**GET WELL SOON MEAL**

Dear student in need of a Get Well Soon Meal,

We are sorry to hear that you're not feeling well! Please allow us to help. The purpose of this form is to allow a roommate, friend, or resident assistant (RA) to use your HuskyCard to bring you a Get Well Soon Meal from any of our residential dining facilities. We also want to make sure an RA signs off on this form so they know you are not feeling well and can check on you from time to time.

RA Name \_\_\_\_\_

RA Signature \_\_\_\_\_

---

Hello friend of a student not feeling well,

First, let us say you're a good person for taking care of your friend. Thank you for offering to help! Please present this paper to any residential dining hall ID checker stand with the HuskyCard of your friend. Then see a dining manager to get a disposable container and cup. You're welcome to create a meal for your friend from the many options available. However, if you would like something specific for your friend, such as broth, please let our dining manager know and we will do our best to help. If you have any questions, please call Dining Services at 906-487-2685 or Residence Education and Housing Services at 906-487-2682.

Sincerely,

Daryl Matthews  
Director of Dining Services

Matthew Weekley  
Director of Housing Auxiliary Operations  
and Residence Education
