Co-Curricular Activities (3 credits total)

Co-curricular courses count for financial aid and full-time student status; however they are not included in GPA calculations or in the 131 credits total required for graduation.

Co-curricular courses can only be used once for this requirement, except PE 0210 Special Topics and PE 0425 Intramurals, which may be used twice.

Free Elective Requirement (3 credits total)

Free electives are any class, 1000-level or higher that are not co-curricular courses. They may be taken pass/fail, unless the course is being used for a minor.
