2016-2017 Diversity Initiative and/or Goals

- Encourage Financial Services and Operations staff to attend campus diversity events and allow release time for these events.
- Attend training opportunities on diversity provided by Human Resources, Institutional Equity and Inclusion, and others.
- Continue compliance with the University's Master Subcontractor Plan, to provide equitable opportunities for small businesses to participate in subcontract bidding.
- Continue weekly departmental group-up meetings and annual goals & accomplishments events to maintain and encourage an environment of diverse ideas and input.
