You will be required to quarantine for 14 days. The length of your quarantine could be reduced if you meet certain criteria.

You will be referred to UGL for a COVID-19 test. You may use your regular healthcare provider if you prefer.

You choose not to have a COVID-19 test.

Your test is positive.

Your test is negative.

**Thank you. You are welcome to come to campus.**

You may return to campus when permitted by CDC guidelines. Those guidelines are:

- 24 hours with no fever; and
- Other symptoms of COVID-19 (if any) are improving; and
- 10 days since symptoms first appeared.

The soonest you may return to campus is 10 days.

You may return to campus when permitted by the health department and your medical provider. They will generally follow CDC guidelines.

Soonest you may return: 10 days.

Please do not come to campus while sick. You may return to campus when you are fever free without fever reducing medication for 72 hours, your other symptoms are improving, you are feeling well enough to come to campus, and you have consulted with your medical provider.

The soonest you may return to campus is the next day, if no fever was ever present.
