

Funding is available immediately for the enrollment of a graduate student in the PhD program at Michigan Technological University. The PhD student will work on Molecular Biology and Tree Biotechnology related research. Highly motivated candidates with a background/degree(s) in Biology, Forest Science, Horticulture and Agronomy are encouraged to apply.

Interested candidates are encouraged to send letter of interest, current CV, and university transcripts to Dr. Yinan Yuan (yinyuan@mtu.edu). Selected candidates will be instructed to apply for admission to Michigan Tech's graduate program.

EEO/AA Policy

Michigan Technological University is an equal opportunity, affirmative action employer; women and minority candidates are encouraged to apply.
