Major

CS1111    MA3203

SAT3812

SAT4812

Four Required Courses

Two SAT courses from the elective list

Two Elective Courses

## Computer Science Major

MA2320 or MA2321 or MA2330 (Linear Algebra courses)

CS1142    MA3203

SAT3812

CS4471 or EE4723 or SAT4812

Two courses from the elective list

## Computer Engineering Major

CS1142    MA3203

SAT3812

CS4471 or EE4723 or SAT4812

Two courses from the elective list

## Electrical Engineering Major

CS1111    MA3203

SAT3812

CS4471 or EE4723 or SAT4812

Two courses from the elective list
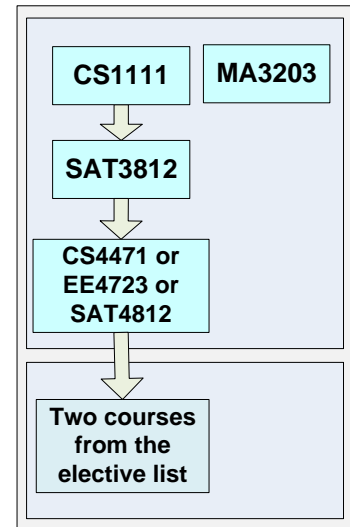

## Management Information Systems Major

MA2320 or MA2321 or MA2330 (Linear Algebra courses)

MIS2100    MA3203

SAT3812

SAT4812

Two SAT courses from the elective list
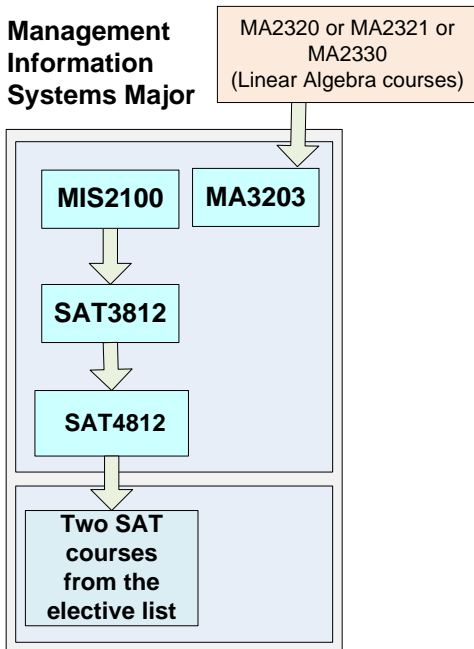

## All Other Majors at Michigan Tech

CS1121 (Introduction to Programming I)

CS1122 (Introduction to Programming II)

CS1131 (Accelerated Introduction to Programming)

MA2320 or MA2321 or MA2330 (Linear Algebra courses)

CS1142    MA3203

SAT3812

SAT4812

Four Required Courses

Two SAT courses from the elective list

Two Elective Courses
