3. **President**, Michigan Alliance for Environmental and Outdoor Education (MAEOE), 2009; board member 2008-2013; 2010 Conference Chair; co-founder of MAEOE Diversity & Inclusion Initiative.

4. **Program Director** for the “Urban Forest Stewardship Teachers Initiative” in Detroit Public Schools Project 2011-2014. This project included two 5-day Urban Forest Stewardship Teacher Institutes held on Belle Isle, Detroit, MI, presentations at the National Science Teachers Association Conference held March 12-15, 2015 (Chicago, IL) and North American Association for Environmental Education Conference held Oct. 8-11, 2014 (Ottawa, Ontario). Project outcomes include: urban teachers are prepared to integrate forestry into their curricula, urban students gain forest stewardship skills, and the ecological health and stewardship of urban forests has been enhanced. Created two posters highlighting “*Detroiters in Natural Resource Careers*” to inspire Detroit youth.
