When you purchase a ticket for an event that is located on Michigan Tech's Campus, Michigan Tech Ticketing Operations will be handling the transaction and collecting payment for the Event Provider. Please visit our [Ticketing Guidelines](#) for more information.

We're happy to accept multiple forms of payment—as long as one of them is not a credit card. For example, you can combine a gift card with cash or a check to cover the total amount. However, our system does not allow gift cards to be used together with a credit card. Thank you for your understanding!
