

## Enterprise Course # Registration Guide

# Semesters remaining at MTU:	Register in Course # for Project work	Your Enterprise Section #	
8			
7	ENT 1960		Optional; along with Calculus II
6	ENT 2950		Optional; same semester as EE2111 or Diff Eq.
5	ENT 2960		Optional; same semester as EE2112 or 5 semesters to go
4	<b>*ENT 3950</b>		Begin Engineering Design sequence when you have 4 semesters remaining at Tech
3	<b>*ENT 3960</b>		
3	ENT 3980		Use if not yet "senior design ready"; does not apply to engg design
2	<b>*ENT 4950</b>		ENT4950 Permission/Design Verification form and Project Summary form are required; EE3901,EE3131 completed; co-req or pre-req: EE3171 or EE3173
1	<b>*ENT 4960</b>		
<b>Another 1</b>	ENT 4961		Optional super senior semester

**\*Required course numbers** to meet the engineering design requirements using enterprise project work. Applies to Electrical Engineers and Computer Engineers.

Look up the section number and CRN that pertains to the enterprise you wish to register in. Most enterprises require signature approval from the enterprise advisor (instructor) using the common Special Approval/Restriction waiver form.

A concentration in Engineering Enterprise is available with the BSEE and BSCpE, but is not required.

### Concentration requirements: Engineering Enterprise

Take ENT2961, ENT2962, ENT3950, ENT3960, ENT4950, ENT4960 and 3 credits from the following: ENT3954, ENT3956, ENT3959, ENT3961, ENT3962, ENT3963, ENT3966, ENT3967, ENT3971, ENT3974, ENT3976, ENT3982, ENT3983, ENT4951, ENT4954

To add an **Engineering Enterprise concentration**, complete a Curriculum Add/Drop form and bring it to your advisor.

To add a **minor in Enterprise**, complete a Curriculum Add/Drop form and bring it to the minor advisor – Mr. Rick Berkey, M&M 722.
