____ 3 credits from any list**_____

* **EC3400** is required by the degree, and may **NOT** be counted as a Social Resp./ Ethical Reason or HASS course.

III. Co-curricular activities (3 units)

In the co-curricular requirement, the three semester units will be physical education activities. These units are required for graduation, but are not included in the calculation of the GPA, nor in the overall degree-credit requirement. Note: most physical education activities will last for 7 $\frac{1}{2}$ weeks or $\frac{1}{2}$ semester. A student would need <u>six</u> of these $\frac{1}{2}$ -semester units to fulfill the 3-semester unit co-curricular requirement.
