

Enterprise Course # Registration Guide

# Semesters remaining at MTU:	Register in Course # for Project work	Register in <u>Your Enterprise Section #</u>	Look up the section number and CRN that pertains to the enterprise you wish to register in, in the Schedule of Classes.
8			Wait one semester. Explore enterprises and choose.
7	ENT 1960		Optional; along with Calculus II
6	ENT 2950		Optional; same semester as EE2111 or Diff Eq.
5	ENT 2960		Optional; same semester as EE2112 or 5 semesters to go
4	*ENT 3950		Begin Engineering Design sequence when you have 4 semesters remaining at Tech
3	*ENT 3960		
Optional 3	ENT 3980		Use if not yet "senior design ready"; cannot apply to engineering design
2	*ENT 4950		ENT4950 Permission/Design Verification form and Project Summary form are required; EE3901,EE3131 completed; co-req or pre-req: EE3171 or EE3173
1	*ENT 4960		
Another 1	ENT 4961		Optional super senior semester

***Required course numbers** to meet the engineering design requirements using enterprise project work. Applies to Electrical Engineers and Computer Engineers.

Most enterprises require signature approval from the enterprise advisor (instructor) using the common Special Approval/Restriction waiver form.

Concentration requirements: Engineering Enterprise

Take ENT2961, ENT2962, ENT3950, ENT3960, ENT4950, ENT4960 and 3 credits from the following: ENT3954, ENT3956, ENT3959, ENT3961, ENT3962, ENT3963, ENT3966, ENT3967, ENT3971, ENT3974, ENT3976, ENT3982, ENT3983, ENT4951, ENT4954

To add an **Engineering Enterprise concentration or Minor**, submit a Curriculum Add/Drop request in MyMichiganTech.
