Bachelor of Science in Economics | Minor in Mathematics

STATEMENT

Senior Analytical Economics student planning on founding an investment partnership, with like-minded alumni, using our collective skills to look into new financial technologies, creative investment opportunities, and innovative models

EXPERIENCE

Applied Portfolio Management Program May 2025 - Current *Michigan Tech College of Business* | *Houghton, MI*

- Spearheaded the Top down investment philosophy which has been adopted by the Superior Investment Group
- Assisting with Bloomberg certification and subsequent analysis sectors
- Creating buy reports and with projections of future growth or decline

Warehouse Guava fulfilling Staff June 2024 - August 2024 *FulEx* | *Warren, MI*

- Spent a full summer with FULEX learning the mechanics of the company and the industry, rising through the ranks to eventually be in charge of a major account.
- While responsible for account, I successfully packaged and shipped approximately \$782,000 worth of product
- Assisted with salvage operations after major collapse of shelving, nearly 40 plates of product was recovered

Senior Camp Counselor June - August 2019, 2021, 2023 *Camp Sancta Maria* | *Gaylord, MI*

- Work for three summers each 8 weeks, 14 hour days, six day a week, as a boys summer camp counselor
- created several new programs for the children, including war games, an active sport on an acre field which is still implemented to this day, and new story lines for the camp.
- Assisted with scheduling in 2021, involving large matrices and tradeoffs
- Performed over 10 minute speeches to the campers on several theological topics to encourage growth in faith

Entrée Chef Oct 2021 - April 2022 *The Library* | *Houghton, MI*

- Work for several months as a Entree chef for the Library
- Maintained excellent relations with staff and waiters
- Created several proposals for menu additions
- Assisted with large specialty orders for the Michigan Tech Hockey team
- Performed maintenance work and repaired the dish washer sink twice and deluged the drain after Kitchen flooding

Campaign Assistant Summer 2020 *Sreeny Cherukuri's Michigan House Campaign* | *Novi, MI*

- assembled 5000 signs
 - Met and spoke hundreds of locals in order to spread awareness
 - drove over 1000 miles cumulatively for sign installations and outreach
-
