Crew Member

Spend a season working and camping outside at some of Nevada’s premier natural areas. Serve alongside other Americorps volunteers from across the country while making a lasting contribution to Nevada’s natural resources and heritage. Gain valuable field experience while working on habitat improvement, restoration, and recreation projects with the U.S. Forest Service, Bureau of Land Management, the National Park Service, and many other federal and state agencies. Learn firsthand from federal employees and specialists about natural resource and conservation careers.

- Receive technical trainings in trail work, forestry, and habitat restoration
- Get paid and earn scholarships and college credit
- Student Loan Forbearance
- Gain experience in natural resource management
