

Bioathlon: General Guidelines

Failure to follow these directions and any additional direction from the lab assistant may result in deduction of points or disqualifications.

FOR LABORATORY COMPETITIONS:

1. All cell phones are to be put away. Any phone that is used for any reason will result in a team disqualification of that one exercise.
2. The laboratory door will be opened at 2 minutes prior to the scheduled time.
3. Upon entering the lab, sit at the table for your team.
4. Do not touch any of the materials on the table until directed to begin.
5. When directed to do so by the lab assistant, open the envelope containing instructions for solving the problem and begin.
6. The lab assistant will announce when 10 minutes remain.
7. Keep in mind that in addition to completing the problem, you must clean up your work area. NOTE: Points will be deducted for not leaving the work area clean.
8. When the lab assistant announces that the time is up, STOP IMMEDIATELY. Teams working beyond the time limit on any problem will receive ZERO POINTS for that exercise.
9. Do not leave the room/area until instructed by your proctor. You must wait until the scheduled time.
